The Spirituality of Fly Fishing-Jody Martin 2016-03-21 Nearly everyone who has picked up a fly rod has experienced the "otherness" of fly fishing, its inherent beauty, its sense of calm and purpose, its power to heal. Fly fishing is, for many men and women, a deeply meaningful and spiritual activity. In this sensitive and beautiful volume, Jody Martin addresses that spirituality directly, introducing fly fishing to beginners and offering it as a form of ministry to anyone who might wish to teach the sport as part of a spiritual or therapeutic program. The Spirituality of Fly Fishing is simultaneously a concise primer, demystifying and clearly explaining what is basically a simple sport, and a paean to the higher powers that drive us all. Replete with quotes and writings from a wide variety of authors and faith traditions, this slim book has been endorsed by Project Healing Waters Fly Fishing, Casting for Recovery, Reel Recovery, and Joey's Foundation, all of which use fly fishing as part of a healing or mentoring program. Proceeds from the book support both Project Healing Waters and Casting for Recovery. Tastefully illustrated with stunning photographs and paintings by some of today's foremost artists, including John Juracek, Ken Takata, Matt Shaw, James Nelson, Tony Czech, Louis Cahill, and Joseph Tomelleri, the book is far more than just another entry into the world of "how to do it" fly fishing books. The Spirituality of Fly Fishing serves as an introduction, an offering, and a benchmark for anyone who might wish to dive deeper into the streams of spirituality that nourish our souls. No fly fisher should be without this book in his or her library. (from Morgan Creek Publications)

Hazel, hickory and other coppice woods were used for rods, and the construction, of tapering sections lashed together, was quite refined. But although reels had been invented it was not until the end of the eighteenth century that the 'wynch' became more than an instrument for storing the fisherman's line.
