Ourselves-Charlotte Mason 2013-05-20 *Ourselves*, the fourth volume of Charlotte Mason's Classic Homeschooling Series, is a character curriculum book written directly to children. Book I, *Self-Knowledge*, is for elementary school students; Book II, *Self-Direction*, is for older students. *Self-Knowledge* discusses our human desires and appetites; the "helpers" in our minds, such as intellect, sense of beauty, imagination, and reason; the ways in which we feel and express love for others, including sympathy, kindness, generosity, gratitude, courage, loyalty, and humility; and truth, justice, and integrity; and ends by encouraging children to develop the habit of being useful. *Self-Direction* is an in-depth discussion of the conscience and virtues such as temperance, chastity, fortitude, and prudence; the will and self-control; and the soul and its capacities, such as prayer, thanksgiving, faith, and praise. Charlotte Mason was a late

nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to a

Freaky and Fearless: The Art of Being a Freak-Robin Etherington 2016-09-08 Could Whippet be developing his own comic superpower? The boys are heading off to the woods for an Explorers' Camp weekend. They'd rather be at home reading comics, but it should take their minds off the super-weird events of two weeks ago. They haven't seen Lucy since their destruction of the Snotticus, and Mossy's superpower hasn't worked since then either, so maybe it's time to move on. Lake Shore must be monster-free now! Luckily for Simon & Whippet help is closer than they think, and their combined talent for Telling and Drawing stories is about to come in very handy indeed. The Mayor of Casterbridge-Thomas Hardy 2020-04-05 At a country fair near Casterbridge in Wessex Michael Henchard, a 21-year-old hay-trusser, argues with his wife Susan. Drunk on rum-laced furmity he auctions her off, along with their baby daughter Elizabeth-Jane, to Richard Newson, a passing sailor, for five guineas. Sober and remorseful the next day, he is too late to locate his family. He vows not to touch liquor again for 21 years. Believing the auction to be legally binding, Susan lives as Newson's wife for 18 years. After Newson is lost at sea Susan, lacking any means of support, decides to seek out Henchard again, taking her daughter with her. Susan has told Elizabeth-Jane little about Henchard, and the young woman knows only that he is a relation by marriage. Susan discovers that Henchard has become a very successful hay and grain merchant and Mayor of Casterbridge, known for his staunch sobriety. He has avoided explaining how he lost his wife, allowing people to assume he is a widower. When the couple are reunited, Henchard proposes remarrying Susan after a sham courtship, this in his view being the simplest

and most discreet way to remedy matters and to prevent Elizabeth-Jane learning of their disgrace. To do this, however, he is forced to break off an engagement with a woman named Lucetta Templeman, who had nursed him when he was ill. Donald Farfrae, a young and energetic Scotsman passing through Casterbridge, helps Henchard by showing him how to salvage substandard grain he has bought. Henchard takes a liking to the man, persuades him not to emigrate, and hires him as his corn factor, rudely turning away a man named Jopp to whom he had already offered the job. Farfrae is extremely successful in the role, and increasingly outshines his employer. When he catches the eye of Elizabeth-Jane, Henchard dismisses him and Farfrae sets himself up as an independent merchant. Farfrae conducts himself with scrupulous honesty, but Henchard is so determined to ruin his rival that he makes risky business decisions that prove disastrous.
