This brightly designed book will delight children and parents alike.

Oriental Gamefowl-Horst W. Schmutte 2005 The book, over 30 years in the making and based on worldwide research about the history and evolution of Oriental poultry races with a detailed description, their origin, distribution and current day breeding status worldwide, is a long needed work while nothing like it has been published for over fifty years. This book provides in detail educational information about the ancestors of domestic chickens, whereby it traces the origin of many ancient poultry breeds, how and where they were developed many generations ago for the purpose of sportsmanship before cockfighting was banned in most countries. But that has not stopped enthusiasts and fanciers to save many of these species from extinction and rather promoting them through a worldwide interest in exhibitions competitions, whereby in Germany alone are national poultry exhibitions with over 40,000 and even to 60,000 entries every year excite the public in tough competitions as covered in this work. Moreover, the reader will learn everything essential about purposeful breeding and preserving these breeds for future generations to come. The over 250 pictures of some 35 breeds shown in this book have been collected from various sources worldwide, many are of birds bred and photographed by the author giving the reader information not available elsewhere, which includes a today's analysis of the sport of cockfighting as well as extensive information on genetics of the rarest species.

Male Roles, Masculinities and Violence-Expert Group Meeting on Male Roles and M 2000 This book is based on an expert group meeting entitled 'Male Roles and Masculinities in the Perspective of a Culture of Peace', which was organised by UNESCO in Oslo, Norway in 1997, the first international discussion of the connections between men and masculinity and peace and war. The group consisted of researchers, activists, policy makers and administrators and the aim of the meeting was to formulate practical suggestions for change. Chapters in the book consist of both regional case studies and social science research on the connections of traditional masculinity and patriarchy to violence and peace building. The Culture of Peace initiatives in this book show how violence is ineffective, and the book contests the views in the socialisation of boy-children that aggressiveness, violence and force are an acceptable means of expression.

Valentine's Day Garden Flag-Amilas Library 2020-01-14 What is Valentine's Day?Antique Valentine's cardAntique Valentine's cardValentine's Day (or Saint Valentine's Day) is observed on February 14 each year. Today Valentine's Day is celebrated in many countries around the world, mostly in the West, although it remains a working day in all of them.
