Kissing Booth-River Laurent 2018-02-09 Brock When we were kids she set up a kissing booth in our schoolyard. Even then, I wanted to buy a kiss from her, but she ran away in tears. Twelve years later, I come home to find her in my bed...fast asleep. It's just like Goldilocks, but with waves of long, dark-chocolate hair. Hell, I don't even want to blink in case she disappears. I didn't pay too much attention to my fairy tales. Did any of those bears get to the kiss the girl? Whatever, I'm not buying kisses these days. I'm all grown up now. There's hot blood pumping through my veins, and I take what I want when I want it. Hmm, come to think of it, I'm not in the market for kisses, but I could do with a fake fiancée. This time there'll be no running away, Sweet Dani Sabre...I'm claiming you for my own.

Dani I know I shouldn't have taken that nap. I wake up to find a devastatingly handsome man watching me. Dark hair, ripped body and piercing blue eyes that smolder right through my soul. I thought he was going to get me fired from my cleaning agency, but instead he shocks me and asks me to be his fake fiancée in exchange for an insane amount of money. I'm not mad, so of course, I say, "Yes."

From the Author Most often those of us that record youthful memories (with much embellishment) are dreamers at heart. Josh is a little boy from the South. He is loveable and mischievous as all little boys are. These stories follow his adventures, from his point of view, as he grows from a little boy to a teenager. His rural escapades with his friends, enemies, and family are a mixture of my own as well as those of my thirty years as a classroom teacher. These memories are enriched with the blessings of an extended family, a mother with focused ideals and goals and a father with a youthful outlook on life. This has been a project that has been in progress for many years, and I am glad to finally bring you Josh's stories. Please enjoy and giggle and most of all remember, there is always a mischievous little child lurking deep within your soul.

Varsity tennis captain Ezra Faulkner was supposed to be from

homecoming king, but that was before—before his girlfriend cheated on him, before a car accident shattered his leg, and before he fell in love with unpredictable new girl Cassidy Thorpe. As Kirkus Reviews said in a starred review, "Schneider takes familiar stereotypes and infuses them with plenty of depth. Here are teens who could easily trade barbs and double entendres with the characters that fill John Green's novels." Funny, smart, and including everything from flash mobs to blanket forts to a poodle who just might be the reincarnation of Jay Gatsby, *The Beginning of Everything* is a refreshing contemporary twist on the classic coming-of-age novel—a heart-wrenching story about how difficult it is to play the part that people expect, and how new beginnings can stem from abrupt and tragic endings.
