Church History Study Guide, Pt. 3-Randal S. Chase 2012-05-31 Latter-Day Prophets Since 1844. This volume is the third of three on Church History and the Doctrine and Covenants. It covers Church history during the administration of all of its Prophet-Prophets since Joseph Smith. It begins with the succession of the Apostles after Joseph Smith's martyrdom, the building of the Nauvoo Temple, and the trek to the west of the Latter-day Saint pioneers. We follow them through Iowa, Winter Quarters, and on to Utah. We witness the colonization of the state of Deseret, while the rest of the country suffered from Civil War. Then we follow events through the administrations of all of the 19th-Century, 20th-Century, and 21st-Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives, missions, marriages, and callings of each of these prophets, seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord. The cover features a beautiful photograph of the Salt Lake Temple, taken at dusk during the Christmas season from the roof of the Joseph Smith Memorial Building.
