Fractured Innocence-Julia Crane 2014-01-14 Kaitlyn and Erik are sent on a mission to track down Vance Dasvoik, whose latest thrill is abducting and selling young women. Kaitlyn, who is now half-robot, takes the mission personally when she finds one of Dasvoik's victims with mind and soul fractured from abuse. Fatal Abduction: Ifics #3-Julia Crane 2014-11-20 There's a serial killer at large. His victims just happen to resemble Kaitlyn-dark haired, pale skin and athletic build. Kaitlyn goes undercover, attending a prestigious high school in an attempt to lure the killer into a trap and save the lives of other potential victims. Will she be able to catch the killer before the body count rises? Or will she become the next victim?

Freak of Nature-Julia Crane 2013-02-01 Seventeen-year-old Kaitlyn never suspected she'd have her life - and her body - stolen from her. She awakens one day in a secret laboratory to discover that her body is now half-robot and is forced to hide her own secret: that she still has human emotions.

The Restorer-Amanda Stevens 2016-09-01 Re-read award-winning author Amanda Steven's chilling modern gothic series and relive the journey of Amelia Gray, Graveyard Queen. THE RESTORER Never acknowledge the dead. Never stray far from hallowed ground. Never get close to the haunted. Never, ever tempt fate. My name is Amelia Gray. I'm a cemetery restorer who sees ghosts. In order to protect myself from the parasitic nature of the dead, I've always held fast to these rules passed down from my father...until now. Detective John Devlin needs my help to find a killer, but he is haunted by ghosts who shadow his every move. To warn him would be to invite them into my life. I've vowed to keep my distance, but the pull of his magnetism grows ever stronger even as the headstone symbols lead me closer to truth and to the gossamer veil that separates this world from the next.

Skin and Bones-Sherry Shahan 2014-03-01 Sixteen-year-old Jack, nicknamed "Bones," won't eat. His roommate in the eating disorder ward has the opposite problem and proudly goes by the nickname "Lard." They become friends despite Bones's initial reluctance. When Bones meets Alice, a dangerously thin dancer who loves to break the rules, he lets his guard down even more. Soon Bones is so obsessed with Alice that he's willing to risk everything—even his recovery.

Postmodern Theory and Progressive Politics-Thomas de Zengotita 2018-08-23 This book explores the origins of the academic culture wars of the late 20th century and examines their lasting influence on the humanities and progressive politics. It puts us in a position to ask this question: what to make now of those furious debates over postmodernism, multiculturalism, relativism, critical theory, deconstruction, post-structuralism, and all the rest? In an effort to arrive at a fair judgment on that question, the book reaches for an understanding of postmodern theorists by way of two genres they despised and hopes, for that very reason, to do them justice. It tells a story, and in the telling, advances two basic claims: first, that the phenomenological/hermeneutical tradition is the most suitable source of theory for a humanism that aspires to be universal; and, second, that the ethical and political aspect of the human condition is authentically accessible only through narrative. In conclusion, it argues that the postmodern moment was a necessary one, or will have been if we rise to the occasion and seize the opportunity it offers: a truly universal humanism might yet be realized even in—or perhaps especially in—this atavistic hour of parochial populism.

Dark Promise-Julia Crane 2012-09 Rylie has it all - great friends, dream boy, loving family. But on the eve of her sixteenth birthday, her perfect little world shatters. A stranger claiming to be her real mother appears with a secret: Rylie is a faery whose powers will be unleashed on her birthday. Captured and forced into a new life, Rylie struggles to keep everything she loves and discovers a terrifying truth: some promises cannot be broken.

Eternal Youth-Julia Crane 2012-04-01 The six years following the abrupt death of her father were the worst of Calista Bishoff's life. Frightened by her own mortality, Callie's mom threw herself into a search for the Fountain of Youth-and dragged Callie along with her. Callie should have loved traveling, but instead she hated every minute. When one more failed search sends her mother into depression, they finally return home to California. Sixteen-year-old Callie is ready to hang with her friends and be normal for as long as she can. But, an unplanned trip to Bermuda with her grandmother throws Callie's plans awry, and there's more in store for Callie and her mom than just a simple beach vacation. Callie's life is turned inside out as she finds herself in a very different world than the one she knows- Where things exist that she never dreamed were real.

Keegan's Chronicles-Julia Crane 2012 Sixteen-year-old Keegan is struggling to keep her huge secret from her friends--she's an elf, descended from a long line of elves that live in secrecy alongside humans. In elfin society, mates are predetermined but not allowed to meet until they are eighteen. Against tradition, Keegan's brother Thaddeus told her Rourk's name because his visions warned him she'd need Rourk's protection. Keegan's fate is changed by the use of Black Magic. The bond is broken. But Rourk still feels their connection, and despairs for the woman he was always meant to love. Is their love strong enough or will darkness consume Keegan?

Warrior's Revenge-Coreene Callahan 2013 "Originally published as a Kindle Serial, June 2013."

Crewel-Gennifer Albin 2012-10-16 Deadly Secrets Tangled Lies Woven truths Incapable. Awkward. Artless. That's what the other girls whisper behind her back. But sixteen-year-old Adelice Lewys has a secret: She wants to fail. Gifted with the ability to weave time with matter, she's exactly what the Guild is looking for, and in the world of Arras, being chosen to work the looms is everything a girl could want. It means privilege, eternal beauty, and being something other than a secretary. It also means the power to manipulate the very fabric of reality. But if controlling what people eat, where they live, and how many children they have is the price of having it all, Adelice isn't interested. Not that her feelings matter, because she slipped and used her hidden talent for a moment. Now she has one hour to eat her mom's overcooked pot roast. One hour to listen to her sister's academy gossip and laugh at her dad's jokes. One hour to pretend everything's okay. And one hour to escape. Because tonight, they'll come for her.

Girl on a Wire-Gwenda Bond 2014 "Sixteen-year-old Jules Maroni's dream is to follow in her father's footsteps as a high-wire walker. When her family is offered a prestigious role in the new Cirque American, it seems that Jules and the Amazing Maronis will finally get the spotlight they deserve. But the presence of the Flying Garcias may derail her plans. For decades, the two rival families have avoided each other as sworn enemies."--

Domination and the Arts of Resistance-James C. Scott 1990 "Play fool, to catch wise."--proverb of Jamaican slaves Confrontations between the powerless and powerful are laden with deception--the powerless feign deference and the powerful subtly assert their mastery. Peasants, serfs, untouchables, slaves, laborers, and prisoners are not free to speak their minds in the presence of power. These subordinate groups instead create a secret discourse that represents a critique of power spoken behind the backs of the dominant. At the same time, the powerful also develop a private dialogue about practices and goals of their rule that cannot be openly avowed. In this book, renowned social scientist James C. Scott offers a penetrating discussion both of the public roles played by the powerful and powerless and the mocking, vengeful tone they display off stage--what he terms their public and hidden transcripts. Using examples from the literature, history, and politics of cultures around the world, Scott examines the many guises this interaction has taken throughout history and the tensions and contradictions it reflects. Scott describes the ideological resistance of subordinate groups--their gossip, folktales, songs, jokes, and theater--their use of anonymity and ambiguity. He also analyzes how ruling elites attempt to convey an impression of hegemony through such devices as parades, state ceremony, and rituals of subordination and apology. Finally, he identifies--with quotations that range from the recollections of American slaves to those of Russian citizens during the beginnings of Gorbachev's glasnost campaign--the political electricity generated among oppressed groups when, for the first time, the hidden transcript is spoken directly and publicly in the face of power. His landmark work will revise our understanding of subordination, resistance, hegemony, folk culture, and the ideas behind revolt.

Cross Me Off Your List-Nikki Godwin 2015-04-27 Spring break in Los Angeles with her BFFs has been Marisol's driving force to get through her senior year. But when a falling out dents her plans, Marisol tucks the broken friendship into her back pocket with her cell phone and spring break bucket list. Surf city Crescent Cove isn't exactly LA, but once she meets a tattooed brunette named Noah in the hotel elevator, Marisol really doesn't mind crossing off the items on her list without her friends - especially after Noah offers to help. Unaware that Noah fits the criteria for item #3 (meet a celebrity), Marisol is instantly thrown into the world of paparazzi, wild nights, and a spring break she'll never forget. While her friends are making memories in LA, Marisol is making tabloid headlines. But after slipping a Spaceships Around Saturn secret to the media, Marisol has to fight hard to survive her fifteen minutes of fame and get back on Noah's good side before he crosses her off of his list for good.

Dreamland-Robert L. Anderson 2015-09-24 Dea Donahue has been able to travel through people's dreams since she was six years old. Her mother taught her the three rules of walking: Never interfere. Never be seen. Never walk the same person's dream more than once. Dea has never questioned her mother, not about the rules, not about the clocks or the mirrors, not about moving from place to place to be one step ahead of the unseen monsters that Dea's mother is certain are right behind them. Then a mysterious new boy, Connor, comes to town and Dea finally starts to feel normal. As Connor breaks down the walls that she's had up for so long, he gets closer to learning her secret. For the first time she wonders if that's so bad. But when Dea breaks the rules, the boundary between worlds begins to deteriorate. How can she know what's real and what's not?

First Flight-Jessica Pawley 2013 "I was just an ordinary teenager with ordinary problems. Then my body started changing. Growing. I realized I wasn't normal. I'm not even human." "Rejected, terrified, confused, all I could do was run away, find somewhere safe to hide and figure things out. Then I discovered I wasn't alone." "We have only one way to survive." "Fly." When teenager Tyler Owen develops a bit of back pain, he doesn't think much of it at first. Even the strange swelling and growths that follow can't prepare him for the sudden emergence of his brand new wings that at the same time save and destroy his life. On the run from everyone from the sinister Evolutionary Corporation to the religious Angelist cult, he unintentionally attracts others the same as he is, like Miguel and Victoria whose lives have also been turned upside down. Together they form the Flight, finding out the hard way what it means to be the first in a new species, when all they want to do is learn how to spread their wings... First Flight is the first novel in the YA urban fantasy series GENERATION ICARUS.

Out of Play-Jolene Perry 2013-08-06 Rock star drummer Bishop Riley just needs a few months to relax and detox before his band’s next tour. But the last place he expected to do it is in Seldon, Alaska. And the last person he wants to do it with is Penny Jones. Fiery, headstrong Penny has zero in common with the cocky, too-hot-for-his-own-good Bishop, and she’d like to keep it that way. But the more Bishop gets under her skin, the more she wants to let him in. And the more Penny lets him see, the more Bishop wants to know this stubborn girl with the killer body and soulful eyes. The simmering heat between them won’t go away, no matter how hard either of them tries. Their time together in Alaska may be running out—but so is their resolve for not taking a chance on love.

A Modern Pioneer in Korea-William Elliot Griffis 1912

The Likely Resolutions of Oliver Clock-Jane Riley 2020-02 When a terrible tragedy takes Marie out of Oliver's life but leaves him with her private journal, he discovers too late that she secretly loved him back. Faced now with an empty love life, a family funeral business in trouble, a fast-approaching fortieth birthday and a notebook of resolutions he's never achieved, Oliver resolves to open himself up to love - and all the mess that comes along with it.

Fallen Academy-Leia Stone 2018-08-17 Brielle Atwater isn't sure of much, but she knows a few things: 1. Having black wings is not normal. 2. Selling her soul to the demons was a mistake. 3. Lincoln Grey is the biggest jerk she's ever met ... but not falling in love with him might prove impossible. When angels fell from the sky to war with the demons that ravaged Earth, their combined powers infected humanity. Now, the humans are assigned one of two fates, being either demon gifted or angel blessed. After wings sprout from Brielle's back at her awakening ceremony, she's sure she's an angel blessed celestial. It's not until she sees black wings that she realizes something is terribly wrong. Having sold her contract at a young age to save her father's life means she should be bound for Tainted Academy. That is, until a fallen angel unexpectedly fights for her to be accepted into Fallen Academy, the elite school for those that inhabit Angel City. She's immediately matched with her impossibly handsome celestial teacher, Lincoln Grey. Laying eyes on him, her first thought is that her time at the academy might actually be fun, but this theory quickly fades when she and Lincoln clash on day one. To further prove her admission into Fallen Academy is cursed, the entire school is thrown into chaos when an Abrus demon reveals that he knows Brielle's secret. Now, above all else, Lincoln must fight to protect her. To his surprise, the only thing more difficult than trying to save her ... is trying not to fall for her. Full length 80K word novel

Coexist-Julia Crane 2011-06-19 Sixteen-year-old Keegan is struggling to keep her huge secret from her friends-she's an elf, descended from a long line of elves that live in secrecy alongside humans. In elfin society, mates are predetermined but not allowed to meet until they are eighteen. Against tradition, Keegan's brother Thaddeus told her Rourk's name because his visions warned him she'd need Rourk's protection, especially since Keegan will play a key role in the coming war between the dark and light elves. Rourk finds himself drawn to Keegan's side every time she thinks his name. He wants to talk to her but remains in the shadows, silently guarding her every time she mentally beckons him. A twist of fate thrusts the two of them together when Rourk is forced to step up his protection and make his presence known. An ancient prophecy deeply entwines Keegan's family and the future of their society. Somehow they must find a way to thwart fate and win the battle...without losing Keegan. With war brewing,

and dark forces aligning, will Keegan and Rourk ever have the life together that they both desire?

Interpersonal Pragmatics-Miriam A. Locher 2010 This handbook focuses on the interpersonal aspects of language in use, exploring key concepts such as face, im/politeness, identity, or gender, as well as mitigation, respect/deference, and humour in a variety of settings. The volume includes theoretical overviews as well as empirical studies from experts in a range of disciplines within linguistics and communication studies and provides a multifaceted perspective on both theoretical and applied approaches to the role of language in relational work.

The Best Laid Plans-Cameron Lund 2020-04-07 High school senior Keely Collins takes on firsts, lasts, and everything in between in this sweet, sex-positive rom-com for fans of Meg Cabot and Jenny Han. It seemed like a good plan at first. When the only other virgin in her group of friends loses it at Keely's own eighteenth birthday party, she's inspired to take things into her own hands. She wants to have that experience too (well, not exactly like that--but with someone she trusts and actually likes), so she's going to need to find the guy, and fast. Problem is, she's known all the boys in her small high school forever, and it's kinda hard to be into a guy when you watched him eat crayons in kindergarten. So she can't believe her luck when she meets a ridiculously hot new guy named Dean. Not only does he look like he's fallen out of a classic movie poster, but he drives a motorcycle, flirts with ease, and might actually be into her. But Dean's already in college, and Keely is convinced he'll drop her if he finds out how inexperienced she is. That's when she talks herself into a new plan: her lifelong best friend, Andrew, would never hurt or betray her, and he's clearly been with enough girls that he can show her the ropes before she goes all the way with Dean. Of course, the plan only works if Andrew and Keely stay friends--just friends--so things are about to get complicated. Cameron Lund's delightful debut is a hilarious and heartfelt story of first loves, first friends, and first times--and how making them your own is all that really matters.

Conflicted-Julia Crane 2011-09-14 In the Elf world, magic and destiny determine who will be together. "Chosen" pairs are fated to meet at the age of 18. Keegan, however, is an anomaly. Having fallen in the battle between the Light and the Dark, she is only alive now due to Black Magic, and her bond with her Chosen is broken. She cannot remember Rourk at all. For the first time, she feels like a normal teenager. She is dating Donald, her long-time crush, and everything seems perfect. But Rourk still feels their bond, and despairs for the woman he was always meant to love. Keegan's best friend Anna is determined to find a way to use her powers to return Keegan's bond, no matter what it takes. The question is does Keegan even want it?

Blood, She Read-Sara Hubbard 2017-11-28

Landscape as Urbanism-Charles Waldheim 2016-02-16 A definitive intellectual history of landscape urbanism It has become conventional to think of urbanism and landscape as opposing one another—or to think of landscape as merely providing temporary relief from urban life as shaped by buildings and infrastructure. But, driven in part by environmental concerns, landscape has recently emerged as a model and medium for the city, with some theorists arguing that landscape architects are the urbanists of our age. In Landscape as Urbanism, one of the field's pioneers presents a powerful case for rethinking the city through landscape. Charles Waldheim traces the roots of landscape as a form of urbanism from its origins in the Renaissance through the twentieth century. Growing out of progressive architectural culture and populist environmentalism, the concept was further informed by the nineteenth-century invention of landscape architecture as a "new art" charged with reconciling the design of the industrial city with its ecological and social conditions. In the late twentieth and early twenty-first centuries, as urban planning shifted from design to social science, and as urban design committed to neotraditional models of town planning, landscape urbanism emerged to fill a void at the heart of the contemporary urban project. Generously illustrated, Landscape as Urbanism examines works from around the world by designers ranging from Ludwig Hilberseimer, Andrea Branzi, and Frank Lloyd Wright to James Corner, Adriaan Geuze, and Michael Van Valkenburgh. The result is the definitive account of an emerging field that is likely to influence the design of cities for decades to come.

Stormy-Guojing 2019-09-17 In this heartwarming, wordless picture book that's perfect for dog lovers, a woman visits a park and discovers a pup hiding under a bench--scruffy, scared, and alone. With gentle coaxing, the woman tries to befriend the animal, but the dog is too scared to let her near. Day after day, the woman tries--and day after day, the dog runs away. With perseverance and patience--and help from an enticing tennis ball--a tentative friendship begins. But it's not until a raging storm forces the two together that a joyous and satisfying friendship takes hold. Guojing poignantly explores how trust doesn't always come easily, but how, over time, and with kindness and determination, forever love can grow. Praise for The Only Child- A New York TimesBest Illustrated Book "Rare is the book containing great emotional depth that truly resonates across a span of ages- this is one such." --Kirkus Reviews, Starred "Fine draftsmanship, deft pacing, and striking imaginative power distinguish this debut." -- Publishers Weekly, Starred "Each arresting, softly penciled panel is surprisingly luminous in spite of its monochromatic palette, and in those gentle scenes, Guojing evokes a wide range of feeling, especially the lonesomeness of the little girl, who never quite seems at ease alone. Reminiscent of Raymond Briggs' classic, The Snowman (1978), this is quiet, moving, playful, and bittersweet all at once." --Booklist, Starred "In Guojing's beautiful, wordless storybook, a little Chinese girl left home alone wanders off into the snow and has magical cloud adventures with a benevolent stag." --Shelf Awareness, Starred
