An English-Hausa Dictionary-Roxana Ma Newman 1990 "Hausa students and Hausaphiles now have an English-Hausa dictionary that is readily available, attractively produced and quite attractively priced, and more comprehensive than any English-based dictionary for an African language...A magnificent accomplishment that promises to serve a wide variety of purposes. It establishes both precedent and an excellent model that one hopes will be followed for other less commonly taught languages." -William R. Leben, Modern Language Journal This is a modern comprehensive dictionary designed specifically for English-speaking users who wish to acquire communicative fluency in Hausa, West Africa's most important and most widely spoken language.The dictionary contains a broad selection of words that the average person is likely to need in speaking and writing Hausa for everyday use. Included are common technical terms drawn from a range of fields, as well as generally accepted borrowings from English and French. The entries are divided into meaning groups and grammatical categories, marked clearly by semantic and usage indicators to help the user distinguish between the various meanings. Numerous phrases, sentences, and common idiomatic expressions illustrate conversational usage and provide culturally informative contexts. The easy to read typography marks lexical and grammatical distinctions of tone and vowel length for every Hausa word in the dictionary. The introduction provides concise information on various points of Hausa grammar. Useful appendixes include pronoun paradigms, pronunciation guides to Hausa place names and personal names, an index of Nigerian and international organizations, and a description of the currencies of Nigeria and Niger. An English-Hausa Dictionary will be an invaluable guide for students, research scholars, translators, and people with educational business, or governmental ties in West Africa who are interested in learning the language and culture of one of that area's most dynamic societies. It will be equally useful to non-Hausa speaking Africans who want to learn Hausa. In general, the innovative design features of this book will set a new standard for pedagogically oriented reference works of African languages. "A valuable resource for scholars and students of linguistic and African languages and literature...It is highly recommended for use in academic and research libraries. Newman and her editorial staff deserve to be congratulated." -Felix Eme Unaeze, American Reference Books Annual Hausa-English/English-Hausa Dictionary-Nicholas Awde 1996 Hausa is one of the major languages of Nigeria. Includes 18,000 entries and more than 40,000 definitions.

A Hausa-English Dictionary-Paul Newman 2007 This up-to-date volume, the first Hausa-English dictionary published in a quarter of a century, is written with language learners and practical users in mind. With over 10,000 entries, it primarily covers Standard Nigerian Hausa but also includes numerous forms from Niger and other dialect areas of Nigeria. The dictionary includes new Hausa terminology for products, events, and activities of the modern world. Its definitions show the use of Hausa words in context, and particular attention is paid to idioms, figurative meanings, and special usages. As a guide to pronunciation, headwords and illustrative sentences are fully marked for tone and vowel length. The book adopts a unique approach to the presentation of verb forms that clarifies lexical relationships and their correct usage.

Modern Hausa Dictionary-Kasahorow 2019-11-16 "Learn Hausa the modern way with Hausa kasahorow!Start exploring the modern world with Hausa!The Modern Hausa Dictionary is a Hausa explorer's dictionary for English language speakers.Read Modern Hausa confidently. Bole-English-Hausa Dictionary and English-Bole Wordlist-Alhaji Maina Gimba 2014-11-19 This is a dictionary of Bole, a little documented language of the Chadic family, spoken in northeastern Nigeria. This is one of the most comprehensive dictionaries of any Chadic language other than Hausa. All entries for Bole are fully marked for tone and vowel length. The Bole-English-Hausa section has full definitions and explanations of meaning in English with numerous examples of use. Each entry has a Hausa gloss. The English-Bole section is intended mainly as an index to the Bole-English-Hausa section. There are appendices of flora and fauna terms, cultural terms, pronouns, and comprehensive paradigms of verb forms.

English / Hausa Dictionary-John C. Rigdon 2017-07-24 Hausa is one of Africa's single most spoken languages. It is Hausa's general ease of use that has contributed to its becoming so widely used. A member of the Chadic branch of the Afro-Asiatic languages Hausa is spoken as a first language by about 34 million people, and as a second language by about 15 million more. Native speakers of Hausa are mostly to be found in the north of Nigeria and in Niger (where it is an official language), but the language is widely used as a lingua franca in a larger geographic band across sahelian Africa north of the Congo basin, and west of central Sudan. As a lingua-franca, Hausa is especially prevalent in Ghana, used by Hausa traders in zango (Hausa urban districts) in major cities. It is also used by Fulani herdsmen, Dagomba/Gurunsi farmers as a second language, by the official Islamic clergy of the country, and as an inter-ethnic group lingua-franca north and east of all Akan dominated areas. In total, Hausa speakers in Ghana number between 4-7 million of all Hausa-speakers, making it a very handy language to know in the marketplace. Hausa is also used extensively in Cameroon alongside Fulani in the far north and as far south as Gabon. In Central/Northeast Africa, Hausa is used in Chad and Sudan among the Hausa-Fulani communities, and smaller Muslim tribal groups, in and around Khartoum and Kordofan (in addition to Arabic). Two famous Sudanese singers, Fadimatu and Sabrin, occasionally sing in Hausa on the popular Sudanese national television program Nogoum, noting the increasing recognition of the Hausa language in otherwise Arabic-dominated Sudanese society. Hausa is a tonal language which employs two distinct tones, high and low, but doesn't sound as distinctly tonal as other African languages. There are also many special implosive and explosive consonants used in Hausa that may have to be learned by ear, but are completely comprehensible without mastering. Hausa employs a 5 vowel system like Spanish (a, e, i, o, u), and grammar is quite easy to learn. This dictionary contains 10,200 terms in English and Hausa. A guide to English and Hausa pronunciation is also included. It is derived from our Words R Us system.

Hausa-English/English-Hausa Dictionary and Phrasebook-Aquilina Mawadza 2018 Hausa is the Chadic (branch of the Afroasiatic language family) language of the Hausa people, one of the largest ethnic groups in Central Africa. Hausa is spoken as a first language by over 27 million people and as a second language by nearly 20 million more. Commonly spoken throughout southern Niger and northern Nigeria, Hausa has developed as a lingua franca throughout much of West Africa for purposes of trade. This unique, two-part resource provides travelers to West Africa with the tools they need for daily interaction. The bilingual dictionary has a concise vocabulary for everyday use, and the phrasebook allows instant communication on a variety of topics. Ideal for businesspeople, travelers, students, and aid workers, this guide includes: 4,000 dictionary entries Phonetics that are intuitive for English speakers Essential phrases on topics such as transportation, dining out, and business Concise grammar and pronunciation sections

Dictionary of the Hausa Language-Charles Henry Robinson 1907

Dictionary of Computer and Internet Terms in English and Hausa-John C. Rigdon 2017-07-31 This dictionary contains approximately 8,500 Computer and Internet terms in English and Hausa. You will find that many of the terms are the same in both languages (cognates) as many of the more recent terms have been assimilated into Hausa from English. This dictionary is derived from our Words R Us system, a derivative of WordNet. English Wordnet, originally created by Princeton University is a lexical database for the English language. It groups words in English into sets of synonyms called synsets, provides brief definitions and usage examples, and records a series of relationships between these sets of synonyms. WordNet can be viewed as both a combination of dictionary and thesaurus. Some of the terms incorporated in this dictionary are excerpted from the Microsoft Glossary of Computer Terms in Hausa. This dictionary will be indispensable for any international company doing business in North Central Africa where Hausa is a major language of business and trade. We also publish a companion volume with definitions of the terms in English. Check our website for availability.

Suitable for children 0 to 7 years old.

Ngamo English Hausa Dictionary-Isa Adamu Gashinge 2004

The Hausa Language-Paul Newman 2000 This book is a comprehensive grammar of Hausa, one of the largest and most important languages of Africa. Hausa is spoken by some 35 million people as a first language and approximately 15 million more as a second language. Paul Newman, a world authority on the Hausa language, draws on two centuries of Hausa linguistic scholarship to provide the most authoritative and detailed grammar of the language ever written. Unlike other grammars, this book is organised alphabetically. Readers will appreciate the ease with which they can find the specific individual topics that interest them. The grammar covers such expected topics as tonology, noun plurals, and verbal tense/aspect as well as often neglected topics, including verbal idioms, proper names, and language games. Newman also incorporates historical linguistic notes that explain and explicate current Hausa phenomena, especially puzzling anomalies, in terms of their Chadic and Afroasiatic origins. Essential 25000 English-Hausa Law Dictionary-Nam H Nguyen 2018-03-18 a great resource anywhere you go; it is an easy tool that has just the words you want and need! Making Dictionaries-William Frawley 2002-10-03 A collection of essays about the theory and practice of Native American lexicography, and more specifically the making of dictionaries, by some of the top scholars working in Native American language studies.

A Fulfulde-English Dictionary-Mukoshy, I.A. 2014-05-05 This edition of Fulfulde - English Dictionary is forward - thinking in its intended mission in somewhat noting of dialectal differences as this may be helpful to a wider area and more useful to users. Considerable revisions to the entries have been made to this edition, similarly a lot of alterations to the cross references. Efforts also have been made in order to incorporate at large some vocabularies not included in the first edition for the benefit of students of the language and researchers therein. People and other books also were consulted. Among the books consulted there are Encyclopaedia Britannica, Chambers Dictionaries, Oxford English Dictionary and Hausa - English Dictionary by Rev. G. P. Bargery, O.U.P. 1934 and 1951. Compared with the first edition, many thousands of entries are included aiming at a future comprehensive Fulfulde Dictionary.

The Wisdom of Crowds-James Surowiecki 2005-08-16 In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, and biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

Hausa Tales and Traditions-Neil Skinner 2020-07-16 Originally published in 1969, this book is a translation of Frank Edgar's Hausa folk stories, which was made primarily in Sokoto Province at the direction of Major John Alder, who in 1910 gave Edgar some Hausa texts written in the Ajemic script for transliteration into Roman characters. Edgar prepared the first volme of the Tatsuniyyoi for publication in 1911. The Hausa whose folklore Edgar recorded so industriously are the largest ethnic group in Northern Nigeria and number many millions and these tales of past events show how Hausa conceive the histories of their states, the characters of their rulers, and their institutions of government and law. These traditions are thus equally important as documents of folk thought and as historical sources.

Malayalam-Valsala Menon 2014-04 Malayala is the language spoken predominantly in the beautiful state of Kerala, an increasingly popular tourist destination on the tropical Malabar coast of south-western India. Malayalam is spoken by around 36 million people. Its native speakers are called "Malayalis". The language is also spoken in the union territories of Lakshadweep and Pondicherry, and by populations all over the world. Malayalam has a rich literary tradition and its speakers are among India's foremost intellectuals. Belonging to the family of Dravidian languages and closely related to Tamil, the language spoken in the neighbouring state Tamil Nadu, Malayalam developed a script of its own. It is also, interestingly, the longest palindromic language name in English. This essential resource provides an extensive two-way dictionary, comprehensive phrasebook, and basic grammar. To aid the English speaker, all Malayalam entries are presented in the Roman alphabet. The native script is also introduced, however, along with a detailed pronunciation guide. Guidance is offered to travellers for various everyday life situations, as well as useful common vocabulary items and an introduction to the arts and culture of Kerala.

Hausa-Charles H. Kraft 1990 This course in Hausa, a West African language spoken by over 30 million people, introduces the structures of the language through a series of graded lessons, complete with exercises, dialogues and traditional fables. Easy-reference grammar tables and an extensive two-way vocabulary are included.
