Heart Maps-Georgia Heard 2016-09-12 "Heart Maps is a book that I will use and recommend to teachers for years to come." -Donalyn Miller, author of The Book Whisperer "You'll find yourself relying on this book again and again as a trusted source as you help your student writers craft a writing life." -Jennifer Serravallo, author of The Reading Strategies Book and the forthcoming The Writing Strategies Book How do we get students to "ache with caring" about their writing instead of mechanically stringing words together? We spend a lot of time teaching the craft of writing but we also need to devote time to helping students write with purpose and meaning. For decades, Georgia Heard has guided students into more authentic writing experiences by using heart maps to explore what we all hold inside: feelings, passions, vulnerabilities, and wonderings. In Heart Maps, Georgia shares 20 unique, multi-genre heart maps to help your students write from the heart, such as the First Time Heart Map, Family Quilt Heart Map, and People I Admire Heart Map. You'll also find extensive support for using heart maps, including: tips for getting started with heart maps writing ideas to jumpstart student writing in multiple genres from heart maps suggested mentor texts to provide additional inspiration "For twenty years I've been a tour guide of sorts for heart-mapping writers," says Georgia. "All you need is paper, pen, an open heart and a willingness to explore what matters to you." It is this freedom, this idea of discovery, that makes heart-mapping so inviting; students find they have a lot to write about both beloved and newly discovered topics. Filled with full-color student heart maps, examples of the resulting writing, along with online access to 20 different uniquely designed reproducible heart map templates, Heart Maps will be a practical tool for

awakening new writing possibilities and engaging and motivating your students' writing throughout the year.

Becoming a Globally Competent School Leader-Ariel Tichnor-Wagner 2020 Schools today face a crisis of relevance. Issues that people everywhere face--climate change, disease, hunger--require interdisciplinary solutions. Yet schools are still predominately organized by single-subject courses and narrowly focused high-stakes tests. By contrast, our students need to develop a range of academic, social, and emotional competencies to solve issues that transcend national borders; live peacefully among neighbors in a culturally, politically, racially, ethnically, and religiously diverse society; and thrive in a global, knowledge-based economy. Youth and adults alike know this; it's time for schools to catch up. Global competence--the set of dispositions, knowledge, and skills needed to live and work in a diverse, global society--helps educators balance social-emotional and academic learning goals. To that end, school leaders play a critical role in designing and scaling relevant global learning experiences for both students and teachers. Becoming a Globally Competent School Leader details how school leaders can implement change by aligning aspirational initiatives to existing ones, generating will across school stakeholders, wrangling resources, and creating capacity. This book offers a holistic approach to school leadership, one that grounds education in the complexities of the real world and aims to prepare all students to understand, engage with, and influence what happens in that interconnected world.

Writing Your Journal Article in Twelve Weeks-Wendy Laura Belcher 2009-01-21 'A comprehensive, well-written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first-rate guide as good company.' - Joan Bolker, author of Writing Your Dissertation in Fifteen Minutes a Day 'Humorous, direct, authentic ... a seamless weave of experience, anecdote, and research.' - Kathleen McHugh, professor and director of the UCLA Center for the Study of Women Wendy Laura Belcher's Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles.

150 Glimpses of the Beatles-Craig Brown 2020-10-13 A distinctive portrait of the Fab Four by one of the sharpest and wittiest writers of our time "If you want to know what it was like to live those extraordinary Beatles years in real time, read this book." —Alan Johnson, The Spectator Though fifty years have passed since the breakup of the Beatles, the fab four continue to occupy an utterly unique place in popular culture. Their influence extends far beyond music and

into realms as diverse as fashion and fine art, sexual politics and religion. When they appeared on The Ed Sullivan Show in 1964, fresh off the plane from England, they provoked an epidemic of hoarse-throated fandom that continues to this day. Who better, then, to capture the Beatles phenomenon than Craig Brown—the inimitable author of *Ninety-Nine Glimpses of Princess Margaret* and master chronicler of the foibles and foppishness of British high society? This wide-ranging portrait of the four lads from Liverpool rivals the unique spectacle of the band itself by delving into a vast catalog of heretofore unexamined lore. When actress Eleanor Bron touched down at Heathrow with the Beatles, she thought that a flock of starlings had alighted on the roof of the terminal—only to discover that the birds were in fact young women screaming at the top of their lungs. One journalist, mistaken for Paul McCartney as he trailed the band in his car, found himself nearly crushed to death as fans climbed atop the vehicle and pressed their bodies against the windshield. Or what about the Baptist preacher who claimed that the Beatles synchronized their songs with the rhythm of an infant’s heartbeat so as to induce a hypnotic state in listeners? And just how many people have employed the services of a Canadian dentist who bought John Lennon’s tooth at auction, extracted its DNA, and now offers paternity tests to those hoping to sue his estate? *150 Glimpses of the Beatles* is, above all, a distinctively kaleidoscopic examination of the Beatles’ effect on the world around them and the world they helped bring into being. Part anthropology and part memoir, and enriched by the recollections of everyone from Tom Hanks to Bruce Springsteen, this book is a humorous, elegiac, and at times madcap take on the Beatles’ role in the making of the sixties and of music as we know it.

Literature-Based Teaching in the Content Areas-Carole Cox 2011-01-12 Grounded in theory and best-practices research, this practical text provides teachers with 40 strategies for using fiction and non-fiction trade books to teach in five key content areas: language arts and reading, social studies, mathematics, science, and the arts. Each strategy provides everything a teacher needs to get started: a classroom example that models the strategy, a research-based rationale, relevant content standards, suggested books, reader-response questions and prompts, assessment ideas, examples of how to adapt the strategy for different grade levels (K-2, 3-5, and 6-8), and ideas for differentiating instruction for English language learners and struggling students. Throughout the book, student work samples and classroom vignettes bring the content to life.
