Final Justice-W.E.B. Griffin 2003-12-30 Just as with his remarkable military novels, millions of readers have been captured by the rich characters and vivid realism of W. E. B. Griffin's police dramas. "Griffin has the knack," writes The Philadelphia Inquirer. He "sets his novel before you in short, fierce, stop-for-nothing scenes. Before you know it, you've gobbled it up." Now, in Final Justice, Detective Matt Payne of the Philadelphia police department—newly promoted to sergeant and assigned to Homicide—finds himself in the middle of three major assignments. The first case, a fatal shooting at a fast-food restaurant, seems simple, but rapidly becomes complicated. The second, a rape that tumbled into murder, begins complicated and only gets more so, as it becomes apparent that the crime may be part of a disturbing, and escalating, pattern. The third is the most bizarre, as Payne becomes involved with a local figure who long ago fled the country, leaving behind the mummified body of his girlfriend in a trunk. Ever since, the murderer has been sending taunting postcards from his safe haven—but all that may be about to change. Weaving in and around this already hectic schedule are the visit to Philadelphia of the self-absorbed star of a series of improbable police movies, who wants Payne to show him "the real stuff," and the appearance in Payne's life of two very different women. Either one of them alone would be enough to set his head spinning, but together . . . this might be the most complicating thing of all. Filled with color and detail and plots as real as the headlines, this is a riveting novel of the men and women who put their lives on the line, from the cop on the beat to the commissioner himself. It's a story of fears, dangers, courage, loyalty, and genuine heroism: storytelling at its best.

Shaped by the Gospel-Timothy Keller 2016-03-15 It is easy to assume that if we understand the gospel and preach it faithfully, our ministry will necessarily be shaped by it—but this is not true. Many churches claim to be gospel-centered but do not have a ministry that is shaped by, centered on, and empowered through the gospel. The implications of the gospel have not yet worked their way into the fabric of how that church does ministry. Gospel-centered ministry is more theologically driven than program driven. To pursue it, we must spend time reflecting on the essence, the truths, and the very patterns of the gospel itself. The gospel is neither religion nor irreligion, but something else entirely—a third way of relating to God through grace. In Shaped by the Gospel, bestselling author and pastor Timothy Keller addresses several current discussion and conflicts about the nature of the gospel and shows how faithful preaching of the gospel leads to individual and corporate renewal. This new edition contains the first section of Center Church in an easy-to-read format with new reflections and additional essays from Timothy Keller and several other contributors.
