Hunted (Warrior Chronicles #2)-K. F. Breene 2015-05-21 With a new Chosen coming forward, Shanti has lost sight of her duty. With her plans unraveling, she does the only thing she can think of-- frees her brother and a mysterious stranger from a Graygual camp before heading back to beg for Cayan's aid. Unfortunately, that stranger was precious to the enemy, guarded by one of the elite. A Superior Officer known as the Hunter, this man always catches his prey, and his focus is now on the elusive, violet-eyed girl and the man she ripped from the his hands. With danger mounting, and one of the best constantly on her heels, Shanti will learn that running will never be enough.

Hunted (LeKrista Scott, Vampire Hunted #2)-Tyffani Clark Kemp LeKrista Scott survived three separate vampire attacks, almost drowned, and turned down her boyfriend's proposal. What else could possibly go wrong? Apparently, if it's not one thing, it's another. Lizette, a brand new vampire with a grudge, blames LeKrista for being turned into a monster. In retaliation, she decides to go straight for the throat, so to speak, and attack LK's ailing mother at her rest home. LeKrista enlists the help of her "vampire liason" Roman, but it could never be that easy. Not for her. A daywalker, a born vampire who can walk in the sun, has been hired by the head of the Vampire Council to collect LeKrista and the debt she owes him. As payment, her great great aunt is taken. Once again, the Mages refuse to help, so what is a girl to do, but rescue her family herself? With her back against the wall, LeKrista will rise up stronger and teach the preternatural world to fear the Vampire Hunted.

Werewolf Academy Book 2: Hunted-Cheree Alsop 2014-08-13 The threat towards Alex and Cassie has intensified. Alex may no longer be safe at the Academy. Drogan will stop at nothing to find him, and the deadly force the Extremist is prepared to use threatens anyone Alex is with. Can Alex find the reason for the attacks and stop Drogan before everyone the werewolf cares about is in danger? Alex has to find the source of the questions that have put both his heart and his life on the line, but the answers might be more than he is prepared to accept.

Spirit Animals 2: Hunted-Maggie Stiefvater 2014-01-09 Four children separated by vast distances all undergo the same ritual, watched by cloaked strangers. Four flashes of light erupt, and from them emerge the unmistakable shapes of incredible beasts - a wolf, a leopard, a panda, a falcon. Suddenly the paths of these children - and the world - have been changed for ever.

Spirit Animals: Book 2: Hunted-Maggie Stiefvater 2014-01-07 The adventure continues in this second book in the New York Times bestselling series. In the world of Erdas, only a rare few are able to summon a spirit animal in the way Conor, Abeke, Meilin, and Rollan have. The bond they share with their animals is a partnership that allows them to access more-than-human abilities. But what if there was another way to create a spirit animal--to force the bond, giving the human partner total control? And what if someone with selfish intensions was offered this gift . . . with a catch? The four young heroes have barely had time to come together as a team, and their own spirit animal bonds are still greatly untested. But now they face a brutal confrontation against an enemy who will break any rule to defeat them.

The Practical Sanskrit-English Dictionary-Vaman Shivaram Apte 1998 This Dictionary has been undertaken to supply a want long felt by the student, f a complete and at the same time cheap Sanskrit-English Dictionary. Very little need, I think, be said with regard to the necessity of bringing out a work like this, when the study of Sanskrit has received such a strong impetus during the last twenty five years. There have been four or five Sanskrit-English Dictionaries published till now; but very few of them fulfil the two essential conditions of the popularity and usefulness of such works: satisfying all the requirements of students and at the same time being within their easy reach. The Dictionaries of Professors Wilson and Monier Williams are very useful and valuable works, but their prices-particularly of the latter-are prohibitively high, and they do not also meet many of the most ordinary wants of Sanskrit readers. A student, while reading Sanskrit at School or College, generally expects that the Dictionary which he uses will give will give appropriate equivalents for such words and compound expressions as may have peculiar meanings or shades of meaning in particular passages.

Hunted-Maggie Stiefvater 2014 Four children have discovered that they have spirit animals, a rare bond between human and animal that has launched them on a quest to save their world. The team heads to the forests of Eura, where another Great Beast is hidden.

Run With the Hunted 2: Ctrl Alt Delete-Jennifer R. Donohue 2019-10-29 In the fast-paced, tech-heavy future, even hackers need to take a break. Bits isn't working right now, and instead spends her days in VR, making necessary additions to the immersion's neglected night sky. When Dolly shows up with a problem that needs solving, Bits can't just boot her. Especially not when she finds out Bristol's been arrested and they have a narrow window of opportunity to bust her out. There's something wrong, more than jail, more than the effects of all that time in VR, but she can't remember. She and Dolly have to hit the road first and figure out the details later, because if they lose track of Bristol now, they might never get a second chance.

Chosen (Warrior Chronicles #1)-K. F. Breene 2014-07-15 It is said that when war threatens the world, one individual will be selected by prophecy to lead the Shadow Warriors out of the Land of Mist and reclaim the freedom which has been stolen. --~Shanti has grown up under the constant threat of war. Since she helped her people defeat a raiding party by using a special power, she's been a hunted woman. Carrying rare abilities and an uncanny fighting aptitude, Shanti is the only hope of salvation for her people. The problem is, she doesn't believe in her own divinity, and when she flounders, she nearly fails in the duty hanging so heavy on her shoulders.It seems like any other day when Sanders and his band of misfit boys find a foreign woman clinging to life in the wastelands. Oblivious to the weapon they now have in their possession, they are content to harbor the mysterious woman until she is well enough to continue her journey. But when the war spreads its arms and lands on her borrowed doorstep, Shanti has no choice but to reveal her secrets, plunging her saviors into danger. If they band with her, they will face certain death. But to trade her to Xandre, the warlord desperate to add her to his war machine, would be to give up their entire way of life.

Hunted by the Alien Prince-A.M. Griffin 2019-06-25 The Hunter. Prince Themba bu Kumkani has spent his whole life putting family and kingdom above his own wants and needs. With his impending bonding ceremony on the horizon, he's gifted a coveted spot in The Hunt. His catch and release strategy is forgotten once he lays eyes on the human female. Their hide and seek game is fuel to the fire raging out of control for her. He's staked his claim on a mate he cannot have, but can't live without. Now Themba has to choose between love or family. One choice will bring happiness while the other will cost him his homeworld and title. The Prey. With an ex who didn't want to be an ex, and an impending divorce hanging over her head, Payton Cole already thought her life had gone to hell in a handbasket. Then she woke up in an alien survival of the fittest game. Her top priority is to keep herself and her dog alive until the end. Winning The Hunt means gaining her freedom, but returning to Earth isn't a high priority. She doesn't know where she'll go or what she'll do, but one thing's for sure—she doesn't intend to be anyone's property.

The Definitive Journals of Lewis and Clark-Meriwether Lewis 2004-01-01 In twelve remarkable volumes, Gary E. Moulton has edited the journals of the Lewis and Clark expedition of 1804?6, thus making clear and accessible to all readers the plethora of maps and words with which Meriwether Lewis and William Clark documented one of the greatest ventures of discovery in American history. With the Comprehensive Index, the thirteenth volume, Moulton completes his work?and offers everyone who consults the Journals a complete and detailed means of locating specific passages, references, and particular people or places within the larger work. Throughout the edition, his guiding principles have been clarity and ease of use. Consequently, the notes are indexed more thoroughly here than in most works and include modern place-names, modern denominations for Indian nations, and current popular and scientific names for various cited species. This volume also contains a list of corrections for earlier volumes.

The Hunters Or the Hunted?-C. K. Brain 1983-08 "Amongst scientists involved [in taphonomy], C. K. Brain stands out as the pioneer; this impressive book is a statement of his investigations. . . . The Hunters or the Hunted? is a very important book for paleoanthropology. It presents the first thorough analysis of the Sterkfontein Valley assemblages, contributes significantly to the resolution of lingering controversies and, by placing the old information in a fresh perspective, enables new and more sophisticated questions to be asked not only of the South African material but of similar assemblages elsewhere. Another contribution is that it reinforces the recent change in feelings as to what constitutes data, for the value of looking at fossil and contemporary bones as closely as this is clear. Brain urges the necessity of recovering fossils with a high regard for subtle detail. I hope excavators of any vertebrate fossil site will be persuaded to follow his advice and pay more attention to these features of bone accumulations that have been previously neglected; for taphonomy can be a powerful tool in elucidating the problems of fossil assemblages, especially when handled with the care and caution that Brain brings to the subject."—Andrew Hill, Nature
