school. The night after the teenager's disappearance, ex-con Dylan Kyle was stopped for drunk driving. An article of Sashi's clothing was found in his truck, and a police videotape of his drunken explanation under interrogation sealed his fate at trial. Now, just days from Kyle's execution, Sashi's mother visits Jack Swytek, doing pro bono work at the Freedom Institute, and delivers shocking news: "Sashi called me." The police dismiss the call as a cruel hoax. The State Attorney refuses to consider the new evidence, insisting the case is closed. The governor has already signed the death warrant. An innocent man may be executed and time is running out—unless his lawyers can locate Sashi. A man of principle who believes in justice, Jack jumps into the investigation. But the deeper he digs the more he discovers that nothing is what it appears to be. Not the victim. Not her alleged killer. And definitely not Sashi's parents, whose grief ruptured their marriage, each openly blaming the other for what happened to their daughter. As their gut-wrenching and hopelessly conflicting version of events unfolds in a Miami courtroom, it becomes clear there is something even more difficult to find than a long-missing girl . . . The truth.

Cane and Abe—James Grippando 2015-01-20 A spellbinding novel of suspense from New York Times bestselling author James Grippando, in which Miami's top prosecutor becomes a prime suspect in his wife's disappearance, which may have a chilling connection to the woman he can't forget. Unbelievable was the word for her. Samantha Vine was unbelievably beautiful. It was unbelievable that she'd married me. Even more unbelievable that she was gone . . . Samantha died too soon. Abe Beckham's new wife has helped him through the loss, but some say it was a step back to marry Angelina, a love from Abe's past. Abe doesn't want to hear it, and through the ups and downs, he's even managed to remain a star prosecutor at the Miami State Attorney's Office. Then everything goes wrong. A woman's body is discovered dumped in the Everglades, and Abe is called upon to monitor the investigation. The FBI is tracking a killer in South Florida they call "Cutter" because his brutal methods harken back to Florida's dark past, when machete-wielding men cut sugarcane by hand in the blazing sun. But when the feds discover that Abe had a brief encounter with the victim after Samantha's death, and when Angelina goes missing, the respected

finds himself under fire. Suspicion surrounds him. His closest friends, family, professional colleagues, and the media no longer trust his motives. Was Angelina right? Money to Burn-James Grippando 2010-02-23 "Money to Burn takes off like a rocket from page one and never slows down. Highly recommended." — Christopher Reich, author of Rules of Vengeance  
In this timely stand-alone thriller ripped from the headlines, bestselling author James Grippando (Lying with Strangers, Intent to Kill, Born to Run) explores a world in which the destruction of financial institutions and the people who run them can occur in a matter of hours—even minutes. Fans of John Grisham's The Firm and the thrillers of Lisa Scottoline and Phillip Margolin are sure to love Money to Burn: a "perfectly mixed cocktail of dry wit, sophisticated voice, believable characters, [and] non-stop suspense" (Joseph Finder, author of Vanished and Paranoia).

Processed Cheese-Stephen Wright 2021-02-02 From an "astonishing" writer (Toni Morrison), the savagely funny story of a couple who unexpectedly come into some money in a wealth-obsessed America deranged by Mammon. A bag of money drops out of the sky, literally, into the path of a cash-starved citizen named Graveyard. He carries it home to his wife, Ambience, and they embark on the adventure of their lives, finally able to have everything they've always thought they deserved: cars, guns, games, jewels, clothes -- and of course sex, travel, and time with friends and family. There is no limit except their imagination and the hours in the day, and even those seem to be subject to their control. Of course, the owner of the bag is searching for it, and will do whatever is necessary to get it back. And, of course, these new riches change everything -- and nothing at all. Darkly hilarious, Processed Cheese is both satire and serious as death. It's a road novel, a family story, and a last-girl-standing thriller of once-in-a-generation vitality and inventiveness. With the clarity of a Swift or a Melville, Wright has created a funhouse-mirror drama that puts all the chips on the table and every bullet in the clip, down to the last breathtaking moment.

The Last Job: "The Bad Grandpas" and the Hatton Garden Heist-Dan Bilefsky 2019-04-23 The definitive account of one of the most brazen jewel heists in history. Over Easter weekend 2015, a motley crew of six English thieves, several in their sixties and seventies, couldn't resist coming out of retirement for one last cash-landing from

heist. Their target: the Hatton Garden Safe Deposit, in the heart of London's medieval diamond district. "The Firm" included Brian Reader, ringleader and legend in his own mind; Terry Perkins, a tough-as-nails career criminal but also a frail diabetic; Danny Jones, a fitness freak, crime enthusiast, and fabulist; Carl Wood, an extra pair of hands, and definitely more brawn than brains; John "Kenny" Collins, getaway driver, prone to falling asleep on the job; and the mysterious Basil, a red-wigged associate who has only now been identified. Perhaps not the smoothest of criminals—one took a public bus to the scene of the crime; another read Forensics for Dummies in hopes he would learn how to avoid getting caught—they planned the job over fish and chips at their favorite pubs. They were cantankerous and coarse, dubbed the "Bad Grandpas" by British tabloids, and were often as likely to complain about one another as the current state of the country. Still, these analog thieves in a digital age managed to disable a high-security alarm system and drill through twenty inches of reinforced concrete, walking away with a stunning haul of at least \$19 million in jewels, gold, diamonds, family heirlooms, and cash. Veteran reporter and former London correspondent for the New York Times Dan Bilefsky draws on unrivaled access to the leading officers on the case at the Flying Squad, the legendary Scotland Yard unit that hunted the gang, as well as notorious criminals from London's shadowy underworld, to offer a gripping account of how these unassuming criminal masterminds nearly pulled off one of the great heists of the century.

Miracle on the Hudson-The Survivors of Flight 1549 2009-10-20 The remarkable true story of Chesley "Sully" Sullenberger's heroic crash landing in the Hudson River, as told by the passengers who owe him their lives. Millions watched the aftermath on television, while others witnessed the event actually happening from the windows of nearby skyscrapers. But only 155 people know firsthand what really happened on U.S. Airways Flight 1549 on January 15, 2009. Now, for the first time, the survivors detail their astounding, terrifying, and inspiring experiences on that freezing winter day in New York City. Written by two esteemed journalists, Miracle on the Hudson is the entire tale from takeoff to bird strike to touchdown to rescue, seen through the eyes and felt in the souls of those on board the fateful flight. Revealing many new and compelling details, Miracle on the Hudson dramatically evokes the explosion and "smell of burning flesh" as both engines were destroyed by geese, the violent landing on the river that felt like a "huge car wreck," the gridlock in the aisles as the plane filled swiftly with freezing water, and the thrill of the passengers' rescue from the wings and from rafts—all of it recalled by the "cross section of America" on board. Jay McDonald, a thirty-nine-year-old software developer, had survived brain-tumor surgery just two years earlier and now faced the unimaginable. Tracey Wolsko, a nervous flier, suddenly became other people's rock: "Just pray. It's going to be all right." Jim Whitaker, a construction executive, reassured a nervous mother of two young children on board, only later admitting, "I was pathologically lying the whole time." As the plane started sinking, Lucille Palmer, eighty-five, told her daughter to save herself: "Just leave me!" Featuring much more than what the media reported—moments of chaos in addition to stoicism and common sense, and the fortuitous mistakes and quick instincts that saved lives that otherwise would have been lost—Miracle on the Hudson is the chronicle of one of the most phenomenal feel-good stories of recent years, one that could have been a nightmare and instead became a stirring narrative of heroism and hope for our times. From the Hardcover edition.

**Blood Money**-James Grippando 2013-01-08 New York Times bestselling author James Grippando delivers a powerful, nonstop thrill ride ripped from the headlines. Miami criminal defense attorney Jack Swyteck is back in his most frightening case yet, and this time the price of victory is measured in blood. It is the most sensational murder trial since O. J. Simpson's. The nation is obsessed with Sydney Bennett, a sexy nightclub waitress and good-time girl accused of murdering her two-year-old daughter for cramping her party life. When he had agreed to defend Sydney, Jack Swyteck knew he'd be taking on the toughest and most controversial case of his career. Millions of "TV jurors" have convicted Sydney in the court of public opinion. When the shocking verdict of not guilty is announced, citizens across the country are outraged, and Jack is bombarded by the fallout: angry, profanity-laced phone calls and even outright threats. Media-fed rumors of "blood money"—purported seven-figure book and movie deals—ratchet up the hysteria, putting Jack's client and everyone around her at risk. On the night of Sydney's release, an angry mob outside the jail has gathered to serve its own justice. In the frenzy, an innocent young woman bearing a striking resemblance to the reviled Sydney Bennett ends up in a coma. While the media blame Jack and his defense team, the victim's parents reach out to him, requesting his help. They don't believe the attack was the tragic result of random mob violence. Searching for the truth about what happened that night, Jack makes a frightening discovery.

The Big Lie—James Grippando 2020-02-25 As the Electoral College battle for the White House lands in a Florida courtroom, Miami attorney Jack Swyteck has never felt farther from the truth, fighting for a “faithless elector,” caught between a corrupt president and his manipulative opponent—with each revelation more explosive than the next. The country is reeling. For the sixth time in American history, the winner of the popular vote will not occupy the Oval Office. President Malcolm MacLeod, the Machiavellian incumbent, was spared from impeachment only because his political foes were certain they would oust him at the ballot box. Now, he appears to have secured a second term, thanks to a narrow victory in the Electoral College. His opponent, Florida Senator Evan Stahl, saw his campaign rocked by allegations of an extramarital affair—with another man. Despite the salacious headline-making scandal and the surrounding media frenzy, most Americans chose Stahl to lead the politically polarized nation. But Stahl is refusing to concede. Backed by millions of supporters, he looks to individual members of the Electoral College to cross party lines. Gun lobbyist Charlotte Holmes is one of Florida's twenty-nine electors who is bound by law and by oath to cast her vote for MacLeod, who won Florida by the

thinnest of margins. When Charlotte announces that she intends to vote her conscience and throw the Electoral College to Stahl, the president and his Florida machine haul her into court on felony charges—which, for some, isn't nearly punishment enough. Miami attorney Jack Swyteck is going to use every legal maneuver he can to keep his new client free—and alive. MacLeod's hand-picked prosecutor is determined to prove Charlotte is unfit to cast a vote. Dredging through her past, he's looking for skeletons to humiliate and discredit her, while others with far deadlier intentions have begun acting on their threats. As the pressure mounts, Charlotte and Jack must decide how far they'll go to stand their ground in the stand-your-ground state.

Crash Test Girl-Kari Byron 2018-05-08 Kari Byron—former host of the wildly popular, iconic cult classic MythBusters—shows how to crash test your way through life, no lab coat required. Kari Byron's story hasn't been a straight line. She started out as a broke artist living in San Francisco, writing poems on a crowded bus on the way to one of her three jobs. Many curve balls, unexpected twists, and yes, literal and figurative explosions later, and she's one of the world's most respected women in science entertainment, blowing stuff up on national television and getting paid for it! In Crash Test Girl, Kari reveals her fascinating life story on the set of MythBusters and beyond. With her signature gusto and roll-up-your-sleeves enthusiasm, she invites readers behind the duct tape and the dynamite, to the unlikely friendships and low-budget sets that turned a crazy idea into a famously inventive show with a rabid fanbase. The truth is, Mythbusters was never meant to be a science show. But attaching a rocket to a car, riding a motorcycle on water, or lighting 500 pounds of coffee creamer on fire requires a decent understanding of chemistry, physics, and engineering. Thus, the cast and crew brought in the scientific method to work through each problem: Question. Hypothesize. Analyze. Experiment. Conclude. And as Kari came to learn in her own life, not only is the scientific method the best approach for busting myths, it's also the perfect tool for solving everyday issues, including: Career · Love · Creativity · Setbacks · Money · Sexuality · Depression · Bravery  
Crash Test Girl reminds us that science is for everyone, as long as you're willing to strap in, put on your safety goggles, and ~~blow it up~~

and learn from the results. Using a combination of methodical experimentation and unconventional creativity, you'll come to the most important conclusion of all: In life, sometimes you crash and burn, but you can always crash and learn.
