Inside Scientology-Janet Reitman 2011-07-05 "A masterful piece of reporting . . . Reitman tells a spellbinding story of a larger-than-life personality whose quirks, ticks and charisma shaped America's newest homegrown religious movement." — Washington Post Scientology is known for its celebrity believers and its team of "volunteer ministers" at disaster sites such as the World Trade Center; its notably aggressive response to criticism or its attacks on psychiatry; its requirement that believers pay as much as hundreds of thousands of dollars to reach the highest levels of salvation. But for all its notoriety, Scientology has remained America's least understood new religion, even as it has been one of its most successful. Now Janet Reitman tells its riveting full story in the first objective modern history of Scientology, at last revealing the astonishing truth about life within the controversial religion for its members and ex-members. Based on five years of research, confidential documents, and extensive interviews with current and former Scientologists, this is an utterly compelling work of nonfiction and the defining work on an elusive faith. "A meticulously researched history and revealing exposé, a frightening portrait of a religion that many find not just controversial, but dangerous." — Boston Globe "This book is fearless." — Wall Street Journal A New York Times Notable Book Amazon.com Best Books of 2011, Nonfiction San Francisco Chronicle Top Ten of 2011

Beyond Belief-Jenna Miscavige Hill 2013-02-05 Jenna Miscavige Hill, niece of Church of Scientology leader David Miscavige, was raised as a Scientologist but left the controversial religion in 2005. In Beyond Belief, she shares her true story of life inside the upper ranks of the sect, details her experiences as a member Sea Org—the church's highest ministry, speaks of her "disconnection" from family outside of the organization, and tells the story of her ultimate escape. In this tell-all memoir, complete with family photographs from her time in the Church, Jenna Miscavige Hill, a prominent critic of Scientology who now helps others leave the organization, offers an insider's profile of the beliefs, rituals, and secrets of the religion that has captured the fascination of millions, including some of Hollywood's brightest stars such as Tom Cruise and John Travolta.

Going Clear-Lawrence Wright 2013-01-17 National Book Award Finalist A clear-sighted revelation, a deep penetration into the world of Scientology by the Pulitzer Prize-winning author of The Looming Tower, the now-classic study of al-Qaeda's 9/11 attack. Based on more than two hundred personal interviews with current and former Scientologists—both famous and less well known—and years of archival research, Lawrence Wright uses his extraordinary investigative ability to uncover for us the inner workings of the Church of Scientology. At the book's center, two men whom Wright brings vividly to life, showing how they have made Scientology what it is today: The darkly brilliant science-fiction writer L. Ron Hubbard, whose restless, expansive mind invented a new religion. And his successor, David Miscavige—tough and driven, with the unenviable task of preserving the church after the death of Hubbard. We learn about Scientology's complicated cosmology and special language. We see the ways in which the church pursues celebrities, such as Tom Cruise and John Travolta, and how such

stars are used to advance the church's goals. And we meet the young idealists who have joined the Sea Org, the church's clergy, signing up with a billion-year contract. In *Going Clear*, Wright examines what fundamentally makes a religion a religion, and whether Scientology is, in fact, deserving of this constitutional protection. Employing all his exceptional journalistic skills of observation, understanding, and shaping a story into a compelling narrative, Lawrence Wright has given us an evenhanded yet keenly incisive book that reveals the very essence of what makes Scientology the institution it is.

Blown for Good-Marc Headley 2010-03-31

Inside Scientology-Robert Kaufman 1972

Render Unto Rome-Jason Berry 2012-06 A cautionary investigative exposé into some of the controversial ways the Catholic Church uses its considerable wealth traces the journey of money collected by some of the U.S.'s poorest parishes, revealing the considerable measures taken to conceal Vatican resource allocation. 50,000 first printing.

Troublemaker-Leah Remini 2015-11-03 #1 NEW YORK TIMES BESTSELLER • An eye-opening, no-holds-barred memoir about life in the Church of Scientology, now with a new afterword by the author—the outspoken actress and star of the A&E docuseries *Leah Remini: Scientology and the Aftermath* Leah Remini has never been the type to hold her tongue. That willingness to speak her mind, stand her ground, and rattle the occasional cage has enabled this tough-talking girl from Brooklyn to forge an enduring and successful career in Hollywood. But being a troublemaker has come at a cost. That was never more evident than in 2013, when Remini loudly and publicly broke with the Church of Scientology. Now, in this frank, funny, poignant memoir, the former King of Queens star opens up about that experience for the first time, revealing the in-depth details of her painful split with the church and its controversial practices. Indoctrinated into the church as a child while living with her mother and sister in New York, Remini eventually moved to Los Angeles, where her dreams of becoming an actress and advancing Scientology's causes grew increasingly intertwined. As an adult, she found the success she'd worked so hard for, and with it a prominent place in the hierarchy of celebrity Scientologists alongside people such as Tom Cruise, Scientology's most high-profile adherent. Remini spent time directly with Cruise and was included among the guests at his 2006 wedding to Katie Holmes. But when she began to raise questions about some of the church's actions, she found herself a target. In the end, she was declared by the church to be a threat to their organization and therefore a "Suppressive Person," and as a result, all of her fellow parishioners—including members of her own family—were told to disconnect from her. Forever. Bold, brash, and bravely confessional, *Troublemaker* chronicles Leah Remini's remarkable journey toward emotional and spiritual freedom, both for herself and for her family. This is a memoir designed to reveal the hard-won truths of a life lived honestly—from an author unafraid of the consequences. Praise for *Troublemaker* "An aggressively honest memoir . . . *Troublemaker* is the most raw and revealing Scientology memoir to date."—*Entertainment Weekly* "Leah's story is a juicy, inside-Hollywood read, but it's more than that. It's a moving story about the value of questioning authority and how one woman survived a profound crisis of faith."—*People* "Remini [offers] up some juicy tidbits from her decades in the church."—*Newsweek*

The Church of Fear-John Sweeney 2013-01 Tom Cruise and John Travolta say the Church of Scientology is a force for good. Others disagree. Award-winning journalist John Sweeney investigated the Church for more than half a decade. During that time he was intimidated, spied on and followed and the results were spectacular: Sweeney lost his temper with the Church's spokesman on camera and his infamous 'exploding tomato' clip was seen by millions around the world. In *THE CHURCH OF FEAR* Sweeney tells the full story of his experiences for the first time and paints a devastating picture of this strange organisation, from former Scientologists who tell heartbreaking stories of families torn apart and lives ruined to its current followers who say it is the solution to many of mankind's problems. This is the real story of the Church by the reporter who was brave enough to take it on.

Ruthless-Ron Miscavige 2016-05-03 *Now a #1 New York Times bestseller* "Compulsively readable..." —*LA Weekly* "Excoriating memoir" —*Publisher's Weekly* "A sad and painful but bravely told story." —*Kirkus Reviews* The only book to examine the origins of Scientology's current leader, *RUTHLESS* tells the revealing story of David Miscavige's childhood and his path to the head seat of the Church of Scientology told through the eyes of his father. Ron Miscavige's personal, heartfelt story is a riveting insider's look at life within the world of Scientology. Not for sale outside the U.S.

Fair Game-Steve Cannane 2016-10-01 As astonishing as it is compelling -- Steve Cannane's extraordinary insight into Scientology in Australia is investigative journalism at its very best. From Rugby League players trying to improve their game, to Hollywood superstars and the depressed sons of media moguls,

Scientology has recruited its share of famous Australians. Less known is that Australia was the first place to ban Scientology, or that Scientology spies helped expose the Chelmsford Deep Sleep Scandal. Numerous Australians have held senior posts in the organisation only to fall foul of the top brass and lose their families as a result. Based on years of interviews and research, Walkley Award-winning journalist Steve Cannane tells for the first time the fascinating story of Australia's vital involvement with this powerful, secretive and punitive cult.

Bare-Faced Messiah-Russell Miller 2016-01-07 Bare-Faced Messiah tells the extraordinary story of L. Ron Hubbard, a penniless science-fiction writer who founded the Church of Scientology, became a millionaire prophet and convinced his adoring followers that he alone could save the world. According to his 'official' biography, Hubbard was an explorer, engineer, scientist, war hero and philosopher. But in the words of a Californian judge, he was schizophrenic, paranoid and a pathological liar. What is not in dispute is that Hubbard was one of the most bizarre characters of the twentieth century. Bare-Faced Messiah exposes the myths surrounding the fascinating and mysterious founder of the Church of Scientology - a man of hypnotic charm and limitless imagination - and provides the definitive account of how the notorious organisation was created.

The Church of Scientology-Hugh B. Urban 2011-08-22 Hugh Urban tells the real story of Scientology from its cold war-era beginnings in the 1950s to its prominence today as the religion of Hollywood's celebrity elite. Urban paints a vivid portrait of Hubbard, the enigmatic founder who once commanded his own private fleet and an intelligence apparatus rivaling that of the U.S. government. One FBI agent described him as "a mental case," but to his followers he is the man who "solved the riddle of the human mind." Urban details Scientology's decades-long war with the IRS, which ended with the church winning tax-exempt status as a religion; the rancorous cult wars of the 1970s and 1980s; as well as the latest challenges confronting Scientology, from attacks by the Internet group Anonymous to the church's efforts to suppress the online dissemination of its esoteric teachings.

Scientology-Chris Shelton 2015-12-24 What is Scientology really? Behind the glossy logos and sleek advertisements and South Park parodies, what do Scientologists really believe and practice? Is it really a religion? Who was L. Ron Hubbard and why did he start it in the first place? Is their "technology" for real or just so much New Age pseudoscience? Former insider Chris Shelton grew up in Scientology and worked for it for 25 years. This critical analysis covers the key aspects of its beliefs, practices and structure from the bottom to the top, including not just the confidential Xenu story but details all of the upper level scriptures. Chris goes into detail about what goes on inside Scientology churches, why their members get involved in the first place and what it takes to get out should someone decide to leave. An informative guide for anyone who has been involved with Scientology in the past as well as anyone who wants to understand what it's really all about.

Flunk. Start-Sands Hall 2019-11-19 "With its keen attention to the language and tactics of the church, Hall's memoir is unique among the assortment of Scientology reports and exposés, offering insight into the certainties that its subjects gain." --The Nation In the secluded canyons of Hollywood, Sands Hall--a young woman from a literary family striving to forge her own way as an artist--finds herself increasingly drawn toward the certainty that Scientology appears to offer. Her time in the Church, the 1980s, includes the secretive illness and death of its founder, L. Ron Hubbard, and the ascension of David Miscavige. In Reclaiming My Decade Lost in Scientology, Hall compellingly reveals what drew her into the religion--what she found intriguing and useful--and how she came to confront its darker sides and escape. "Some of the most penetrating, illuminating prose about how an educated and skeptical person could get so deeply into, and then struggle to escape, what everyone around her warned was a dangerous cult . . . brilliant." --The Underground Bunker "If it is Scientology's offer of a life with meaning that hauls her in . . . it is its approach to meaning that keeps her . . . Hall's fascination with this is palpable." --Camille Ralphs, The Times Literary Supplement

Scoreboard, Baby-Ken Armstrong 2010-09-01 Go behind the scenes of the 2000 Huskies' Cinderella story to discover a timeless morality tale about the price of obsession, the creep of fanaticism, and the ways in which a community can lose even when its team wins.

The Road to Xenu: Life Inside Scientology-Margery Wakefield 2009-12-16 Scientology

The Mind Benders-Cyril Vosper 1971

The Demon-Haunted World-Carl Sagan 2011-07-06 A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace "A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear

thought.”—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don’t understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today’s so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* “Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing.”—The Washington Post Book World “Compelling.”—USA Today “A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity.”—The Sciences “Passionate.”—San Francisco Examiner-Chronicle

Scientology, a History of Man-La Fayette Ron Hubbard 2007 This book claims to unravel history with an "E-Meter", describing what the author believes are the principal "incidents on the whole track to be found in any human being". These incidents include electronic implants, entities, the genetic track, between-lives incidents, the relationship of the Genetic Entity to Theta Beings, and so on. Also presented are Hubbard's theory of how bodies evolved and why human's got trapped in them as well as his descriptions of how specific incidents reveal "the true story of between-lives" and "the insidious nature of electronics in enslaving thetans".

Battlefield Scientology-Paulette Cooper 2018-10-02 This book was written for people who (think they) know just about everything there is to know about Scientology, to those who know nothing; the stories range from early Hubbard to what is happening today. The chapters were chosen to appeal not only to former Scientologists, but also never-Scientologists, as well as to people who never bought a single book of theirs to those who spent most of their lives [and some believe, even their past lives] in it.

A Piece of Blue Sky-Jon Atack 1990 A former Church of Scientology member describes his experience in that organization, outlining the mind-control and dollar-extraction methods it employs on its members and offering a revealing look at the life of Scientology creator L. Ron Hubbard

The Psychopath Test-Jon Ronson 2011-05-12 In this madcap journey, a bestselling journalist investigates psychopaths and the industry of doctors, scientists, and everyone else who studies them. The Psychopath Test is a fascinating journey through the minds of madness. Jon Ronson's exploration of a potential hoax being played on the world's top neurologists takes him, unexpectedly, into the heart of the madness industry. An influential psychologist who is convinced that many important CEOs and politicians are, in fact, psychopaths teaches Ronson how to spot these high-flying individuals by looking out for little telltale verbal and nonverbal clues. And so Ronson, armed with his new psychopath-spotting abilities, enters the corridors of power. He spends time with a death-squad leader institutionalized for mortgage fraud in Cocksackie, New York; a legendary CEO whose psychopathy has been speculated about in the press; and a patient in an asylum for the criminally insane who insists he's sane and certainly not a psychopath. Ronson not only solves the mystery of the hoax but also discovers, disturbingly, that sometimes the personalities at the helm of the madness industry are, with their drives and obsessions, as mad in their own way as those they study. And that relatively ordinary people are, more and more, defined by their maddest edges.

L. Ron Hubbard-Bent Corydon 1996 An in-depth biography that tells the no holds barred story of Hubbard the scam artist and his Church of Scientology.

Dianetics: The Evolution of a Science-La Fayette Ron Hubbard 1950 SYNOPSIS This is the story of how L. Ron Hubbard discovered the reactive mind and developed the procedures to get rid of it. Originally written for a national magazine—published to coincide with the release of Dianetics... FULL DESCRIPTION Originally written and published in national magazines to coincide with the release of Dianetics: The Modern Science of Mental Health, here is L. Ron Hubbard’s own story of his developmental trail and two-decade journey to the discovery of the Reactive Mind. Evolution of a Science contains the only account of: How the optimum computing machine—the mind—works How Mr. Hubbard discovered Basic Personality How the Dynamic Principle of Existence—SURVIVE!—was first isolated How wrong answers enter into the mind and are held down, giving further wrong answers How there seem to be “Demons” of the mind How the engram was discovered How Dianetics techniques were developed That’s why Evolution of a Science is the story of the greatest

adventure of all—the exploration that discovered the Reactive Mind and the technology to conquer it. He wrote it so you would know.

The Mirage Factory-Gary Krist 2019-05-14 From bestselling author Gary Krist, the story of the metropolis that never should have been and the visionaries who dreamed it into reality Little more than a century ago, the southern coast of California--bone-dry, harbor-less, isolated by deserts and mountain ranges--seemed destined to remain scrappy farmland. Then, as if overnight, one of the world's iconic cities emerged. At the heart of Los Angeles' meteoric rise were three flawed visionaries: William Mulholland, an immigrant ditch-digger turned self-taught engineer, designed the massive aqueduct that would make urban life here possible. D.W. Griffith, who transformed the motion picture from a vaudeville-house novelty into a cornerstone of American culture, gave L.A. its signature industry. And Aimee Semple McPherson, a charismatic evangelist who founded a religion, cemented the city's identity as a center for spiritual exploration. All were masters of their craft, but also illusionists, of a kind. The images they conjured up--of a blossoming city in the desert, of a factory of celluloid dreamworks, of a community of seekers finding personal salvation under the California sun--were like mirages liable to evaporate on closer inspection. All three would pay a steep price to realize these dreams, in a crescendo of hubris, scandal, and catastrophic failure of design that threatened to topple each of their personal empires. Yet when the dust settled, the mirage that was LA remained. Spanning the years from 1900 to 1930, The Mirage Factory is the enthralling tale of an improbable city and the people who willed it into existence by pushing the limits of human engineering and imagination.

What is Scientology?-La Fayette Ron Hubbard 1998 It's in the news. It's talked about on radio and TV. It's growing at an incredible rate. And it's got the answers. What Is Scientology? Find out in the book: * How Scientology helps people in the here and now. * What the State of Clear is and what it means to you. * What Total Freedom means and how Scientologists achieve it. * Why Scientologists believe they have lived before. * What the E-Meter is and how it works. * Who L. Ron Hubbard is and why Scientologists consider him their best friend. * Why Scientology is not only a religion, but a religion for people of all religions. * What kind of people are Scientologists? * How Scientology began. * What Scientology auditing is and the miracles it achieves. * Who has been attacking Scientology and exactly why.

The Problems of Work-L Ron Hubbard 2007-03-10 Productivity, efficiency, time management and security in the workplace are some of the subjects are covered in this book. As L. Ron Hubbard describes in this book, life is composed of seven-tenths work, one-tenth familial, one-tenth political and one-tenth relaxation. Here, then, is Scientology applied to that seven-tenths of existence including the answers to Exhaustion and the Secret of Efficiency. Here, too, is the analysis of life itself a game composed of exact rules. Know them and you succeed. The Problems of Work contains technology no one can live without, and that can immediately be applied by anyone in the workaday world.

Christ in Egypt-D. M. Murdock 2008-12 This comparative religion book contains a startling perspective of the extraordinary history of the Egyptian religion and its profound influence upon the later Christian faith. The text demonstrates that the popular god Horus and Jesus possessed many characteristics and attributes in common.

The Family-Jeff Sharlet 2009-10-13 They insist they are just a group of friends, yet they funnel millions of dollars through tax-free corporations. They claim to disdain politics, but congressmen of both parties describe them as the most influential religious organization in Washington. They say they are not Christians, but simply believers. Behind the scenes at every National Prayer Breakfast since 1953 has been the Family, an elite network dedicated to a religion of power for the powerful. Their goal is "Jesus plus nothing." Their method is backroom diplomacy. The Family is the startling story of how their faith—part free-market fundamentalism, part imperial ambition—has come to be interwoven with the affairs of nations around the world.

Lost Connections-Johann Hari 2020-11-12 THE INTERNATIONAL BESTSELLER 'A book that could actually make us happy' SIMON AMSTELL 'This amazing book will change your life' ELTON JOHN 'One of the most important texts of recent years' BRITISH JOURNAL OF GENERAL PRACTICE 'Brilliant, stimulating, radical' MATT HAIG 'The more people read this book, the better off the world will be' NAOMI KLEIN 'Wonderful' HILLARY CLINTON 'Eye-opening' GUARDIAN 'Brilliant for anyone wanting a better understanding of mental health' ZOE BALL 'A game-changer' DAVINA MCCALL 'Extraordinary' DR MAX PEMBERTON 'Beautiful' RUSSELL BRAND Depression and anxiety are now at epidemic levels. Why? Across the world, scientists have uncovered evidence for nine different causes. Some are in our biology, but most are in the way we are living today. Lost Connections offers a radical new way of thinking about this crisis. It shows that once we understand the real causes, we can begin to turn to pioneering new solutions - ones that offer real hope.

Escaping Scientology-Karen Schless Pressley 2007-02 Escaping Scientology is a candid and chilling true story of a woman who breaks free of Scientology's grip and gains a whole new life once she meets the Living God. Once a member in the higher levels of the Church of Scientology, author Karen Pressley tell The Unseen-Roy Jacobsen 2020-04-07 Shortlisted for the 2017 International Man Booker Prize Shortlisted for the 2018 International Dublin Literary Award Islanders are never afraid, if they were, they wouldn't be able to live here. Born on the Norwegian island that bears her name, Ingrid Barrøy's world is circumscribed by storm-scoured rocks and the moods of the sea by which her family lives and dies. But her father dreams of building a quay that will end their isolation, and her mother longs for the island of her youth, and the country faces its own sea change: the advent of a modern world, and all its attendant unpredictability and violence. Brilliantly translated into English by Don Bartlett and Don Shaw, The Unseen is a profoundly moving exploration of family, resilience, and fate.

Black in the Middle-Terrion Williamson 2020-09 Essays about the Black experience in Middle America

What is Wrong with Scientology?-Mark Rathbun 2012 The first critical treatment of Scientology that seeks to identify and correct what is wrong with it rather than to merely expose or advocate against the subject. A handbook for former, current and prospective members. The book can help to heal any damage done by misuse while rehabilitating any positives derived from Scientology. The book also serves to proof up an individual against being harmed by misapplication of Scientology in the future. As the first simple, accurate description of the philosophy from its introductory to its most advanced levels, the book will inform those interested in Scientology as no other available work has.

Dianetics-La Fayette Ron Hubbard 1992

Lovecraft Country-Matt Ruff 2016-02-16 Now an HBO® Series from J.J. Abrams (Executive Producer of Westworld), Misha Green (Creator of Underground) and Jordan Peele (Director of Get Out) The critically acclaimed cult novelist makes visceral the terrors of life in Jim Crow America and its lingering effects in this brilliant and wondrous work of the imagination that melds historical fiction, pulp noir, and Lovecraftian horror and fantasy. Chicago, 1954. When his father Montrose goes missing, 22-year-old Army veteran Atticus Turner embarks on a road trip to New England to find him, accompanied by his Uncle George—publisher of The Safe Negro Travel Guide—and his childhood friend Letitia. On their journey to the manor of Mr. Braithwhite—heir to the estate that owned one of Atticus's ancestors—they encounter both mundane terrors of white America and malevolent spirits that seem straight out of the weird tales George devours. At the manor, Atticus discovers his father in chains, held prisoner by a secret cabal named the Order of the Ancient Dawn—led by Samuel Braithwhite and his son Caleb—which has gathered to orchestrate a ritual that shockingly centers on Atticus. And his one hope of salvation may be the seed of his—and the whole Turner clan's—destruction. A chimerical blend of magic, power, hope, and freedom that stretches across time, touching diverse members of two black families, Lovecraft Country is a devastating kaleidoscopic portrait of racism—the terrifying specter that continues to haunt us today.

Scientology-Amy Scobee 2010-01-01 Amy Scobee tells the eye-opening account of her 27 years inside the Church from innocence at age 14 to her nightmarish experiences in the highest management body at Scientology's secret International Headquarters. Hear of the abuses she both witnessed and experienced first hand.

The Unbreakable Miss Lovely-Tony Ortega 2015-05-01 In 1971 Paulette Cooper wrote a scathing book about the Church of Scientology. Desperate to shut the book down, Scientology unleashed on her one of the most sinister personal campaigns the free world has ever known. The onslaught, which lasted years, ruined her life, and drove her to the brink of suicide. The story of Paulette's terrifying ordeal is told in full for the first time in The Unbreakable Miss Lovely, published by Silvertail Books. It reveals the shocking details of the darkest chapter in Scientology's checkered history, which ended with senior members in prison, and the organization's reputation permanently damaged. 'A brilliant exposition of how a child who escaped the Nazis grew up to be hunted by the Church of Scientology' - John Sweeney 'A page-turner packed with barely believable facts. The details are worthy of John le Carre' - Jon Atack

Buckskin Brigades-L. Ron Hubbard 2005-05-15 In a land of legends and mighty warriors, one fatal gunshot changes the course of a nation. Torn between two races, a white man raised by Blackfeet Indians is propelled across the vast, unexplored Northwest wilderness of the early 1800s in this historically accurate adventure of a desperate mission to defend his adopted people from invasion by ruthless white fur traders.

Perfectly Clear-Michelle LeClair 2018-09-11 The revelatory memoir by former "poster girl for Scientology" Michelle LeClair about her defection from the Church, her newly accepted sexual identity, and the lengths to which Scientology went to silence it. For years, Michelle LeClair, former President of Scientology's international humanitarian organization, tried to reconcile her sexual orientation with the anti-gay ideology of the church. Michelle finally ends her horrific marriage, finds the love of her life, a woman, and ultimately leaves the Church. But the split comes at a terrible price. Her once pristine reputation is publicly dragged through the mud, the police raid her home, her ex-husband tries to gain full custody of their children, and the multi-million dollar business she built from scratch is utterly destroyed. In this tell-all memoir, Michelle offers an insider's perspective on Scientology's pervasive influence, secret rituals, and ruthless practices for keeping members in line. It's a story of self-acceptance, of finding the strength and courage to stand up for your emotional freedom, and of love prevailing.
