Teaching English for Tourism-Michael Ennis 2019-07-04 Teaching English for Tourism initiates a sustained academic discussion on the teaching and learning of English to tourism professionals, or to students who aspire to build a career in the tourism industry. Responding to a gap in the field, this is the first book of its kind to explore the implications of research in English for tourism (EFT) within the field of English for specific purposes. This edited volume brings together teachers and researchers of EFT from diverse national and institutional contexts, focusing on connecting current research in EFT contexts to classroom implications. It considers a wide range of themes related to the teaching of EFT, including theoretical concepts, methodological frameworks, and specific teaching methods. The book explores topics relating to the impact of changing technologies, the need for cultural understanding, and support for writing development, among others. Teaching English for Tourism explores this growing area of English for specific purposes and allows for researchers and practitioners to share their findings in an academic context. This unique book is ideal reading for researchers, post-graduate students, and professionals working in the fields of English language teaching and learning.
