Inside the Gas Chambers-Shlomo Venezia 2013-12-06 This is a unique, eye-witness account of everyday life right at the heart of the Nazi extermination machine. Shlomo Venezia was born into a poor Jewish-Italian community living in Thessaloniki, Greece. At first, the occupying Italians protected his family; but when the Germans invaded, the Venezias were deported to Auschwitz. His mother and sisters disappeared on arrival, and he learned, at first with disbelief, that they had almost certainly been gassed. Given the chance to earn a little extra bread, he agreed to become a 'Sonderkommando', without realising what this entailed. He soon found himself a member of the 'special unit' responsible for removing the corpses from the gas chambers and burning their bodies. Dispassionately, he details the grim round of daily tasks, evokes the terror inspired by the man in charge of the crematoria, 'Angel of Death' Otto Moll, and recounts the attempts made by some of the prisoners to escape, including the revolt of October 1944. It is usual to imagine that none of those who went into the gas chambers at Auschwitz ever emerged to tell their tale - but, as a member of a 'Sonderkommando', Shlomo Venezia was given this horrific privilege. He knew that, having witnessed the unspeakable, he in turn would probably be eliminated by the SS in case he ever told his tale. He survived: this is his story. Published in association with the United States Holocaust Memorial Museum.

All But My Life-Gerda Weissmann Klein 1995-03-31 All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.

Survivors Club-Michael Bornstein 2017-03-07 "The incredible true story of Michael Bornstein--who at age 4 was one of the youngest children to be liberated from Auschwitz--and of his family"--

In The Hell Of Auschwitz; The Wartime Memoirs Of Judith Sternberg Newman [Illustrated Edition]-Judith Sternberg Newman 2015-11-06 Includes 204 photos, plans and maps illustrating The Holocaust Despite the Nazi oppression of all Jews in the lands under their control, Judith Sternberg Newman and her family were hugely fortunate to have managed get permission to settle in Paraguay in 1940. However their escape was blocked by the German authorities who refused to provide an exit visa, from that moment on, as the author notes, "fate turned against us". As the author relates in these horrific memoirs are the torments, brutality and death at Auschwitz; the treatment that left here by the end of the war as the only

surviving member of her family. She emigrated to America in 1947 where she was able to practise at her chosen profession in nursing and raise a family.

Five Chimneys- 2013 Memoir of a Hungarian woman who was imprisoned for several years in the German concentration camp Auschwitz.

Rena's Promise-Rena Kornreich Gelissen 2015-02-24 An expanded edition of the powerful memoir about two sisters' determination to survive during the Holocaust featuring new and never before revealed information about the first transport of women to Auschwitz Sent to Auschwitz on the first Jewish transport, Rena Kornreich survived the Nazi death camps for over three years. While there she was reunited with her sister Danka. Each day became a struggle to fulfill the promise Rena made to her mother when the family was forced to split apart--a promise to take care of her sister. One of the few Holocaust memoirs about the lives of women in the camps, Rena's Promise is a compelling story of the fleeting human connections that fostered determination and made survival a possibility. From the bonds between mothers, daughters, and sisters, to the links between prisoners, and even prisoners and guards, Rena's Promise reminds us of the humanity and hope that survives inordinate inhumanity.

Born Survivors-Wendy Holden 2015-05-05 The Nazis murdered their husbands but concentration camp prisoners Priska, Rachel, and Anka would not let evil take their unborn children too—a remarkable true story that will appeal to readers of *The Lost* and *The Nazi Officer's Wife*, *Born Survivors* celebrates three mothers who defied death to give their children life. Eastern Europe, 1944: Three women believe they are pregnant, but are torn from their husbands before they can be certain. Rachel is sent to Auschwitz, unaware that her husband has been shot. Priska and her husband travel there together, but are immediately separated. Also at Auschwitz, Anka hopes in vain to be reunited with her husband. With the rest of their families gassed, these young wives are determined to hold on to all they have left—their lives, and those of their unborn babies. Having concealed their condition from infamous Nazi doctor Josef Mengele, they are forced to work and almost starved to death, living in daily fear of their pregnancies

being detected by the SS. In April 1945, as the Allies close in, Priska gives birth. She and her baby, along with Anka, Rachel, and the remaining inmates, are sent to Mauthausen concentration camp on a hellish seventeen-day train journey. Rachel gives birth on the train, and Anka at the camp gates. All believe they will die, but then a miracle occurs. The gas chamber runs out of Zyklon-B, and as the Allied troops near, the SS flee. Against all odds, the three mothers and their newborns survive their treacherous journey to freedom. On the seventieth anniversary of Mauthausen's liberation from the Nazis by American soldiers, renowned biographer Wendy Holden recounts this extraordinary story of three children united by their mothers' unbelievable—yet ultimately successful—fight for survival.

Eyewitness Auschwitz-Filip Muller 1999-08-24 Filip Müller came to Auschwitz with one of the earliest transports from Slovakia in April 1942 and began working in the gassing installations and crematoria in May. He was still alive when the gassings ceased in November 1944. He saw millions come and disappear; by sheer luck he survived. Müller is neither a historian nor a psychologist; he is a source—one of the few prisoners who saw the Jewish people die and lived to tell about it. Eyewitness Auschwitz is one of the key documents of the Holocaust.

Last Stop Auschwitz-Eddy de Wind 2020-01-21 Written in Auschwitz itself and translated for the first time ever into English, this one-of-a-kind, minute-by-minute true account is a crucial historical testament to a Holocaust survivor's fight for his life at the largest extermination camp in Nazi Germany. "We know that there is only one ending to this, only one liberation from this barbed wire hell: death." -- Eddy de Wind In 1943, amidst the start of German occupation, Eddy de Wind worked as a doctor at Westerbork, a Dutch transit camp. His mother had been taken to this camp by Nazis but Eddy was assured by the Jewish Council she would be freed in exchange for his labor. He later found out she'd already been transferred to Auschwitz. While at Westerbork, he fell in love with a woman named Friedel and they married. One year later, they were transported to Auschwitz. Upon arrival, Friedel and Eddy were separated -- Eddy forced to work as a medical assistant in one barrack, Friedel at the mercy of Nazi experimentation in a nearby

block. Sneaking moments with his beloved and communicating whenever they could, Eddy longed for the day he could be free with Friedel . . . Written in the camp itself in the weeks following the Red Army's liberation of the camp, *Last Stop Auschwitz* is the raw, true account of Eddy's experiences at Auschwitz. In stunningly poetic prose, he provides unparalleled access to the horrors he faced in the concentration camp. Including photos from Eddy's life before, during, and after the Holocaust, this poignant memoir is at once a moving love story, a detailed portrayal of the atrocities of Auschwitz, and an intelligent consideration of the kind of behavior -- both good and evil -- people are capable of. Never before published in English, this book is a vital and enduring document: a testament to the strength of the human spirit, and a warning against the depths we can sink to when prejudice is given power.

*The Story of Blima: A Holocaust Survivor*-Shirley Russak Wachtel 2005 Blima Weisstuch and her husband's life experiences in Poland during the Holocaust from 1936 to 1947. This story is taken from a longer work, the novel *My Mother's Shoes*, written by Blima's daughter, Shirley Russak Wachtel.

*Auschwitz-Miklós Nyiszli* 1993 Tells of the hideous experiments performed on Jewish victims at the infamous Nazi concentration camp

*By Chance Alone*-Max Eisen 2020-01-07 An award-winning, internationally bestselling Holocaust memoir in the tradition of Elie Wiesel's *Night* and Primo Levi's *Survival in Auschwitz* In the spring of 1944, gendarmes forcibly removed Tibor "Max" Eisen and his family from their home, brought them to a brickyard and eventually loaded them onto crowded cattle cars bound for Auschwitz-Birkenau. At fifteen years of age, Eisen survived the selection process and was inducted into the camp as a slave laborer. More than seventy years after the Nazi camps were liberated by the Allies, *By Chance Alone* details Eisen's story of survival: the backbreaking slave labor in Auschwitz I, the infamous death march in January 1945, the painful aftermath of liberation and Eisen's journey of physical and psychological healing. Ultimately, the book offers a message of hope as the author finds his way to a new life.

*Doctors from Hell*-Vivien Spitz 2005-01-01 Provides a chilling account of the experiments and scientific

research performed on human subjects, primarily concentration camp inmates, by Nazi physicians, based on previously unpublished photographs and documents used during the Nuremberg trials.

Our Crime Was Being Jewish-Anthony S. Pitch 2015-04-28 In the shouted words of a woman bound for Auschwitz to a man about to escape from a cattle car, “If you get out, maybe you can tell the story! Who else will tell it?” Our Crime Was Being Jewish contains 576 vivid memories of 358 Holocaust survivors. These are the true, insider stories of victims, told in their own words. They include the experiences of teenagers who saw their parents and siblings sent to the gas chambers; of starving children beaten for trying to steal a morsel of food; of people who saw their friends commit suicide to save themselves from the daily agony they endured. The recollections are from the start of the war—the home invasions, the Gestapo busts, and the ghettos—as well as the daily hell of the concentration camps and what actually happened inside. Six million Jews were killed in the Holocaust, and this hefty collection of stories told by its survivors is one of the most important books of our time. It was compiled by award-winning author Anthony S. Pitch, who worked with sources such as the United States Holocaust Memorial Museum to get survivors’ stories compiled together and to supplement them with images from the war. These memories must be told and held onto so what happened is documented; so the lives of those who perished are not forgotten—so history does not repeat itself. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Survivors: True Stories of Children in the Holocaust-Allan Zullo 2016-11-29 Gripping and inspiring, these

true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust. These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.

Anne Frank Remembered-Miep Gies 2011-05-31 For the millions moved by Anne Frank: The Diary of a Young Girl, here at last is Miep Geis's own astonishing story. For more than two years, Miep Gies and her husband helped hide the Franks from the Nazis. Like thousands of unsung heroes of the Holocaust, they risked their lives each day to bring food, news, and emotional support to the victims. She found the diary and brought the world a message of love and hope. It seems as if we are never far from Miep's thoughts....Yours, Anne From her own remarkable childhood as a World War I refugee to the moment she places a small, red-orange, checkered diary -- Anne's legacy -- in Otto Frank's hands, Miep Gies remembers her days with simple honesty and shattering clarity. Each page rings with courage and heartbreaking beauty.

Auschwitz #34207-Nancy Sprowell Geise 2015 Seventy years ago Joe Rubinstein walked out of a Nazi concentration camp. Until now, his story has been hidden from the world. Shortly before dawn on a frigid morning in Radom, Poland, German soldiers forced twenty-one year-old Icek "Joe" Rubinsztejn onto a crowded, open-air truck. The next day, several around him were dead. From there, things got worse for young Joe--much worse. Joe arrived at Auschwitz on April 30, 1942. Only now, in his nineties, has he revealed how he survived several of the most notorious concentration camps when so many others perished. His is a remarkable narrative--a unique story of endurance and courage. Barefooted when he was seized by the Nazis, Joe became one of New York's leading shoe designers--working with companies

whose shoes were sought after by First Ladies and movie stars alike. Joe's story bears witness to the ultimate triumph of the human spirit. While the Nazis took everything else, they were unable to take his unassailable joy. Joe's story is one of discovering light in the darkest of places, an inspiration for us all.

The Nazi Officer's Wife-Edith H. Beer 2012-01-31 #1 New York Times Bestseller Edith Hahn was an outspoken young woman in Vienna when the Gestapo forced her into a ghetto and then into a slave labor camp. When she returned home months later, she knew she would become a hunted woman and went underground. With the help of a Christian friend, she emerged in Munich as Grete Denner. There she met Werner Vetter, a Nazi Party member who fell in love with her. Despite Edith's protests and even her eventual confession that she was Jewish, he married her and kept her identity a secret. In wrenching detail, Edith recalls a life of constant, almost paralyzing fear. She tells how German officials casually questioned the lineage of her parents; how during childbirth she refused all painkillers, afraid that in an altered state of mind she might reveal something of her past; and how, after her husband was captured by the Soviets, she was bombed out of her house and had to hide while drunken Russian soldiers raped women on the street. Despite the risk it posed to her life, Edith created a remarkable record of survival. She saved every document, as well as photographs she took inside labor camps. Now part of the permanent collection at the Holocaust Memorial Museum in Washington, D.C., these hundreds of documents, several of which are included in this volume, form the fabric of a gripping new chapter in the history of the Holocaust—complex, troubling, and ultimately triumphant.

The Child of Auschwitz-Lily Graham 2019-11-08 'She touched the photograph in its gilt frame that was always on her desk, of a young, thin woman with very short hair and a baby in her arms. She had one last story to tell. Theirs. And it began in hell on earth.' It is 1942 and Eva Adami has boarded a train to Auschwitz. Barely able to breathe due to the press of bodies and exhausted from standing up for two days,

she can think only of her longed-for reunion with her husband Michal, who was sent there six months earlier. But when Eva arrives at Auschwitz, there is no sign of Michal and the stark reality of the camp comes crashing down upon her. As she lies heartbroken and shivering on a thin mattress, her head shaved by rough hands, she hears a whisper. Her bunkmate, Sofie, is reaching out her hand... As the days pass, the two women learn each other's hopes and dreams - Eva's is that she will find Michal alive in this terrible place, and Sofie's is that she will be reunited with her son Tomas, over the border in an orphanage in Austria. Sofie sees the chance to engineer one last meeting between Eva and Michal and knows she must take it even if means befriending the enemy... But when Eva realises she is pregnant she fears she has endangered both their lives. The women promise to protect each other's children, should the worst occur. For they are determined to hold on to the last flower of hope in the shadows and degradation: their precious children, who they pray will live to tell their story when they no longer can. A heart-breaking story of survival, where life or death relies on the smallest chance and happiness can be found in the darkest times. Ravensbruck-Sarah Helm 2015-03-31 A masterly and moving account of the most horrific hidden atrocity of World War II: Ravensbrück, the only Nazi concentration camp built for women On a sunny morning in May 1939 a phalanx of 867 women—housewives, doctors, opera singers, politicians, prostitutes—was marched through the woods fifty miles north of Berlin, driven on past a shining lake, then herded in through giant gates. Whipping and kicking them were scores of German women guards. Their destination was Ravensbrück, a concentration camp designed specifically for women by Heinrich Himmler, prime architect of the Holocaust. By the end of the war 130,000 women from more than twenty different European countries had been imprisoned there; among the prominent names were Geneviève de Gaulle, General de Gaulle's niece, and Gemma La Guardia Gluck, sister of the wartime mayor of New York. Only a small number of these women were Jewish; Ravensbrück was largely a place for the Nazis to eliminate other inferior beings—social outcasts, Gypsies, political enemies, foreign resisters, the sick, the disabled, and the “mad.” Over six years the prisoners endured beatings, torture, slave labor, starvation, and random execution. In the final months of the war, Ravensbrück became an extermination camp. Estimates of the final death toll by April 1945 have ranged from 30,000 to 90,000. For decades the story of Ravensbrück was hidden behind the Iron Curtain, and today it is still little known. Using testimony unearthed since the

end of the Cold War and interviews with survivors who have never talked before, Sarah Helm has ventured into the heart of the camp, demonstrating for the reader in riveting detail how easily and quickly the unthinkable horror evolved. Far more than a catalog of atrocities, however, Ravensbrück is also a compelling account of what one survivor called "the heroism, superhuman tenacity, and exceptional willpower to survive." For every prisoner whose strength failed, another found the will to resist through acts of self-sacrifice and friendship, as well as sabotage, protest, and escape. While the core of this book is told from inside the camp, the story also sheds new light on the evolution of the wider genocide, the impotence of the world to respond, and Himmler's final attempt to seek a separate peace with the Allies using the women of Ravensbrück as a bargaining chip. Chilling, inspiring, and deeply unsettling, Ravensbrück is a groundbreaking work of historical investigation. With rare clarity, it reminds us of the capacity of humankind both for bestial cruelty and for courage against all odds. From the Hardcover edition.

The Complete Maus-Art Spiegelman 1997 On the occasion of the twenty-fifth anniversary of its first publication, here is the definitive edition of the book acclaimed as "the most affecting and successful narrative ever done about the Holocaust" (Wall Street Journal) and "the first masterpiece in comic book

history" (The New Yorker). The Pulitzer Prize-winning Maus tells the story of Vladek Spiegelman, a Jewish survivor of Hitler's Europe, and his son, a cartoonist coming to terms with his father's story. Maus approaches the unspeakable through the diminutive. Its form, the cartoon (the Nazis are cats, the Jews mice), shocks us out of any lingering sense of familiarity and succeeds in "drawing us closer to the bleak heart of the Holocaust" (The New York Times). Maus is a haunting tale within a tale. Vladek's harrowing story of survival is woven into the author's account of his tortured relationship with his aging father. Against the backdrop of guilt brought by survival, they stage a normal life of small arguments and unhappy visits. This astonishing retelling of our century's grisliest news is a story of survival, not only of Vladek but of the children who survive even the survivors. Maus studies the bloody pawprints of history and tracks its meaning for all of us.

I Was a Doctor in Auschwitz-Gisella Perl 2019-02-28 Gisella Perl's memoir is an extraordinarily candid account of women's extreme efforts to survive Auschwitz. It was the first memoir by a woman survivor and established the model for understanding the gendered Nazi policies and practices targeting Jewish women as racially poisonous.

Forty Autumns-Nina Willner 2016-10-04 In this illuminating and deeply moving memoir, a former American military intelligence officer goes beyond traditional Cold War espionage tales to tell the true story of her family—of five women separated by the Iron Curtain for more than forty years, and their miraculous reunion after the fall of the Berlin Wall. Forty Autumns makes visceral the pain and longing of one family forced to live apart in a world divided by two. At twenty, Hanna escaped from East to West Germany. But the price of freedom—leaving behind her parents, eight siblings, and family home—was heartbreaking. Uprooted, Hanna eventually moved to America, where she settled down with her husband and had children of her own. Growing up near Washington, D.C., Hanna's daughter, Nina Willner became the first female Army Intelligence Officer to lead sensitive intelligence operations in East Berlin at the height of the Cold War. Though only a few miles separated American Nina and her German

relatives—grandmother Oma, Aunt Heidi, and cousin, Cordula, a member of the East German Olympic training team—a bitter political war kept them apart. In *Forty Autumns*, Nina recounts her family's story—five ordinary lives buffeted by circumstances beyond their control. She takes us deep into the tumultuous and terrifying world of East Germany under Communist rule, revealing both the cruel reality her relatives endured and her own experiences as an intelligence officer, running secret operations behind the Berlin Wall that put her life at risk. A personal look at a tenuous era that divided a city and a nation, and continues to haunt us, *Forty Autumns* is an intimate and beautifully written story of courage, resilience, and love—of five women whose spirits could not be broken, and who fought to preserve what matters most: family. *Forty Autumns* is illustrated with dozens of black-and-white and color photographs.

Alicia-Alicia Appleman 2011-02-16 WINNER OF THE 1989 CHRISTOPHER AWARD • Here is a thrilling, uplifting story of true-life heroism unequalled since the publication of Anne Frank's diary—a story that the young must hear and their elders must remember. Take Alicia's hand—and follow. “This memoir is heartbreaking. I hope it will be read by Jews and non-Jews alike.”—Elie Wiesel, author of *Night*

Her name is Alicia. She was thirteen when she began saving the lives of people she did not know—while fleeing the Nazis through war-ravaged Poland. Her family cruelly wrenched from her, Alicia rescued other Jews from the Gestapo, led them to safe hideouts, and lent them her courage and hope. Even the sight of her mother's brutal murder could not quash this remarkable child's faith in human goodness—or her determination to prevail against overwhelming odds. After the war, Alicia continued to risk her life, leading Polish Jews on an underground route to freedom in Palestine. She swore on her brother's grave that if she survived, she would speak for her silenced family. This book is the eloquent fulfillment of that oath. Praise for Alicia “Profoundly observed . . . remarkably lived . . . ferocious bravery.”—The New York Times Book Review “As exciting as it is inspirational. In fact, a good bit of *Alicia: My Story* reads as if it were written by one of our better writers of fiction.”—The Pittsburgh Press “A compelling voice, lucid prose . . . a luminous testimony to the heroism and humanity of one remarkable person.”—San Francisco

Liberating Belsen Concentration Camp-(former) Lt- Berney R.A. T.D. 2015-03-28 Liberating Belsen Concentration Camp - A Personal Account by (former) Lt-Colonel Leonard Berney R.A. T.D. is the only book to be published that recounts the events that led up to the British Army's uncovering of the Bergen-Belsen Concentration Camp in 1945 and its 60,000 prisoners, how the Army dealt with the unprecedented horror that existed in the camp, how the surviving prisoners were rescued, how the inmates were evacuated, how the Royal Army Medical Corps established the world's largest hospital to care for the many thousands of sick and emaciated ex-inmates, how the survivors were rehabilitated and cared for, how they were repatriated to their own countries, why many thousand refused to return 'home' and the eventual establishment of the Belsen Displaced Persons camp, the largest DP camp in Germany. The author of this book was a senior British Army officer who participated in the liberation of the Camp, who was in charge of evacuating the ex-prisoners to the vast Rehabilitation Camp that the Army set up, and who was then appointed as the Commandant of that Camp until its management was handed over to the United Nations, and who gave evidence against the SS guards at the Belsen War Crimes Trial. Leonard Berney is interviewed in 'Night Will Fall', a documentary about the liberation of Nazi Concentration Camps. The DVD of the documentary is the perfect accompaniment to this book, available here: <http://www.amazon.co.uk/Night-Will-Fall-Andr%C3%A9-Singer/dp/B00P6OOEQG> Foreword by Nanette Blitz Konig, former classmate of Anne Frank; Foreword by Major-General Nicholas Eeles CBE, General Officer Commanding Scotland and Chairman of the Royal Artillery Historical Trust; and Introduction by Joshua

Oppenheimer, Oscar nominated film director whose work include 'The Act of Killing' and 'The Look of Silence', both of which document the genocide that took place during the Indonesian killings of 1965-66, The Choice-Edith Eva Eger 2017-09-05 A New York Times Bestseller "I'll be forever changed by Dr. Eger's story...The Choice is a reminder of what courage looks like in the worst of times and that we all have the ability to pay attention to what we've lost, or to pay attention to what we still have."—Oprah "Dr. Eger's life reveals our capacity to transcend even the greatest of horrors and to use that suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well." —Desmond Tutu, Nobel Peace Prize Laureate "Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal." —Jeannette Walls, New York Times bestselling author of The Glass Castle Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. The Choice is a life-changing book that will provide hope and comfort to generations of readers.

I Escaped from Auschwitz-Rudolf Vrba 2020-04-21 The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed

descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, *I Escaped from Auschwitz* is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. *I Escaped from Auschwitz* is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba’s memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances.

*The Boy Who Followed His Father into Auschwitz*—Jeremy Dronfield 2020-05-26 The #1 Sunday Times bestseller—a remarkable story of the heroic and unbreakable bond between a father and son that is as inspirational as *The Tattooist of Auschwitz* and as mesmerizing as *The Choice*. Where there is family, there is hope In 1939, Gustav Kleinmann, a Jewish upholster from Vienna, and his sixteen-year-old son Fritz are arrested by the Gestapo and sent to Germany. Imprisoned in the Buchenwald concentration camp, they miraculously survive the Nazis’ murderous brutality. Then Gustav learns he is being sent to Auschwitz—and certain death. For Fritz, letting his father go is unthinkable. Desperate to remain together, Fritz makes an incredible choice: he insists he must go too. To the Nazis, one death camp is the same as another, and so the boy is allowed to follow. Throughout the six years of horror they witness and immeasurable suffering they endure as victims of the camps, one constant keeps them alive: their love and hope for the future. Based on the secret diary that Gustav kept as well as meticulous archival research and interviews with members of the Kleinmann family, including Fritz’s younger brother Kurt, sent to the

United States at age eleven to escape the war, *The Boy Who Followed His Father into Auschwitz* is Gustav and Fritz's story—an extraordinary account of courage, loyalty, survival, and love that is unforgettable. *The Holocaust*-Laurence Rees 2017-04-18 n June 1944, Freda Wineman and her family arrived at Auschwitz-Birkenau, the infamous Nazi concentration and death camp. After a cursory look from an SS doctor, Freda's life was spared and her mother was sent to the gas chambers. Freda only survived because the Allies won the war--the Nazis ultimately wanted every Jew to die. Her mother was one of millions who lost their lives because of a racist regime that believed that some human beings simply did not deserve to live--not because of what they had done, but because of who they were. Laurence Rees has spent twenty-five years meeting the survivors and perpetrators of the Third Reich and the Holocaust. In this sweeping history, he combines this testimony with the latest academic research to investigate how history's greatest crime was possible. Rees argues that while hatred of the Jews was at the epicenter of Nazi thinking, we cannot fully understand the Holocaust without considering Nazi plans to kill millions of non-Jews as well. He also reveals that there was no single overarching blueprint for the Holocaust. Instead, a series of escalations compounded into the horror. Though Hitler was most responsible for what happened, the blame is widespread, Rees reminds us, and the effects are enduring. *The Holocaust: A New History* is an accessible yet authoritative account of this terrible crime. A chronological, intensely readable narrative, this is a compelling exposition of humanity's darkest moment.

*Night*-Elie Wiesel 2012-05-03 Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, *Night* is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion

Wiesel, with a new introduction by Elie Wiesel.

Denying the Holocaust-Deborah E. Lipstadt 2012-12-18 The denial of the Holocaust has no more credibility than the assertion that the earth is flat. Yet there are those who insist that the death of six million Jews in Nazi concentration camps is nothing but a hoax perpetrated by a powerful Zionist conspiracy. Sixty years ago, such notions were the province of pseudohistorians who argued that Hitler never meant to kill the Jews, and that only a few hundred thousand died in the camps from disease; they also argued that the Allied bombings of Dresden and other cities were worse than any Nazi offense, and that the Germans were the “true victims” of World War II. For years, those who made such claims were dismissed as harmless cranks operating on the lunatic fringe. But as time goes on, they have begun to gain a hearing in respectable arenas, and now, in the first full-scale history of Holocaust denial, Deborah Lipstadt shows how—despite tens of thousands of living witnesses and vast amounts of documentary evidence—this irrational idea not only has continued to gain adherents but has become an international movement, with organized chapters, “independent” research centers, and official publications that promote a “revisionist” view of recent history. Lipstadt shows how Holocaust denial thrives in the current atmosphere of value-relativism, and argues that this chilling attack on the factual record not only threatens Jews but undermines the very tenets of objective scholarship that support our faith in historical knowledge. Thus the movement has an unsuspected power to dramatically alter the way that truth and meaning are transmitted from one generation to another.

One of Us-Alice Domurat Dreger 2005-10 One of Us views conjoined twinning and other "abnormalities" from the point of view of people living with such anatomies, and considers these issues within the larger historical context of anatomical politics. This deeply thought-provoking and compassionate work exposes the extent of the social frame upon which we construct the "normal."

The Last Jew of Treblinka-Chil Rajchman 2012-05-01 From one of the lone survivors of the Treblinka concentration camp comes a devastating memoir of the Holocaust in the tradition of Primo Levi's Survival

in Auschwitz. Why did some live while so many others perished? Tiny children, old men, beautiful girls—in the gas chambers of Treblinka, all were equal. A central cog in the wheel of Adolf Hitler’s Final Solution, the fires of Treblinka were kept burning night and day. Chil Rajchman was twenty-eight when he arrived at Treblinka in 1942. At the extermination camp, he was forced to work as a “barber,” shaving the heads of victims, and a “dentist,” pulling gold teeth from corpses. But he escaped eleven months later and survived to tell the shocking and heartbreaking tale of his experience—and of those who didn’t make it out alive. Elie Wiesel calls *The Last Jew of Treblinka* “an important, heart-rending contribution to our search for truth.” Poignant and powerful, this memoir provides the only survivors’ record of the horrifying Polish extermination camp. Originally written in Yiddish in 1945, without hope or agenda other than to bear witness, Rajchman’s story shows that remembering is sometimes the bravest and most painful act of all.
