The Rules for Breaking-Ashley Elston 2014-05-20 Anna Boyd almost lost her life to get what she wanted most in the world: freedom. But just when it seems that her family has finally escaped Witness Protection, the illusion that Anna could resume a normal life comes crashing down. The deadly man Anna knows as Thomas is still on the loose, and now he's using her as a pawn in a dangerous game with the drug cartel determined to silence her forever. When Thomas and a mysterious masked man capture not only Anna but also her fragile younger sister and her boyfriend, Anna decides it's time to break all the rules—even if it means teaming up with the lesser of two evils. Anna will do whatever it takes to protect the people she loves and win her life back once and for all. But her true enemies are hidden in plain sight. Before long, Anna will learn that putting her trust in anyone may be the last mistake she ever makes.

The Religious Dimension in Hispanic Los Angeles-Clifton L. Holland 1974

Old Moore's Almanack-W. Foulsham Company, Limited 1997-10-01

Arabic Spain-Bernhard Whishaw 2002 Soon after their arrival in Spain the authors realized that the early Muslim art of Seville was curiously different from that of Cordova. This fascinated them and they undertook eight years of study in Seville, making use of the resources available to them in the city's libraries to bring their audience this history of the Muslims in Spain. The study was first published in 1912. Concentrating on Seville, they provide a chronological narrative of Spain from the Muslim invasion of 711 until the Reconquista of the fifteenth century. The scene is set for the invasion by an evaluation of the situation under the Goths. Following this the many influences on the culture and civilization of Andalucia are discussed, and how the richness of Roman and Gothic art and architecture was augmented by the Yemenite Arabs and Coptic Egyptians. The book concludes with an examination of the events following the Reconquista in Spain, and of the Arabs' lasting visual impact on Spanish history.

Early Georgian Portraits-National Portrait Gallery (Great Britain) 1977

Introduction to Linear Algebra-Lee W. Johnson 2009-01

ICT for Education, Development, and Social Justice-Charalambos Vrasidas 2009-03-01 This volume provides examples of current developments on the role of ICT for education, development, and social justice within an international context. Chapters draw on advanced contemporary thinking from scholars and practitioners in the field to present case studies of how ICT can be used to promote sustainable development and social justice. Social justice is understood in a wide sense as the pursuit of democracy, justice and development in the struggle against any form of oppression; it is within this context that ICT is explored as a tool for social change. The objectives of this book are: To analyze the philosophical, historical, political, and cultural backgrounds and contexts that are constitutive of contemporary challenges and tensions in the role of ICT for education, development, and social justice around the world; To appreciate the contextual and international dimensions of the tensions and challenges faced by educators around the world and contribute to ongoing efforts to sketch a vision for addressing their needs; To explore ways in which ICT in education can promote social justice and contribute toward sustaining communities around the world

The Age of the Crisis of Man-Mark Greif 2016-11-08 A compelling intellectual and literary history of midcentury America In a midcentury American cultural episode forgotten today, intellectuals of all schools shared a belief that human nature was under threat. The immediate result was a glut of dense, abstract books on the "nature of man." But the dawning "age of the crisis of man," as Mark Greif calls it, was far more than a historical curiosity. In this ambitious intellectual and literary history, Greif recovers this lost line of thought to show how it influenced society, politics, and culture before, during, and long after World War II. During the 1930s and 1940s, fears of the barbarization of humanity energized New York intellectuals, Chicago protoconservatives, European Jewish émigrés, and native-born bohemians to seek "re-enlightenment," a new philosophical account of human nature and history. After the war this effort diffused, leading to a rebirth of modern human rights and a new power for the literary arts. Critics' predictions of a "death of the novel" challenged writers to invest bloodless questions of human nature with flesh and detail. Hemingway, Faulkner, and Richard Wright wrote flawed novels of abstract man. Succeeding them, Ralph Ellison, Saul Bellow, Flannery O'Connor, and Thomas Pynchon constituted a new guard who tested philosophical questions against social realities—race, religious faith, and the rise of technology—that kept difference and diversity alive. By the 1960s, the idea of "universal man" gave way to moral antihumanism, as new sensibilities and social movements transformed what had come before. Greif's reframing of a foundational debate takes us beyond old antagonisms into a new future, and gives a prehistory to the fractures of our own era.

ESFP Weekly Planner-Olivia Julius Dunggat 2019-10-07 2020 Hand-Drawn Doodle Weekly Planner for ESFPs This is a hand-drawn doodle weekly planner designed for ESFPs to get organized in the year 2020. Suitable as a gift for that special ESFP in your life. Please click on the author's name under the title to view more product listings.

Governing Spirits-Reinaldo L. Román 2009-11-30 Freedom of religion did not come easily to Cuba or Puerto Rico. Only after the arrival of American troops during the Spanish-American War were non-Catholics permitted to practice their religions openly and to proselytize. When government efforts to ensure freedom of worship began, reformers on both islands rejoiced, believing that an era of regeneration and modernization was upon them. But as new laws went into effect, critics voiced their dismay at the rise of popular religions. Reinaldo L. Roman explores the changing relationship between regulators and practitioners in neocolonial Cuba and Puerto Rico. Spiritism, Santería, and other African-derived traditions were typically characterized in sensational fashion by the popular press as "a plague of superstition." Examining seven episodes between 1898 and the Cuban Revolution when the public demanded official actions against "misbelief," Roman finds that when outbreaks of superstition were debated, matters of citizenship were usually at stake. He links the circulation of spectacular charges of witchcraft and miracle-making to anxieties surrounding newly expanded citizenries that included people of color. Governing Spirits also contributes to the understanding of vernacular religions by moving beyond questions of national or traditional origins to illuminate how boundaries among hybrid practices evolved in a process of historical contingencies.

Healing Dramas-Raquel Romberg 2010-01-01 In this intimate ethnography, Raquel Romberg seeks to illuminate the performative significance of healing rituals and magic works, their embodied nature, and their effectiveness in transforming the states of participants by focusing on the visible, albeit mostly obscure, ways in which healing and magic rituals proceed. The questions posed by Romberg emerge directly from the particular pragmatics of Puerto Rican brujería (witch-healing), shaped by the eclecticism of its rituals, the heterogeneous character of its participants, and the heterodoxy of its moral economy. What, if any, is the role of belief in magic and healing rituals? How do past discourses on possession enter into the performative experience of ritual in the here and now? Where does belief stop, and where do memories of the flesh begin? While these are questions that philosophers and anthropologists of religion ponder, they acquire a different meaning when asked from an ethnographic perspective. Written in an evocative, empathetic style, with theoretical ruminations about performance, the senses, and imagination woven into stories that highlight the drama and humanity of consultations, this book is an important contribution to the cross-cultural understanding of our capacity to experience the transcendental in corporeal ways.

Beyond-Brendan Shea 2019-06-25 Beyond follows a group of people who are involved in a crime...the victims, perpetrators, and law enforcement. The story tells how these lives intertwine and impact each other, and for some, describes their ultimate destiny. In Beyond, you'll meet Harry, a middle-aged police detective; Liam, a student with a past; Tyler, a tutor with mental health issues; and the men who plot the crime...these main protagonists are surrounded by an interesting backdrop of supporting characters, who tell the story of what is seen, and occasionally "unseen", in Beyond. With intrigue, humor, and a little romance, Beyond is a short novel meant to entertain, encourage, and provoke thought.

War in the Trenches-Anthony Gargano 2008-09-01 It's the final moments before a game, and the locker room is a cone of silence, except for the faint buzzing from individual headphones. A NFL coach once said you could tell a lot about a player's personality by the way he acted before a game. Was he fidgety? Nervous? Calm? Too calm? Did he bite his fingernails? Listen to music? Close his eyes? They were all clues according to the coach. The perception of pregame rituals has guys banging their heads against the wall to Metallica and howling animal sounds. Yet, as Jon Runyan observes in the frank and candid memoir about life in the NFL, it's completely the opposite. There's an eerie silence as players sit in front of their stalls lost in reflection, many staring at the large digital clock counting the seconds to game time, watching the red digits morph and bleed from one to the next in sequence. Jon Runyan sits and stares with his teammates, but his stare is more like the stare of a prison guard. He seems to have been put on earth to make others, especially his opponents, but sometimes even his teammates, feel uncomfortable. He's a bear of a man, a Midwestern behemoth of 6' 7 and 350 pounds who plays right tackle for the Philadelphia Eagles, a thankless position where you only get noticed if you screw up, where it's about guys his size beating up on each other, where cheap shots like a thumb in the eye or a fist to the groin are a way of life. Runyan, who plays the position with the professional indifference of a hired assassin, will never win any popularity contests, and in War in the Trenches, he tells you why. It gets ugly in the trenches, and the things you don't see because you're looking at the 60-yard TD reception are the thingsthe NFL's most notorious offensive lineman tells you about in this compelling new book about what life is really like in the NFL.

Separated Parents Information Programme-Children and Family Court Advisory and Support Service 2010-01-06 Previous version was the Parenting handbook (ISBN 9780117039391)

Sketchbook I'm An Math Teacher My Sarcasm Depends On Your Intelligence-Professions Publishing 2019-06 With this handy sketchbook with frames, you can write down everything that is really important to you. A Flag for Canada-Rick Archbold 2008-10-07 A Flag for Canada is a stunning visual biography of Canada's flag that traces the maple leaf symbol from its colonial origins to its acceptance as the unofficial but unmistakable emblem of Canada. On February 15, 1965, the Maple Leaf was raised for the first time on Parliament Hill. In the almost forty years since, it has become one of the world's great flags - a universally recognized emblem.

Masked Africanisms-Samuel Cruz 2005

Second Chance at Love-Tara Paradise 2014-03-29 Smart, sexy and spirited, Brooke Cates is the type of woman every man dreams of. But Brooke has already found the man of her dreams - tall, dark and ruggedly handsome cowboy Logan. Once young and in love, they never imagined that a devastating betrayal would lead them down different paths. Now, when tragedy strikes, Brooke must return to her hometown of Angel Ridge, Montana. Once there, she is forced to deal with old hurts when Logan tries to make her remember the past she has chosen to forget. Logan MacKenna can have any woman he wants, but his heart has been reserved for Brooke since they shared their very first kiss. Time and distance have done nothing to change that. When chance random encounters abound, it's as if fate is pushing them together, and Brooke decides that she doesn't want to fight the undeniable sexual attraction that exists between them. When it's played its course, she will simply go back to her life. But Logan has no intention of letting her walk away from him a second time. Will Brooke be able to put her fears aside and trust in Logan enough to give him back her heart? And if they succeed in rekindling their love, can their new relationship withstand the force of Brooke's longkept secret, one that could tear them apart for good this time?

Redeeming Kyle-Zoey Derrick 2015-03-31 Falling in love was the easy part... For Talon Carver, the commanding and charismatic lead singer of the rock band 69 Bottles, life has never been better-or worse. His heart's at a full 11 for Addison Beltrand, his feisty PR rep. But admitting it was a much different tune. The dilemma's even more complicated when adding his other lover to the mix: Kyle Black, the band's handsome, sweet and sexy manager. Why ruin a good thing, right? Things are pretty damn perfect for the trio-in and out of bed. But just when they find their best rhythm with each other, a rocky night in Minneapolis forces all three to reexamine their feelings-and take their relationship to new levels. But can love be enough? The band's soaring popularity, along with the pressures of maintaining an unconventional relationship on a high-profile rock tour, start to take their toll. When Addison starts to fall apart, Talon and Kyle must come to terms with how important she is to them both. Can Addison find the strength to be their glue once more? What happens when the world goes on...but yours suddenly stops? When everything looks like it's going to fall apart? Is love enough to bring Talon, Kyle, and Addison back to each other's arms...and with it, the magic that true redemption can bring? ****Content Warning**** Sexy, naked, bisexual rock stars...and a lot more... This book contains, but is not limited to the following sexual content - reader discretion is advised - hot sex between two men and one woman. M/M/F, M/F/M, M/F, F/M and M/M sexual content. There are no boundaries when these three crash together, as long as you're over 18 years of age.
