Jim Clark-Eric Dymock 2017-04-01 Out of print for twenty years, a new edition of Jim Clark 'Tribute to a Champion' by Eric Dymock will be published in the spring. Lightly edited and completely redesigned in colour throughout, this eagerly sought classic of motor racing celebrates the life and achievements of Jim Clark (1936-1968), World Champion 1963 and 1965. In the new book, Eric Dymock details his place in motor racing history and total command of Formula 1, portraying him as an individual, nail-biting and

insecure, yet the greatest driver in any sort of motor sport. From a Scottish farming family Clark rewrote the annals of American racing at Indianapolis, coming second at his first attempt in 1963, winning in 1965. He seemed a match for any odds during eight dangerous years at the top of motor racing, yet died in an unlikely accident at a minor event at Hockenheim on April 7th 1968. Genius at the wheel was not enough. Rivals' subsequent safety campaigns saved countless lives on and off the track. Eric Dymock observed Clark from before he ever sat in a racing car, covering his professional career as member of The Motor magazine staff from 1962, and then as specialist motor racing correspondent from 1966. This book has photographs of Jim Clark's birthplace, home, memorabilia and archive material from the Jim Clark Room at Duns. The measured analysis throws light on the tense mood of Formula 1 in the hazardous 1960s when Clark narrowly missed four consecutive world titles. Misfortune in the closing laps of the final race of the season twice denied him a unique quartet. Some of his other records remain secure however. Clark's eight "grand slams" (pole position, leading every lap, fastest lap and winning a Grand Prix - his closest rivals Alberto Ascari and Michael Schumacher managed only five) is unlikely to be matched. The new edition will go on sale in the spring at regular bookshop prices for a new generation of Formula 1 fans, as the 50th anniversary of Clark's accident approaches.

Ayrton Senna-Giorgio Terruzzi 2016-10-25 It's been over twenty years since his death. Now, this beloved and unforgettable champion's final hours. On May 1, 1994, at Bologna's Ospedale Maggiore, Ayrton Senna, three-time Formula 1 world champ, lay dying after a tragic accident at the Grand Prix of San Marino. The idea for this monograph (and the exhibition at the Museo della velocità dell'Autodromo Nazionale in Monza) stems from the book Suite 200: L'ultima notte di Ayrton Senna (published by 66th and 2nd, 2014) written by the journalist Giorgio Terruzzi. An enthralling story with details on the final moments of Senna's life and thoughts as the fateful hour approached. Through a selection of approximately one hundred photographs by Ercole Colombo-the famous Formula 1 photographer-this monograph aims to narrate the career as well as the most intimate aspects of the Brazilian car racer's life. A fanciful story, enriched by the writings of Giorgio Terruzzi, who covers the most important moments in Ayrton Senna's life: his legendary wins, his defeats, the loss of his friends, the great rivalry with other drivers, his emotions and family relationships, and finally the terrible accident where he lost his life.

Don't Stop Me Now-Jeremy Clarkson 2007 Jeremy Clarkson knows there's more to life than cars. There is, after all, a whole world out there just waiting to be discovered. So, before he gets on with the job in hand, he'd like to take some time out to consider the bigger picture. Don't worry, he'll get on to the car bit eventually, but before we do, there's time to learn about: Why Galapagos tortoises are all mental France, reduced to the size of a small coconut Why Jeremy Paxman and the bass guitarist of AC/DC aren't so very different The problems of being English and God's most stupid creation And then there's the cars: Whether it's the poxiest little runabout or an exotic, firebreathing supercar, anything on four wheels is approached without fear or favour. What emerges from the ashes is not always pretty. But it is, invariably, very, very funny.
