Hedgerow-John Wright 2018-02-22 In the seventh of the River Cottage Handbook series, John Wright explores the culinary delights of the British hedgerow. Hedgerows, moors, meadows and woods - these hold a veritable feast for the forager. In this hugely informative and witty handbook, John Wright reveals how to spot the free and delicious pickings to be found in the British countryside, and how to prepare and cook them. First John touches on the basics for the hedgerow forager, with an introduction to conservation, safety, the law, and all the equipment that you may need. Next he guides you through the tasty edible species to be found. Each one is accompanied by photographs for identification, along with their conservation status, habitat, distribution, season, taste, texture and cooking methods - not forgetting, of course, some fascinating asides and diversions about their taxonomy and history. Fifty species are covered, including bilberries, blackberries, raspberries, common mallow, dandelions, hedge garlic, horseradish, pignuts, nettles, sloes, sweet chestnuts, water mint, bulrushes and wild cherries. After this there is a section describing the poisonous species to steer clear of, with identifying photographs as well as warnings about nasty 'lookalikes'. Finally, there are thirty delicious recipes to show how you can make the most of your (edible) findings. Introduced by Hugh Fearnley-Whittingstall, Hedgerow is an indispensable household reference, and an essential book to have by your side for every trip into the countryside.

Cakes-Pam Corbin 2018-02-22 In the eighth of the River Cottage Handbook series, Pam Corbin offers an appealing guide to baking perfect cakes. Baking is the most comforting and entirely satisfying of the culinary arts - making a cake is not only a sumptuous process in its own right but the end result is entirely delicious. Pam Corbin offers the voice of experience, setting out basic techniques and recipes that will guarantee success. This is traditional baking at its very best, with over 75 adaptable recipes including Macaroons, Meringues, Fairy Cakes (and their counterpart - Gnome Cakes), the classic Victoria Sandwich, Rhubarb Pudding Cake, Walnut Cake, Banana Breakfast Muffins, Orange Cake with Earl Grey Icing, and the glorious Battenberg Cake with its distinctive pink and yellow checks. As a finishing touch, there is a section devoted to sweet embellishments like feather icing, crystallised violets and chocolate leaves. Say goodbye to sinking sponges and brittle brownies with this comprehensive guide to the heavenly world of cake making, introduced by Hugh Fearnley-Whittingstall.

Booze-John Wright 2018-02-22 In the twelfth River Cottage Handbook, John Wright explains how to home-brew and make your own tipples. What could possibly beat a cool pint of beer down the pub or a lazy glass of wine at your favourite bar? The answer is: home-brewed beer or your very own brand of wine. With this, the twelfth in the River Cottage Handbook series, the inimitable John Wright shows exactly how easy it is to get started. You don't need masses of space to make alcohol at home, and if you follow the simple instructions, you won't be faced with exploding bottles in the cellar. But don't forget, it's all about experimentation and finding out what works for you. Booze is divided up by alcohol type, from beer, cider and wine to herbal spirits and fruit liqueurs. Each section starts with an introduction to the basic techniques, methods and other useful information, before giving recipes for delicious tipples like rhubarb wine, sparkling elderflower wine, mead, cherry plum wine, orange beer, lager, real ginger beer, sweet cider, zubrovka vodka, amber spirits, rose infusions, blackberry whiskey, pomegranate rum, chestnut liqueur, mulled cider and there's even a hangover cure thrown in for good measure. With an introduction from Hugh Fearnley-Whittingstall and full-colour photographs as well as illustrations, Booze is a home-brewer's book with a kick.

Mushrooms-John Wright 2018-02-22 In the first of the River Cottage Handbook series, mycologist John Wright uncovers the secret habits and habitats of Britain's thriving mushrooms - and the team at River Cottage explain how to cook them to perfection. In the first of the River Cottage Handbook series, mycologist John Wright explains the ins and outs of collecting, including relevant UK laws, conservation notes, practical tips and identification techniques. He takes us through the 72 species we are most likely to come across during forays in Britain's forests and clearings: old friends the Chanterelle and Cep, as well as a whole colourful host of more unfamiliar names - edible species including the Velvet Shank, the Horn of Plenty, the Amethyst Deceiver, the Giant Puffball and the Chicken in the Woods, and poisonous types such as the Sickener, the Death Cap and the Destroying Angel. The handbook is completed by more than 30 simple and delicious mushroom recipes from the River Cottage team. With colour photographs throughout, line drawings, a user-friendly Key and an introduction by Hugh Fearnley-Whittingstall, the River Cottage Mushroom Handbook is a comprehensive and collectable guide, destined to be an indispensable household reference.

Veg Patch-Mark Diacono 2018-02-22 In the fourth River Cottage handbook, Mark Diacono tells us everything we need to know to create our own productive, organic garden, no matter where we live. Drawing directly from his experience as an acclaimed climate-change gardener, and of setting up a kitchen garden from scratch for River Cottage, Mark explains the practical aspects of organic growing, introduces us to a whole world of vegetables we may not have previously considered, and does away with alienating gardening jargon once and for all. Mark begins with a catalogue of vegetables that will grow in this country, explaining for each their benefits, what varieties to go for, dos and don'ts, and popular culinary uses. He then invites us to create a wish list of foods, and shows us his own list from his early gardening days. Next, he explains how to turn this wish list into a coherent kitchen garden plan appropriate for our space, whether it be a patch of acidic soil, a roof-top garden or an allotment, whether we put on our wellies in every free moment or are 'time-poor' gardeners. Then he puts all the theory into practice, showing us how to look after nutrients in the soil, how to resist pests and diseases, and how to make our garden sustainable and organic. In clear, concise sections we learn about seed trays, supporting plants with climbing structures, mulching, composting, companion planting, irrigation and promoting pollination, and there are additional tables showing sowing and harvesting times, plant sizes, and alternative varieties of plants for different sites. About thirty recipes and a directory of useful addresses finish the book, and the handbook is complemented by bright colour photography throughout. Practical and inspiring, with a textured hard cover and an introduction by Hugh Fearnley-Whittingstall, Veg Patch is destined to join Handbooks No. 1, 2 and 3 as an indispensable household reference.

Sea Fishing-Nick Fisher 2018-02-22 A thoroughly practical guide to catching, preparing and cooking sea fish, from the bestselling River Cottage Handbook series. From renowned fishing expert Nick Fisher comes this concise and beautifully illustrated guide to fishing along British coastline. All that's needed is a beach, pier, harbour, estuary or boat. Nick covers all the basics, such as when and where to go fishing, and then profiles the sea fish that you are likely to catch (each one clearly photographed), covering their conservation status, season, habitat and method of catching. Next he gets down to the nitty gritty, with a guide to tackles, rods, reels, rigs, knots and bait, and step-by-step advice on all the sea fishing techniques. And for once you've made your catch, there are 30 delicious recipes from River Cottage.

Edible Seashore-John Wright 2018-02-22 In the fifth of the River Cottage Handbook series, John Wright reveals the rich pickings to be had on the seashore - and the team at River Cottage explain how to cook them to perfection. For the forager, the seashore holds surprising culinary potential. In this authoritative, witty book John Wright takes us on a trip to the seaside. But before introducing us to the various species to be harvested, he touches on such practicalities as conservation and the ethics of foraging; safety from tides, rocks and food poisoning; the law and access to the shore, our right to fish, landing sizes and seasons; and equipment such as nets, pots and hooks. Next comes the nitty-gritty: all the main British seashore species that one might be tempted to eat. The conservation status, taste and texture, availability, seasonality, habitat, collecting technique and biology of each species is covered; there are also quite a few gratuitous but fascinating diversions. The species covered include crustacea (brown shrimp, common crab, lobster, prawn, shore crab, spider crab, squat lobster, velvet swimming crab); molluscs (clams, cockle, dog whelk, limpet,

mussel, oyster, razor clam, winkle); mushrooms; plants (alexanders, babbington's orache, fennel, frosted orache, marsh samphire, perennial wall rocket, rock samphire, sea beet, sea buckthorn, sea holly, sea kale, sea purslane, sea rocket, spear-leaved orache, wild cabbage, wild thyme); and seaweed (carrageen, dulse, gut weed, laver, pepper dulse, sea lettuce, sugar kelp, kelp). Finally, there are thirty brilliant recipes. Introduced by Hugh Fearnley-Whittingstall, Edible Seashore is destined to join the other handbooks in the series as an indispensable household reference.

Fermentation-Rachel de Thample 2020-09-03 In Fermentation, Rachel de Thample shines a light on one of the oldest methods of preserving food, which is just as relevant today, and shows you how to produce delicious and health-boosting ferments in your own kitchen. There are more than 80 simple recipes to make everything from sauerkraut and sourdough, kimchee and kombucha, to pickles and preserves, accompanied by thorough explanations of how the fermenting process works. With little more than yeast and bacteria, salt and time, a whole realm of culinary possibilities opens up. With an introduction by Hugh Fearnley-Whittingstall and plenty of helpful step-by-step photographs, this book will bring the art of fermentation to your kitchen.

Fruit-Mark Diacono 2018-02-22 In the ninth River Cottage Handbook, Mark Diacono explains how to nurture and grow your own garden fruit. Growing fruit at home is a delicious and altogether more enjoyable alternative to buying it in the shops. Mark Diacono offers a practical and accessible guide to making the most of your garden and what it has to offer. The first part of the book is an A-Z of the different varieties of fruit, with old favourites like apples, cherries, plums, blackcurrants, white currants, redcurrants, strawberries, blueberries, gooseberries, raspberries and rhubarb as well as more exotic species like figs, grapes, cranberries, Japanese wine berries and apricots. Each is accompanied by a photograph, with detailed advice on when and how to grow and harvest. In the second part of the book, Mark gives straightforward guidelines on techniques like pruning and training, as well as how to deal with problems or pests. There is a section dedicated to growing under covers and in containers. Introduced by Hugh Fearnley-Whittingstall and with 30 delicious recipes, beautiful, full-colour photographs and a directory of useful addresses, this is the ideal reference for any aspiring fruit grower.

Preserves-Pam Corbin 2018-02-22 In the second of the River Cottage Handbook series, Pam Corbin explains how to turn Britain's seasonal gluts of fruit, vegetables, flowers and herbs into delicious preserves to enjoy all year around. Preserving is a centuries-old way to make the most out of every season, stretching the more bountiful months into the sparser ones - and what's more, it is fun, rewarding and easy to learn. Explaining the history, science and basic processes of preserving, Pam Corbin guides us through a world of jams, jellies, butters, curds, pickles, chutneys, cordials, liqueurs, vinegars and sauces that can be made from local produce throughout the year. She includes 75 recipes, covering everything from traditional favourites such as raspberry jam, lemon curd, quince cheese and sloe gin, to fresh new combinations such as apple butter, cucumber pickle and nettle pesto. The handbook includes seasonable tables, regional maps, flow charts of all the preserving processes and full-colour photographs throughout, and is completed by a directory of equipment and useful addresses. With a textured hard cover and an introduction by Hugh Fearnley-Whittingstall, Preserves is a concise and inspiring guide to an age-old art for kitchen beginners and keen preservers alike.

Cheese & Dairy-Steven Lamb 2018-03-22 Nothing beats a really good cheese. These days you can buy great dairy products locally, made using high-quality ingredients and with a unique flavour of their own. The next step is to try your hand at making yoghurt, labneh, mozzarella and even delicious matured cheeses yourself. The River Cottage ethos is all about knowing the whole story behind what you put on the table; and as Steven Lamb explains in this thorough, accessible guide, the key ingredient is milk. He shows you exactly what to do to take it from its liquid form to a wide range of dairy products, from clotted cream to a washed-rind cheese. There are also plenty of gorgeous recipes that make the most of cheese and other dairy goods - as you'd hope, they involve such pleasures as dunking carbs into a pot of melty cheese; biting down on a delicate cheese wafer; or whipping up the best ever cheesecake. With an introduction by Hugh Fearnley-Whittingstall and plenty of helpful photographs, this book is the indispensable guide to crafting and enjoying cheese and other dairy products.

Game-Tim Maddams 2018-02-22 In the fifteenth River Cottage Handbook, Tim Maddams offers a comprehensive guide to harvesting and preparing game, and a host of delicious recipes. Game offers some of the most intense, delicate, rich and varied meat around. And not only is it delicious, it can also be a healthy and more nutritious alternative to traditional red meats. Here, Tim Maddams gives an accessible guide to obtaining, assessing, preparing and cooking game, including pheasant, grouse, venison, partridge, hare, rabbit, boar and duck. Tim begins by describing the characteristics of game species, then discusses ethical and sustainable hunting, preservation and seasonality. Next he gives a step-by-step guide to skinning, feathering and butchering techniques (and if you don't have a fresh supply, how to buy game meat). Lastly he shares his seriously tasty recipes from the River Cottage kitchen, such as Slow-roast spiced soy duck, Quick-smoked duck, Lasagne of game and wild mushrooms, Partridge with pumpkin and cider, Goose sausages, Gamekeeper's pie and Roasted hen pheasant with all the trimmings. With an introduction by Hugh Fearnley-Whittingstall and colour photography throughout, Game is the indispensable guide to enjoying wild meat.

Curing & Smoking-Steven Lamb 2018-02-22 In the thirteenth River Cottage Handbook, Steven Lamb shows how to cure and smoke your own meat, fish and cheese. Curing and smoking your own food is a bit of a lost art in Britain these days. While our European neighbours have continued to use these methods on their meat, fish and cheese for centuries, we seem to have lost the habit. But with the right guidance, anyone can preserve fresh produce, whether living on a country farm or in an urban flat - it doesn't have to take up a huge amount of space. The River Cottage ethos is all about knowing the whole story behind what you put on the table; and as Steven Lamb explains in this thorough, accessible guide, it's easy to take good-quality ingredients and turn them into something sensational. Curing & Smoking begins with a detailed breakdown of any kit you might need (from sharp knives to sausage stuffers, for the gadget-loving cook) and an explanation of the preservation process - this includes a section showing which products and cuts are most suitable for different methods of curing and smoking. The second part of the book is organised by preservation method, with an introduction to each one, and comprehensive guidance on how to do it. And for each method, there are, of course, many delicious recipes! These include chorizo Scotch eggs, salt beef, hot smoked mackerel, home-made gravadlax ... and your own dry-cured streaky bacon sizzling in the breakfast frying-pan. With an introduction by Hugh Fearnley-Whittingstall and full-colour photographs as well as illustrations, this book is the go-to guide for anyone who wants to smoke, brine or air-dry their way to a happier kitchen.

River Cottage Fruit Every Day!-Hugh Fearnley-Whittingstall 2015-05-07 Fruit is pretty much the perfect food: bountiful, delicious and colourful, it also helps us to fight infection, stresses and strains. But why are we still a nation that thinks it's a bit racy to slice a banana onto our cornflakes in the morning? A 'piece of fruit' in a lunch box, on the breakfast table or at the end of a meal is all very well, but fruit is so much more exciting than this, and we don't eat nearly enough of the stuff. Perhaps this is because we don't always understand how to use it in our cooking, or how to choose the best fruit for the season. Hugh sets out to address this head on. With 180 delicious recipes, River Cottage Fruit Every Day! will show you how to enjoy a broader eating experience and make fruit easy, fun and irresistible. You'll find recipes for all the wonderful seasonal fruit that grows in this country, and learn how to make the most of fruit from other parts of the world. Recipes include marinated lamb and fig kebabs; barbecued pork chops with peaches and sage; venison stew with damsons; and parsnip and apple cakes. There are also fresh and zingy salads as well as gorgeous cakes, tarts, pies, crumbles and puddings. With glorious photography from Simon Wheeler, this book will bring amazing new fruity vitality and flavour to your food.

Booze-John Wright 2014-09-30 What could possibly beat a cool pint of beer or a glass of wine at your favorite bar? The answer is: home-brewed beer or your very own brand of wine. With this, the twelfth in the River Cottage Handbook series, the inimitable John Wright shows exactly how easy it is to get started. You don't need lots of space to make alcohol at home, and if you follow the simple instructions, you won't be faced with exploding bottles. But don't forget, it's all about experimentation and finding out what works for you. Booze is divided by alcohol type, from beer, cider, and wine to herbal spirits and fruit liqueurs. With an introduction from Hugh Fearnley-Whittingstall and full-color photographs as well as illustrations, Booze is a home-brewer's book with a kick.

A Natural History of the Hedgerow-John Wright 2016-05-05 It is difficult to think of a more quintessential symbol of the British countryside than the British Hedgerow, bursting with blackberries, hazelnuts and sloes, and home to oak and ash, field mice and butterflies. But as much as we might dream about foraging for mushrooms or collecting wayside nettles for soup, most of us are unaware of quite how profoundly hedgerows have shaped the history of our landscape and our fellow species. One of Britain's best known naturalists, John Wright introduces us to the natural and cultural history of hedges (as well as ditches, dykes and dry stone walls) - from the arrival of the first settlers in the British Isles to the modern day, when we have finally begun to recognise the importance of these unique ecosystems. His intimate knowledge of the countryside and its inhabitants brings this guide to life, whether discussing the skills and craft of hedge maintenance or the rich variety of animals, plants, algae and fungi who call them home. Informative, practical, entertaining and richly illustrated in colour throughout, A Natural History of the Hedgerow is a book to stuff into your pocket for country walks in every season, or to savour in winter before a roaring fire.

The River Cottage Bread Handbook-Daniel Stevens 2010-10-05 The River Cottage farm, established by British food personality Hugh Fearnley-Whittingstall to promote high-quality, local, and sustainable food, has inspired a television series, restaurants and classes, and a hit series of books. In this new addition to the award-winning collection, River Cottage baking instructor Daniel Stevens shares his irrepressible enthusiasm and knowledge to help you bake better bread. From familiar classics such as ciabatta and pizza dough, to new challenges like potato bread, rye loaves, tortillas, naan, croissants, doughnuts, and bagels, each easy-to-follow recipe is accompanied by full-color, step-by-step photos. There's even an in-depth chapter on building your own backyard wood-fired oven.

The Forager's Calendar-John Wright 2019-03-28 'He writes so engagingly that it's hard to imagine that actual foraging can be more attractive than reading his accounts of it. ...[This book] is a treasure. It is beautifully produced, designed and illustrated.' - John Carey, The Sunday Times Look out of your window, walk down a country path or go to the beach in Great Britain, and you are sure to see many wild species that you can take home and eat. From dandelions in spring to sloe berries in autumn, via wild garlic, samphire, chanterelles and even grasshoppers, our countryside is full of edible delights in any season. John Wright is the country's foremost expert in foraging and brings decades of experience, including as forager at the River Cottage, to this seasonal guide. Month by month, he shows us what species can be found and where, how to identify them, and how to store, use and cook them. You'll learn the stories behind the Latin names, the best way to tap a Birch tree, and how to fry an ant, make rosehip syrup and cook a hop omelette. Fully illustrated throughout, with tips on kit, conservation advice and what to avoid, this is an indispensable guide for everyone interested in wild food, whether you want to explore the great outdoors, or are happiest foraging from your armchair.

River Cottage A to Z-Hugh Fearnley-Whittingstall 2016-12-15 'Ingredients are at the heart of everything we do at River Cottage. By gathering our all-time favourites together, I hope to inspire you to look at them with fresh eyes and discover new ways of cooking them' Hugh Fearnley-Whittingstall The definitive River Cottage kitchen companion. Hugh Fearnley-Whittingstall and his team of experts have between them an unprecedented breadth of culinary expertise on subjects that range from fishing and foraging to bread-making, preserving, cheese-making and much more. In this volume they profile their best-loved and most-used ingredients. With more than three hundred entries covering vegetables, fruits, herbs, spices, meat, fish, fungi, foraged foods, pulses, grains, dairy, oils and vinegars, the River Cottage A to Z is a compendium of all the ingredients the resourceful modern cook might want to use in their kitchen. Each ingredient is accompanied by a delicious, simple recipe or two: there are new twists on old favourites, such as cockle and chard rarebit, North African shepherd's pie, pigeon breasts with sloe gin gravy, or damson ripple parfait, as well as inspiring ideas for less familiar ingredients, like dahl with crispy seaweed or rowan toffee. And there are recipes for all seasons: wild garlic fritters in spring; cherry, thyme and marzipan muffins for summer; an autumnal salad of venison, apple, celeriac and hazelnuts; a hearty winter warmer of ale-braised ox cheeks with parsnips. With more than 350 recipes, and brimming with advice on processes such as curing bacon and making yoghurt, the secret of perfect crackling and which apple varieties to choose for a stand-out crumble, as well as sourcing the most sustainable ingredients, this is an essential guide to cooking, eating and living well. More than anything, the River Cottage A to Z is a celebration of the amazing spectrum of produce that surrounds us - all brought to life by Simon Wheeler's atmospheric photography, and Michael Frith's evocative watercolour illustrations.

Why is that So Funny?-John Wright 2007 (Book). This unique exploration of the principles and practice of physical comedy starts with a discussion of the various types of laughter that can be provoked by performance. It then presents graduated sequences of over a hundred games and exercises devised to demonstrate and investigate the whole range of comic possibilities open to a performer. The result is an intensely practical and thoroughly stimulating investigation of how comedy works in physical terms.

Herbs-Nikki Duffy 2018-02-22 In the tenth River Cottage Handbook, Nikki Duffy shows how to grow and cook with herbs. Herbs are the most liberating and confidence-boosting of ingredients: grow some and you feel like a proper gardener, bring some into the kitchen and you feel like a proper cook. They allow you to experiment and bring individuality to your cooking while, at the same time, anchoring you in sound culinary tradition because herbs are often responsible for those key flavours that 'make' a dish. Not only that but they are a step on the road to a more self-sufficient, homegrown, organic way of eating. In the first part of the book, Nikki explains how to get the most from herbs. She outlines the basic choosing, picking and using guidelines. The second part is a catalogue of herbs, each with grow-your-own notes, flavour descriptions and mini-recipes. Among the forty herbs that Nikki describes are basil, bay, bergamot, chives, coriander, dill, fennel, horseradish, hyssop, marigold, marjoram, mint, parsley, perilla, rocket, rosemary, sage, scented geranium, tarragon, thyme, wild garlic and winter savory. Following this are over fifty wonderful and adaptable recipes for everything from herb-scented cakes and biscuits to soups, stuffings and tarts, where more than one herb is, or can be, used. With an introduction by Hugh Fearnley-Whittingstall and full-colour photographs, Herbs is a must-have book for every kitchen.

Home Mechanic ...-John Wright 1905

The Naming of the Shrew-John Wright 2014-11-06 Latin names - frequently unpronounceable, all too often wrong and always a tiny puzzle to unravel - have been annoying the layman since they first became formalised as scientific terms in the eighteenth century. Why on earth has the entirely land-loving Eastern Mole been named *Scalopus aquaticus*, or the Oxford Ragwort been called *Senecio squalidus* - 'dirty old man'? What were naturalists thinking when they called a beetle *Agra katewinsletae*, a genus of fish *Batman*, and a Trilobite *Han solo*? Why is zoology replete with names such as *Chloris chloris chloris* (the greenfinch), and *Gorilla gorilla gorilla* (a species of, well gorilla)? The Naming of the Shrew will unveil these mysteries, exploring the history, celebrating their poetic nature and revealing how naturalists sometimes get things so terribly wrong. With wonderfully witty style and captivating narrative, this book will make you see Latin names in a whole new light.

The River Cottage Year-Hugh Fearnley-Whittingstall 2003 Recipes and reflections from Hugh Fearnley-Whittingstall, with an emphasis on seasonality.

Chicken & Eggs-Mark Diacono 2018-02-22 In the eleventh River Cottage Handbook, bestselling author Mark Diacono gives recipes and comprehensive guidance for keeping chickens. Chickens are a fantastic addition to a garden or outdoors space - you don't have to live in the back of beyond to have a few clucking around and giving you fresh eggs. They come in all shapes and sizes: some are layers, some are just born to strut. Mark Diacono begins at the basics, showing how you can raise chickens from eggs, and look after them once they start laying their own. The first part of *Chicken & Eggs* explains how to think ahead about what kind of chickens you want and how many to get, whether you are going for a breed that lays eggs regularly, or that you might eventually use for eating, or that simply looks decorative. You can choose from Orpingtons, Derbyshire redcaps, Muffed Old English Game, Leghorns and many more.

The Hedgerow Handbook-Adele Nozedar 2012 Hedgerow plants have been used since time immemorial to make meals, remedies, wines, even soaps and cleaning materials. The Pocket Book of Hedgerow Recipes is perfectly positioned in the midst of the wonderful resurgence in organics, the awakened interest in allotments, and the trend for locally-grown produce. I don't even want to mention the credit crunch, but all the recipes and remedies in the book can be made for nothing, or very close to it! 'Pocket' is designed for practical use, can be slipped into a backpack or thrown in with a lovely Cath Kidston festival tent.

Pam the Jam-Pam Corbin 2019-07-11 - 'Pam Corbin is the master, and the first person I turn to for everything to do with preserving. I've learnt so much from her' - DIANA HENRY Pam Corbin is the expert who professional cooks consult

when they want to make jams, jellies, marmalades, chutneys, pickles or anything else to do with preserving. They know her as 'Pam the Jam', and this book is the culmination of her years of experience, distilled into more than 100 tried-and-tested recipes. Her jams, marmalades and fruit spreads contain far less sugar than traditional recipes, which means that they taste astonishingly fruity and delicious. Likewise, her chutneys and pickles are lighter and sprightlier than the old-fashioned kind. Pam will show you how to make more unusual preserves too - such as glossy fruit cheeses to serve with everything from Stilton to manchego (which calls for her classic quince membrillo). Or creamy yet zesty fruit curd: there's a recipe for classic lemon curd, and also a wonderfully light lime and coconut one. If you have an array of Pam's preserves in your store cupboard, you can transform any meal in an instant. She'll inspire you to dig into your jars of preserves to make spin-off recipes such as scrumptious lime cheesecake, cherry pie or spicy sausage rolls. Packed with detailed instructions, explanations and tips, this is the only preserve-making bible that you will ever need.

Rod, Shadow, and Glove-John Wright (MBE.) 1986

Outdoor Cooking-Gill Meller 2019-05-02 In Outdoor Cooking, Gill Meller explains every aspect of cooking out in the open. He will take you back to basics with a guide to building the perfect fire, and reinvigorate your summer barbecue by cooking bread on it, grilling Indian-style kebabs, smoking fish or roasting succulent joints of meat. You can also find out how to make the most of a pizza oven or Kamado-style clay barbecue (popularised by the Big Green Egg) and, if you're feeling adventurous, there are comprehensive instructions for spit roasting larger pieces of meat or making a smouldering earth oven. With an introduction by Hugh Fearnley-Whittingstall and plenty of mouth-watering photographs, this book will rekindle your passion for the great outdoors and spark new ideas for creative cooking in the wild.

The River Cottage Meat Book-Hugh Fearnley-Whittingstall 2007 A richly illustrated cookbook covers the practical basics of cooking with meat, encompassing everything you need to know about choosing and storing the best raw materials and understanding the different cuts, offering recipes for 150 classic dishes, and including the basics of roasting, barbecuing, preserving, and processing meat.

The River Cottage Fish Book-Hugh Fearnley-Whittingstall 2012-03-20 The formidable River Cottage team turns their attention to all matters aquatic in this definitive guide to freshwater fish, saltwater fish, and shellfish. Hugh Fearnley-Whittingstall and Nick Fisher examine the ecological and moral issues of fishing, teach individual skills such as catching and descaling, and offer a comprehensive (and fascinating) species reference section. They also demystify the cooking of fish with 135 recipes for preparing fish and shellfish in diverse ways, from pickling to frying to smoking. This ambitious reference-cookbook appeals to both intellect and appetite by focusing on the pleasures of catching, cooking, and eating fish while grounding those actions in a philosophy and practice of sustainability. The authors help us understand the human impact on the seafood population, while their infectious enthusiasm for all manner of fish and shellfish—from the mighty salmon to the humble mackerel to the unsung cockle—inspires us to explore different and unfamiliar species. Fish is superlative food, but it's also a precious resource. The River Cottage Fish Book delivers a complete education alongside a wealth of recipes, and is the most opinionated and passionate fish book around.

The River Cottage Cookbook-Hugh Fearnley-Whittingstall 2011 This text is more than just a collection of Hugh's recipes. It's also a friendly, practical guide to the River Cottage lifestyle, with advice on rearing your own meat, growing your own vegetables, and tapping into the free wild harvest.

Playing the Mask-John Wright 2017 This book is a wonderfully accessible introduction to a fresh and innovative acting technique for actors, theatre-makers and teachers to use in training and rehearsal. A mask releases the actor to be playful, and playfulness generates ideas, finds meaning, develops characterisation - and is infinitely more fun than traditional training. Rather than a dry guide to making masked theatre, it is about, for instance, playing Lady Macbeth in Red Nose, or Hamlet in the mask of The Victim, The Ogre or The Fool, or even Romeo and Juliet in grotesque half-masks... All in the name of liberating your creativity and, ultimately, improving your performance. Extensively illustrated with a rich variety of masks, this inventive and pragmatic book is full of invaluable games and exercises drawn from the author's own workshops, his experience as co-founder of both Trestle and Told by an Idiot, and his pioneering mask and clown work in many professional productions.
