Two of the stories are narrated by Poirot himself, to Hastings. Women of Mystery-Martha Hailey DuBose 2000-12-11 In this remarkable book, Martha Hailey DuBose has given those multitudes of readers who love the mystery novel an indispensable addition to their libraries. Unlike other works on the subject, Women of Mystery is not merely a directory of the novelists and their publications with a few biographical details. DuBose combines extensive research into the lives of significant women mystery writers from Anna Katherine Green and Mary Roberts Rinehart with critical essays on their work, anecdotes, contemporary reviews and opinions and some of the women's own comments. She takes us through the Golden Age of the British women mystery writers, Christie, Sayers, Marsh, Allingham and Tey, to the leading crime novelists of today, focused on the women who have become legends of the genre. And though she laments, "so many mysteries, so little time," she makes a good effort mentioning "some of the best of the rest." When DuBose writes of the lives of her principal players, she relates them to their times, their families, their personal situations and above all to their books. She subtly points out that Sayers, whose experience with the men in her life was inevitably disastrous, created in Lord Peter the ideal lover -- one who is all that a woman desires and needs. DuBose gives us the curriculum vitae that Dorothy Sayers created to help her bring Peter Wimsey to a virtual actuality. Ngaio Marsh would give up an active presence in the theatrical world she loved, but she recreated it for herself as well as her readers in many of her novels. The biographies of these women are as engrossing as the stories they wrote, and Martha DuBose has shined a different, intimate and intriguing light on them, their works, and the lives that informed those works. This book is so full of treasure it's hard to see how any mystery enthusiast will be able to do without it. And what a gift it would make for anyone on your list who has been heard to announce "I love a mystery." Some of the treats inside: In the Beginning: The Mothers of Detection Anna Katherine Green Mary Roberts Rinehart A Golden Era: The Genteel Puzzlers Agatha Christie Dorothy L. Sayers Ngaio Marsh Margery Allingham Josephine Tey Modern Motives: Mysteries of the Murderous Mind Patricia Highsmith P.D. James Ruth Rendell Mary Higgins Clark Sue Grafton and more!!

A Brief Guide To Agatha Christie-Nigel Cawthorne 2014-06-19 Agatha Christie's 80 novels and short-story collections have sold over 2 billion copies in more than 45 languages, more than any other author. When Christie finally killed off her Belgian detective, Hercule Poirot, the year before she herself died, that 'detestable, bombastic, tiresome, ego-centric little creep?' in Christie's words, received a full-page obituary in the New York Times, the only fictional character ever to have done so. From her first novel, The Mysterious Affair at Styles, a Poirot mystery, to her last, Sleeping Murder, featuring Miss Marple, Crawford explores Christie's life and fiction. Cawthorne examines recurring characters, such as Captain Arthur Hastings, Poirot's Dr Watson; Chief Inspector Japp, his Lestrade, as well as other flat-footed policemen that Poirot outsmarts on his travels; his efficient secretary, Miss Felicity Lemon; another employee, George;

and Ariadne Oliver, a humorous caricature of Christie herself. He looks at the writer's own fascinating: her work as a nurse during the First World War; her strange disappearance after her first husband asked for a divorce; and her exotic expeditions with her second husband, the archaeologist Sir Max Mallowan. He examines the author's working life ? her inspirations, methods and oeuvre ? and provides biographies of her key characters, their attire, habits and methods, including Poirot's relationships with women, particularly Countess Vera Rossakoff and Miss Amy Carnaby. In doing so, he sheds light on the genteel world of the country house and the Grand Tour between the wars. He takes a look at the numerous adaptations of Christie's stories for stage and screen, especially Poirot's new life in the eponymous long-running and very successful TV series.
