Homework Helpers: Essays & Term Papers-Michelle McLean 2011-01-20 A fun, user-friendly guide that takes the confusion out of writing essays and papers for students of all ages. Unlike other books that are so full of technical jargon that they confuse more than help, Homework Helpers: Essays and Term Papers uses straightforward language and simple steps to guide students through the essay-writing process. Homework Helpers: Essays and Term Papers: • Describes in detailed “plain English” each element and step involved in writing a dozen different types of essays. • Includes a rough, edited, and final draft sample of each type of essay discussed. • Explains the necessity of proofreading and citing sources, providing tips and instruction on how to accomplish these tasks. • Presents step-by-step instructions on how to write a great SAT essay. • Discusses what students can expect when they reach college-level courses. Students of all ages can find help in writing essays for every major subject in high school or college. Neophytes will find guidance on the basics, while those further along in their educational career can adapt the detailed instructions for more in-depth assignments. Homework Improvement-Roberta Schneiderman 2005-09-01 Educational resource for teachers, parents and kids! Attention Grabbing Tools-Jane Baskwill 2012-12 It is widely accepted that when home and school work together, children’s learning improves. Although this fact is readily acknowledged, communication between school and home is still often one-sided and remains a struggle for many teachers. This book explores a wide range of tools -- take-home information and materials, parent conferences, learning nights, and digital and social media -- for teachers to use in establishing and maintaining the parent-teacher relationship, one that holds the child at the center of all education decisions. Tips for Teaching Kids with Asperger’s, Grades PK - 5-Marjorie Pike 2013-01-02 Teaching Tips for Kids with Asperger’s is the ultimate guide for implementing practical strategies to improve school success. Homework Done Right-Janet Alleman 2010-04-14 Turn homework into a meaningful learning experience that excites students! This step-by-step guide shows teachers how homework assignments can connect with the curriculum and with students’ lives. Moving beyond the current “homework debate,” this resource provides: Effective homework strategies, sample assignments, and classroom-ready tools for all grade levels and numerous subject areas Richly detailed vignettes describing how real teachers have changed their homework practices, including do’s and don’ts Insights on how to use homework to promote parent involvement Guidance on how assignments can build 21st-century skills such as inquiry, problem solving, and collaboration Where’s the Easy Button?-Carol-Ann Medina 2007-05-01 "The best resolution to most family conflict is found within the family itself, not in the courts!" WHY MEDIATION IS NOW THE PREFERRED WAY TO SEPARATION AND DIVORCE everything you need to know about 730 custody evaluations How to choose a competent lawyer How to reach an out of court settlement in family mediation And much, much more... This book is a wake up call for anyone considering separation or divorce. Generally, parents file court papers prematurely. This locks the entire family into a profit seeking institution with judges able to micromanage the lives of the entire family, including grandparents, until the children are of legal age. Family problems are rarely solved in family court. At best, and after considerable expense, family court merely provides guidelines to resolve domestic disputes. Laws cannot change how people interact. Solutions are reached when parents change their attitudes and behavior to better navigate the treacherous waters of family court to arrive at the best possible outcome for the entire family. The goal is to maintain the option of making choices for your family and not relinquish control to the family court. How to Survive and Thrive in the First Three Weeks of School-Elaine K. Mount Pleasant-Steve Poizner 2010-04-01 A Silicon Valley entrepreneur takes on the challenge of a lifetime: teaching in one of California’s toughest high schools. Entrepreneur Steve Poizner has run a billion dollar company, but the greatest challenge of his life was the year he spent teaching twelfth graders at San Jose’s Mt. Pleasant High School. On many days, like the one when a student’s boyfriend was arrested for bank robbery, his managerial and entrepreneurial skills seemed irrelevant. But on others, they helped him demonstrate how exciting it is to learn. Playing Jeopardy with the class and inviting speakers into the classroom, Poizner motivated his students by expanding their horizons far beyond their high school’s walls. Poizner writes, "Often I came to ask myself one question: What exactly are you doing here? As it turns out, I was receiving one hell of an education." Mt Pleasant is ultimately a success story, as Poizner wins Rookie Teacher of the Year honors and, more important, ensures that all his students graduate.
