Protection & Reversal Magick is a complete how-to manual on preventing, defending, and reversing magickal attacks of any kind. You will learn to: Set up early-warning systems. Appease angry spirits through offerings. Perform daily banishings and make amulets that will prevent most attacks. Make magickal "decoys" to absorb attacks against you. Summon guardian spirits or gods for help. Bind, confuse, or expel a persistent enemy who will not leave you be. These techniques aren't just for Wiccans, either, but for ceremonial magicians, rootdoctors, witches, and anyone else who puts magick to a practical use. Like the cunning men and women of old, now you can defend yourself and your loved ones against even the strongest attacks!

The Psychic Vampire Codex-Michelle A Belanger 2004-07-01 The Psychic Vampire Codex is the first book to examine the phenomenon and experience of modern vampirism completely from the vampire's perspective. Father Sebastiaan, a fellow vampire writes in the foreword that Michelle Belanger's system "introduced a breath of fresh air into the vampire subculture. It freed us to look at ourselves in a new light, and it also helped those outside our community to view us differently. No longer were we parasites or predators . . . we could use our inborn abilities to help people heal." Psychic vampires are people who prey on the vital, human life energies of others. They are not believed to be undead. They are mortal people whose need for energy metaphorically connects them to the life-stealing predators of vampire myth. In The Psychic Vampire Codex, Michelle Belanger, author and psychic vampire, introduces readers to the fascinating system of energy work used by vampires themselves and provides the actual codex text widely used by the vampire community for instruction in feeding and other techniques.

Belanger also examines the ethics of vampirism and offers readers methods of protection from vampires. The Psychic Vampire Codex explodes all preconceptions and myths about who and what psychic vampires really are and reveals a vital and profound spiritual tradition based on balance, rebirth, and an integral relationship with the spirit world.

Images from the Gallery of Magick: Book One-Damon Brand  
2015-01-24 This book contains 77 sigils, seals and talismans, each printed on its own page (with nothing on the back), so you can use them easily in rituals. It was designed to be used by magickal workers who are familiar with Damon Brand's first seven books, released by The Gallery of Magick. This book contains all the ritual images from Magickal Cashbook, Wealth Magick, Magickal Angels, Magickal Seduction, Adventures In Sex Magick, The Magickal Job Seeker and Words of Power. You can photocopy the images, use them directly in the book or even cut the book up and use the sigils in your magickal work. Images that contain color - such as the red central seal on the sigils from Magickal Angels - have been printed with color. The book also contains colored versions of the Magickal Cashbook sigils, to help them blend with your cashbook, along with the newly revised version of the Nitika sigil. This book is not essential for students of Damon Brand, but was requested by many readers, because they lack quality printers, or because they wanted high-quality copies of the sigils.

The Angel Overlords-Ben Woodcroft 2019-10-02 The Angel Overlords can generate an energy state within you that attracts what you want and repels what you don't want. It is a pure form of magick that works quickly and safely. You can summon energies that will affect significant situations in your life, unlock problems that appear to be frozen, and empower your ability to manifest. Whether you seek progress, healing, material growth, spiritual exploration, or problem-solving, these energy states are a powerful way to get what you want. These angels have the authority to guide many other angels and forces that relate to these energy states.

They are lords of this power and rule how it can be summoned and distributed. This is why they are known as Overlords. You work with them by using a ritual that employs a Celestial Sigil, chanted sounds, and a form of directed thought. To give just one example, you will discover Ademariel, the angel who brings The Quality of Success. This energy state will attract people and situations that enable success. It will improve your power to manifest desires while repelling obstacles, doubt, limiting beliefs, or any state that hinders your ability to succeed. There are thirty-six angels with qualities that include Harmony, Abundance, Renewal, Inspiration, Wisdom, Connection, Hope, Intuition, Perception, and Love. Instead of casting a hundred spells and performing a whole slate of rituals, you create the energy state with ease and guide your attention to the change you require. What you need then becomes real. If you are looking for a new way of working with angels, this is an experience you don't want to miss. There is nothing else to buy, no equipment required, and you can begin your magick as soon as you have read the book.

Success Magick-Damon Brand 2020-03-11 There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that

can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

In Wealth Magick, he reveals the closely guarded secrets of the super-rich. WARNING: This book uses angels and demons. The entire operation is made safe by omnipotent angels, but if the thought of working with demons makes you squeamish, look to my other books such as Words of Power and Magickal Angels, which have no demonic content. This book is designed for serious occult workers, who want to focus on wealth creation in the long term. The magick is safe, because every demon is constrained by angelic forces, but this is not a book for those who are uneasy with the occult. Magickal Servitors contains two major secrets discovered by The Gallery of Magick, which are embedded within the fabric of this process. This magick is designed to be accessible to beginners as well as experienced occultists. If you are

Servitors of influence, to stir thoughts and feelings in others. Manifestation Servitors for material rewards and real-world change. The secret process of Vision, Creation and Life that gives birth to a loyal, powerful spirit. Acclaimed author Damon Brand say, 'With the secrets of practical magick, you create your life according to your true will. There is no higher magick than the magick that brings results.' This book presents a system for creating servitors that will enable you to craft a conscious spirit that will act on your behalf, manipulating matter, time and the patterns of reality to bring the results you desire.

Mystical Words of Power-Damon Brand 2019-02-04 Imagine using magick without any aim, desire or hope, without trying to solve problems, and seeking no gain. Imagine if this magick started to bring you all the things you want, and solved your problems. What if it increased your peace, passion, understanding, and your purpose in life? That's only the beginning of what this book can do for you. Damon Brand reveals a groundbreaking form of magick. It's easy to use but works in a completely new way. This is the final book in the best-selling Words of Power series, and it takes the magick to a new level. In Part One there are seven major rituals covering Perception, Knowledge, Imagination, Love, Healing, Transformation, and The Empowered Mind. In Part Two, you can

direct the magick where you want. There are over fifty sigils to fine-tune your reality. The magick leads you to experience the world in a mystical way that can include intuition, visions, and psychic abilities while attracting the real-world results you need. The magick in *Mystical Words of Power* only requires your thoughts, feelings, your voice, and the images in the book. It's as easy as magick gets. When you connect with this angelic power you discover who you are, what you want, and the mystical states required to attract everything you need to live the life of your dreams. The combined power of the two magickal styles in this book make it unlike anything you've seen before. The Greater Magickal Angels-Damon Brand 2015-04-23 The Greater Magickal Angels follows on from the popular *Magickal Angels*, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. *Magickal Angels* introduced readers to 24 angels, but *The Greater Magickal Angels* covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here. The angels in this book can help you to develop and attract love, find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily, understand in new ways and dominate strong personalities is at your hand. The angels can help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most. Although the same ritual technique from *Magickal Angels* is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often,

getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans. This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because they are shortcuts to angelic contact. This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly. You will discover: A method for empowering talismans and sigils Information on how to choose the right angel Methods for communicating more directly with angels Performing angel magick for other people. If you are serious about angelic work, this book can take your efforts to a much higher level. NOTE: If you own *Magickal Angels* the complete ritual is repeated here, so that new readers have access to that material. Be aware that when you buy this book, you are buying several chapters that you have already read. There is plenty of new information, however, as well as 48 new angels along with their sigils.

**The Sorcerer's Secrets**-Jason Miller 2009-01-01 This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological self-help that effects only inner change. While magick can and should be both of these, it is something more. **The Sorcerer's Secrets** is about success in practical magick; it is a book that aims at change in both the outer and inner worlds. Beyond a mere spell book or training course, **The Sorcerer's Secrets** is a field manual on successful sorcery written by a professional sorcerer. The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical magick. The second part presents clear strategies for tackling almost any type of issue with sorcery. In this book you will learn how to: Attack problems from multiple angles, not just by casting a spell. Blend mundane and magickal action to ensure success. Figure out whether what you are doing is working. Fix it if it isn't. Go beyond readings, into magickal intelligence-gathering. Influence the minds of other people. Work most effectively on behalf of others. **The Sorcerer's Secrets** will help rescue the art of Magick from those who have ignored, downplayed, or just outright denied the existence of practical sorcery in favor of arcane titles, intangible results, and fantasy attainments.

Angel Spells-Maria D' Andrea 2014-11-07 NOW IT IS POSSIBLE TO SPEAK DIRECTLY TO AN ANGEL - IN THEIR OWN LANGUAGE - TO REQUEST \*\* GUIDANCE -- \*\* PROTECTION -- \*\* LOVE -- \*\* FINANCIAL REWARD -- \*\* RELIEF FROM ANXIETY AND STRESS --

- A RETURN TO SOBRIETY AND A RELEASE FROM ALCOHOLISM AND DRUG ADDICTION AND BY GOD'S DIRECTIVE THEY MUST FULFILL YOUR REQUEST! For centuries, man has sought to reach out to God's servants and messengers in a real-world, palpable way that leaves no room for spiritual doubt. In the time of Queen Elizabeth I in England, world famous occultist Dr. John Dee and his helper, Edward Kelley, developed a system for contacting angels that came to be called "Enochian Magick." Dee's system has survived the centuries and been passed down to us. "ANGEL SPELLS - THE ENOCHIAN OCCULT WORKBOOK OF CHARMS, SEALS, TALISMANS AND CIPHERS" offers the reader a history lesson on Dee's method for contacting angels, including its origins in the Jewish and Christian mystical traditions. The book includes an exclusive interview with author Aaron Leitch, who still practices Dee's methods over 400 years later. For those not quite ready to dive into the more complex aspects of Enochian Angel magick, simpler - but just as effective - methods are taught here by psychic Maria D'Andrea, who provides step-by-step instructions to petition specific angels for help with any problem, large or small. A dozen talismans created by Ms D' Andrea are provided each corresponding with a different Arch Angel. And as a bonus supplement, we have included Bishop Allen Greenfield's classic work, "SECRET CIPHER OF THE UFONAUTS," to assist in contacting angelic aliens in their own language and to aid in decoding what they have spoken to us! This fascinating work includes all the talismans and symbols and ciphers you need to set up your own angel alter so that you may proceed with contacting the celestial kingdom in an organized effort.

The Greater Words of Power-Damon Brand 2016-06-13 When your need is real, speak The Greater Words of Power, and you will bring magick to life. The ritual process is deceptively simple, and yet the rewards can be great. This magick uses secret combinations of sacred words that connect you to divine power, through the magick of angels and archangels. The Greater Words of Power uses the same method that was presented in Damon Brand's acclaimed Words of Power, but this is a standalone book, revealing thirty-one completely new powers. With Rituals of The Mind you can obtain mental focus, overcome procrastination, pass exams, increase

energy, sleep peacefully, overcome habits and increase the willpower to eat well. Rituals That Affect Others give you the power to stop arguments quickly, ensure fair legal decisions, subdue unwanted attention, make people warmer to you, and encourage those who are stuck in their ways to change. The Rituals of Emotion enable you to encourage new friendship, attract a romantic partner, end a relationship easily, banish fear and worry, improve your mood and the mood of those around you, or recover lost love. The Rituals of Creativity will enhance all creative thought, make your creative work well-liked, as well as improving artistic skills and musical ability. The Rituals of Transformation help you recover your passion, overcome lost love, increase your psychic connection to another, overcome bitterness, jealousy and hatred, and receive angelic guidance. One of the most powerful rituals is The Road Opener, to help you discover new pathways and new directions in life. You don't need to fast, pray, cleanse, cast a circle, use a wand or burn incense. This magick is directed by your heart, so you need nothing other than this book and your own desire for change.

Demons of Magick-Gordon Winterfield 2017-05-26 Demonic magick can lead to a life of success, power and extraordinary peace. The beauty of demonic magick is that spiritual growth arises from material pleasure. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first ritual is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The magick is a modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you. The names of 288 angels used to constrain the demons. 144 demonic and angelic seals. 72 colored sigils for working the rituals. The Ritual Opening that calls on five archangels. Words of Power for achieving altered states of consciousness. The safest and simplest methods for evoking demons.
