Il tesoro di Risolina-Alberto Pellai 2014 Per uno strano incantesimo, Risolina nasce con capelli fatti di seta e chicchi di riso. Per questa sua diversità viene spesso derisa ed emarginata dai compagni di scuola. Decide quindi di indossare la "maschera della finta felicità", sia a casa che a scuola, e vive una vita non sua. Ma un evento imprevisto le farà capire che ciò che ci rende diversi è in realtà ciò che ci rende unici e speciali.

Edoardo e Rosolina o le conseguenze del 1861-Giuseppe Buttà 2011-02-15 Edoardo Desmet è il giovane rampollo di una nobile famiglia franco-italiana. Nel 1866 intraprende l'agognato viaggio in Italia, felice di poter finalmente vedere il Belpaese unito e redento sotto lo stemma dei Savoia. Scoprirà presto che la realtà è ben diversa da come l'immaginava... Con Edoardo e Rosolina, pubblicato nel 1880, Giuseppe Buttà chiude il cerchio della sua opera, attraverso un originale misto di narrativa e pamphlet che costituisce un seguito ideale del Viaggio da Boccadifalco a Gaeta. Il brigantaggio, l'Aspromonte, la breccia di Porta Pia: nessuno dei principali avvenimenti della storia d'Italia dal 1861 al 1870 sfugge al sarcasmo di una delle voci più polemiche dell'antirisorsimento.

Le Valli del Delta del Po-Emiliano Verza 2014-09-23 Per la prima volta in un libro ogni aspetto che riguarda le valli del Delta del Po: dalla vegetazione alla fauna, dagli aspetti economici e sociali fino a quelli storici e morfologici. Un libro documentatissimo che piacerà molto a chi già ama le "Terre d'acqua", i paesaggi nebbiosi, i voli degli aironi, le fughe delle folaghe, i salti fuor d'acqua dei cefali.

The House by the Medlar Tree-Giovanni Verga 2015-04-13 Three generations of fishermen conduct an epic struggle against nature, fate, and society in this moving tale by acclaimed realist writer Giovanni Verga. Written in 1881 and set in the Sicilian village of Aci Trezza during the 1860s, the novel recounts an impoverished family's attempts to pay off a crushing debt, to reclaim their lost boat and ancestral home, and to reunite their scattered clan. This groundbreaking work of fiction offers a revealing look at the social and political climate in post-revolutionary Italy. Verga combines lyrical prose and inspiring social commentary to chronicle the poverty suffered by provincial Sicilian communities after Garibaldi's conquest. Rich in character and starkly honest, The House by the Medlar Tree offers a life-affirming story of misfortunes endured with humor and courage.

My Brother Simple-Marie-Aude Murail 2012 Girls, boys, love, lust, and a brother called Simple. The alternative coming-of-age story which has been critically acclaimed across Europe will now hit British shores

The Opposite of Worry-Lawrence J. Cohen 2013-09-10 "The most helpful book on childhood anxiety I have ever read."—Michael Thompson, Ph.D. Whether it's the monster in the closet or the fear that arises from new social situations, school, or sports, anxiety can be especially challenging and maddening for children. And since anxiety has a mind of its own, logic and reassurance often fail, leaving parents increasingly frustrated about how to help. Now Lawrence J. Cohen, Ph.D., the author of Playful Parenting, provides a special set of tools to handle childhood anxiety. Offering simple, effective strategies that build connection through fun, play, and empathy, Dr. Cohen helps parents • start from a place of warmth, compassion, and understanding • teach children the basics of the body's "security system": alert, alarm, assessment, and all clear. • promote tolerance of uncertainty and discomfort by finding the balance between outright avoidance and "white-knuckling" through a fear • find lighthearted ways to release tension in the moment, labeling stressful emotions on a child-friendly scale • tackle their own anxieties so they can stay calm when a child is distressed • bring children out of their anxious thoughts and into their bodies by using relaxation, breathing, writing, drawing, and playful roughhousing With this insightful resource of easy-to-implement solutions and strategies, you and your child can experience the opposite of worry, anxiety, and fear and embrace connection, trust, and joy. Praise for The Opposite of Worry "The Opposite of Worry is an informative resource for parents and other family members. The book is easy to read, comprehensive and notable for its many practical suggestions."—New England Psychologist "Good advice for parents making daily calls to the pediatrician . . . Anxiety is a full-body sport, and Cohen's main advice is not to treat it with words but with actions. . . . Physicality is about living in the present, and for anxious people, the present is a powerful place of healing. Intended for parents of children ages 3 to 15, this book offers anecdotes and fun anti-anxiety games."—Publishers Weekly "Here's the help parents of anxious children have been looking for! Dr. Cohen's genius is in the warm and generous spirit of the strategies he outlines for parents. He grounds his playful approach in a sound explanation of how anxiety affects children, and how they heal. Parents will come away with plenty of ideas to help them develop their children's confidence. While reading, I found myself thinking, 'I'd like to try that for myself!'"—Patty Wipfler, founder and program director, Hand in Hand Parenting "If you want to understand your child's anxiety—and your own parental worries—you must read Larry Cohen's brilliant book, The Opposite of Worry. Dr. Cohen is one of the most imaginative and thoughtful psychologists you will ever encounter. He explains how and why children become anxious and then shows how we can use empathy and play to help them escape from the terrifying dark corners of childhood."—Michael Thompson, Ph.D. "The Opposite of Worry offers a treasure trove of ideas to help children feel confident and secure. Lawrence Cohen has written a book that will help every parent of an anxious child."—Aletha Solter, Ph.D., founder, Aware Parenting, and author of Attachment Play

Repertorio generale della Giurisprudenza italiana- 1986
