The Tractor in the Haystack-Scott Garvey For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

Philosophical Foundations of Quantum Field Theory-Harvey R. Brown 1990 The aim of this volume of essays is to delineate and examine a range of topics which represent a systematic account of the nature and implications of QFT. The contributors, who include Michael Redhead, James T. Cushing, Paul Teller, and Gordon Fleming, approach QFT from a variety of standpoints. Part I offers two different interpretations of the value of studying the foundations of QFT as an area of separate metaphysical research. Parts II and III consider the metaphysical and methodological implications of such issues as the problem of the status of virtual particles; the technique of renormalization; and the role of covariance principles. Part IV examines the mathematical foundations of QFT.

The Sacred Search Study Resource-Gary Thomas 2013-08 In his new book, The Sacred Search, best-selling author Gary Thomas tackles the topic of love and dating by asking the question: What if it's not about who you marry, but why?

The Sacred Search Study Resource is a DVD-driven Bible study for small groups of single, dating, or engaged people to unpack this message even further. In this dynamic companion to the book, Gary will help singles move on from the idea of finding a "soul mate" and adopt the more biblical idea of finding their "sole mate," as they seek to dedicate their future marriages to God. Eight thought-provoking video sessions featuring Gary Thomas lead groups through the study. This DVD also includes study questions designed to facilitate group discussion, interaction, and practical application.

Humanitarian Action Facing the New Challenges-Markus Moke 2010-01-01 HauptbeschreibungDelivering humanitarian aid has become a complex issue in contemporary politics and practice. The expansion of the humanitarian field caused by an increasing number of humanitarian actors and international donors - such as the EU, the United States, and the United Nations - leads to new questions concerning complex coordination, legitimacy, and accountability. These changes in the humanitarian arena, the so-called "New Wars", and advances in international law confront humanitarian actors with additional challenges. In turn, such changes require a professionalization of aid in.
