<p>The Art of Moana-Jessica Julius 2016-11-15 The Art of Moana is the latest title in our exceptional series showcasing artwork from the creation of Walt Disney Animations' latest releases. Three thousand years ago, the greatest sailors in the world ventured across the Pacific, discovering the many islands of Oceania. But then, for a millennium, their voyages stopped—and no one today knows why. From Walt Disney Animation Studios, Moana is a CG-animated adventure about a spirited teenager who sails out on a daring mission to prove herself a master wayfinder and fulfill her ancestors' unfinished quest. During her journey, Moana meets the once-mighty demi-god Maui and together they traverse the open ocean on an action-packed adventure, encountering enormous fiery creatures and impossible odds. The stunning artwork in this behind-the-scenes book includes character designs, storyboards, colorscripts, and much more. Copyright ©2016 Disney Enterprises, Inc. The power of the Disney brand has heightened the need for academics to question whether Disney’s films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.</p> <p>Quest for the Heart (Disney Moana)-RH Disney 2016-10-04 Walt Disney Animation Studios' Moana is a sweeping, CG-animated comedy-adventure about a spirited teenager on an impossible mission to fulfill her ancestors' quest. Top Disney-Christopher Lucas 2019-04-19 Long before David Letterman made it a nightly ritual, groupings of ten seemed to be the most common form of list making (commandments, amendments, FBI most wanted, etc.) Top 10 lists abound for everything today, from movies and music to sports and politics. There is so much Disney history to cover, however, that it can't be contained in one simple list, thus "The Top 100 Top Ten of Disney." There is not a person on Earth who hasn't come into contact with Disney in some way. Whether seeing a Disney film, hearing a Disney song, recognizing a Disney character or visiting a Disney park, the company's reach is global. The Top 100 Top Ten of Disney will collect the best of the best of Disney in a book of lists. From Walt himself and the beginning of his company, to his successors who have broadened the reach of the Disney brand well beyond where even Walt could have imagined it, this book will cover every aspect of the 93 years of history that Disney has to offer. In it you will find information on everything from Oswald the Lucky Rabbit and Queen Elsa, to the billion dollar acquisitions of Marvel and Lucasfilm. Written for casual and die-hard fans alike, The Top 100 Top Ten of Disney will revisit some familiar characters, films, songs, rides, and personalities associated with Disney but will also uncover some forgotten, obscure and overlooked parts of the company as well, such as the unlikely Disney films Victory Through Air Power (1943) and The Story of Menstruation (1946). The book will be laid out in easy to read "bite size" pieces. It will be one of those books that the whole family can enjoy and can be picked up and referred to again and again. Author Bio: Christopher Lucas is a lifelong fan of all things Disney. His admiration for Walt, and the company he built, led Chris to create a one person show called "Of Mouse and Man" which has been performed in several colleges, theaters and civic centers. He is also the co-author of Seeing Home: The Ed Lucas Story, the critically acclaimed book released by Simon & Schuster and Derek Jeter Publishing in April 2015. Christopher lives in suburban New Jersey with his two young sons. His goal someday is to take a vacation somewhere that doesn't involve a visit to a Disney theme park.
