The Study of Witchcraft-Deborah Lipp 2007-10-01 The Study of Witchcraft is a compendium for Wiccans who want to deepen their understanding of their traditions. Advanced Wiccan reaches beyond Wicca, delving into topics as diverse as history, psychology, divination, and lucid dreaming. The Study of Witchcraft introduces the reader to these topics, discussing each in depth and offering a one-of-a-kind course of study -- including recommended reading, offering readers --increasingly, solitary witches -- a self-study guide and a rich resource. The Study of Witchcraft includes information for all sorts of Wiccans; traditional, eclectic, radical, groups, and solitary. Wide-ranging topics also include Western occultism, myth and folklore, meditation, astrology, the Burning Times, history, herbalism, and much more. Deborah Lipp opens the book with a discussion of the past 40 years of Wiccan history and talks about the diverse people who call themselves Wiccans. Then, throughout the study guide portion, she offers information tailored to different types of Wiccans. Essentially, The Study of Witchcraft is a veritable master’s degree in Wicca in book form! \* Written for the needs of the modern wiccan, who learns primarily by self-study. Summoning Spirits-Konstantinos 2002-09 Now you can learn how to evoke and communicate with 50 spirit entities and make use of their abilities, when you get Summoning Spirits by Konstantinos. Evoking spirits is one of the most powerful magical techniques you can use-but, until now, most of the material available on evocation has been virtually unusable because it was written by those with little practical evocation experience. Summoning Spirits was written by a practicing magician who has successfully performed many evocations. With his guidance and clear directions, performing evocations will be easy and safe for anyone. -Learn to safely evoke powerful spirits to aid you with any task -Create sigils charged with the energy of spirits to magnify the effects of your evocations -Make an etheric egregore, a manufactured spirit that will perform the task of your choice -Perform easy exercises to train your magical abilities and to develop clairvoyance and clairaudience -Construct, prepare, and use special magical tools to aid your evocations - Summoning Spirits is a complete manual for evoking entities to effect positive changes in your life. Learn how the spirits that dwell on the other planes can be evoked to the astral and physical planes to help you obtain mystical abilities, locate hidden "treasure," and even command a spirit "army" to protect your home while you're away. Summoning Spirits describes the specific attributes and abilities of 50 entities that you can evoke to uncover valuable knowledge, and who will help you succeed in nearly any task, magical or mundane. Whether you need help to face life’s challenges or to work a minor miracle, you will find the art of magical evocation a tremendously potent tool for change. Included are information and theory, as well as full instructions for all the rituals you will need to prepare for and then evoke spirits. No other book makes this ancient magical technique as easy to understand and use, as does this one. That’s why you must get Summoning Spirits. Goth-Lauren M. E. Goodlad 2007-03-21 Since it first emerged from Britain’s punk-rock scene in the late 1970s, goth subculture has haunted postmodern culture and society, reinventing itself inside and against the mainstream. Goth: Undead Subculture is the first collection of scholarly essays devoted to this enduring yet little examined cultural phenomenon. Twenty-three essays from various disciplines explore the music, cinema, television, fashion, literature, aesthetics, and fandoms associated with the subculture. They examine goth’s many dimensions—including its melancholy, androgyny, spirituality, and perversity—and take readers inside locations in Los Angeles, Austin, Leeds, London, Buffalo, New York City, and Sydney. A number of the contributors are or have been participants in the subculture, and several draw on their own experiences. The volume’s editors provide a rich history of goth, describing its play of resistance and consumerism; its impact on class, race, and gender; and its distinctive features as an “undead” subculture in light of post-subculture studies and other critical approaches. The essays include an interview with the distinguished fashion historian Valerie Steele; analyses of novels by Anne Rice, Poppy Z. Brite, and Nick Cave; discussions of goths on the Internet, and readings of iconic goth texts from Bram Stoker’s Dracula to James O’Barr’s graphic novel The Crow. Other essays focus on gothic music, including seminal precursors such as Joy Division and David Bowie, and goth-influenced performers such as the Cure, Nine Inch Nails, and Marilyn Manson. Gothic sexuality is explored in multiple ways, the subjects ranging from the San Francisco queercore scene of the 1980s to the increasing influence of fetishism and fetish play. Together these essays demonstrate that while its participants are often middle-class suburbanites, goth blurs normalizing boundaries even as it appears as an everlasting shadow of late capitalism. Power of the Witch-Laurie Cabot 2013-12-18 The earth, the moon, and the magical path to enlightenment. Written by a practicing witch who conducts classes and seminars on witchcraft—the oldest Western religion, a means of power and enlightenment, and a healing art. “Laurie Cabot has written a fascinating account of a beautiful and sadly misunderstood religion, witchcraft. She has with her life and work done a great deal to legitimize this ancient pagan form of worship. I am among the ecumenical Christians who have discovered the truth about witchcraft, that it is neither demonic nor evil. Power of the Witch is a marvelous introduction to the magical and highly ethical world of wicca.” —Whitley Strieber

Liber 420-Chris Bennett 2018-04-20 Although little known, cannabis and other psychoactive plants held a prominent and important role in the Occult arts of Alchemy and magic, as well as being used in ritual initiations of certain secret societies. Find out about the important role cannabis played in helping to develop modern medicines through alchemical works. Cannabis played a pivotal role in spagyric alchemy, and appears in the works of alchemists such as Zosimos, Avicenna, Lhull, Paracelsus, Cardano and Rabelais. Cannabis also played a pivotal role in medieval and renaissance magic and recipes with instructions for its use appear in a number of influential and important grimoires such as the Picatrix, Sepher Raxiel; Liber Salomonis, and The Book of Oberon. Could cannabis be the Holy Grail? With detailed historical references, the author explores the allegations the Templars were influenced by the hashish ingesting Assassins of medieval Islam, and that myths of the Grail are derived from the Persian traditions around the sacred beverage known as haoma, which was a preparation of cannabis,opium and other drugs. Many of the works discussed, have never been translated into English, or published in centuries. The unparalleled research in this volume makes it a potential perennial classic on the subjects of both medieval and renaissance history of cannabis, as well as the role of plants in the magical and occult traditions.

Water Witchcraft-Annywn Avlan 2019-03 An accessible in-depth guide to Celtic water lore, including spells, rituals, water spirits, and merfolk Let Annywn Avlan, a practicing water witch herself, take you into the world of water magic. The water magic and lore in this book focuses on the Celtic tradition, but draws on other water magic traditions as well, and features rainwater, as well as lakes, rivers, oceans, canals, swamps, and other watery locations, together with the folk and magical customs that have been and are still practiced at these places. The book teaches the reader how to set up a water altar at home, how to connect with water spirits, and how to gather or create water witch tools. Readers are encouraged to visit local water sites but will also find an abundance of material to perform at home. Included are practical examples, visualizations, and exercises so any reader can start to take up spell work and establish their spiritual connection to water.

Earth Power-Scott Cunningham 1983 The ways of magic are revealed in nature . . . The secrets are written in meandering streams and drifting clouds, whispered by the roaring ocean and cooling breeze, echoed through caves and rocks and forests. When you draw a heart in the sand, call on the four winds for assistance, or ask the rain to wash away a bad habit, you are practicing earth magic. By working in harmony with nature, we can transform ourselves, our lives, and our world. This tried-and-true guide offers more than one hundred spells, rites, and simple rituals you can perform using the powerful energy of the earth. Scott Cunningham was a greatly respected teacher and one of the most influential members of the modern Craft movement. A practitioner of elemental magic for twenty years, he wrote more than fifty books, including the seminal Wicca: A Guide for the Solitary Practitioner.

Out of the Shadows: An Exploration of Dark Paganism and Magick-John J. Coughlin 2015-12-23 So often darkness is associated with evil. Since the term evil has no place in a nature-based religion, we Pagans are forced to look beyond such stereotypes. But what then is "darkness? Why are so many of us drawn to themes associated with darkness such as death, mystery, wisdom, magic, and the night? These themes and symbols are empowering to many of us because they tap into the deepest reaches of our unconscious. The goal of this book, which is a culmination of over 16 years of study and practice, is to not only share with you the author's views on Dark Paganism and spirituality, but to encourage you - if not challenge you - to personalize your own belief system. While the first part explores the aspects and spirituality of darkness, the second part of this book discusses the nature and practice of magic by exploring the underlying principles at work.

Becoming Whole-Bud Harris 2016-08-31 Who am I really? Why haven't I lived up to my potential? Why does my history always hold me back?If you struggle with questions like these, you may need to work on becoming whole'or individuation, as psychologist Carl Jung called the process. Spirit Conjuring for Witches-Frater Barrabbas 2017-02-08 The greatest Witches of folklore practiced their craft by conjuring spirits and employing a familiar spirit. Now, centuries later, these arts—supposedly the domain of ceremonial magicians only—can be perfected by modern Witches. In this groundbreaking book, Witch and ritual magician Frater Barrabbas shares a system of Witchcraft-based magic developed for safely performing invocations and evocations, handling fallen spirits and Goetic demons, traveling in the spirit world, creating a spirit pact, and constructing your own rituals for spirit conjuring. To help you get to know the full breadth of the spirit world, Spirit Conjuring for Witches includes a unique list of spirits as well as techniques for working with sigils and recommendations for classical grimoires. Exploring history, folktales, and personal experiences, this book shows how to magically develop relationships with spirits and ultimately master both the spirit and material worlds. Praise: “A clear and distinct body of tools and rituals for working with a broad range of spirits. If you are a witch looking for a more formal approach to this field, this may be the book for you.” —Ivo Domingue Jr., author of Spirit Speaks and Practical Astrology for Witches and Pagans “Frater Barrabbas has made a valuable contribution to the practice of modern witchcraft...This is a very thorough and carefully developed invitation to revive the practice of magical evocation that historically played so central a role in witchcraft and magic.”—Jim Baker, author of The Cunning Man’s Handbook “Frater Barrabbas shows how modern Witches can also reclaim their ability to conjure spirits in the age-old tradition of evoking beings of the Otherworld to attain knowledge or obtain practical results in this world. With the current revival in the publication, study and use of the classical grimoires, witches who are drawn to the practice of the magical evocation of spirits now have a detailed guide to the inner preparations and outer practices necessary to evoke spirits safely and correctly.”—Jonathan Nightshade, Gardnerian HP, Traditional Crafter and Sorcerer “I wish that there had a book like Spirit Conjuring for Witches back when; it would have saved me any number of missteps along the way. With more than forty years of experience under his cincture, Frater Barabbas speaks with a voice of wisdom, clarity and authority: truly one of the Thirteen Human Treasures of Paganistan.”—Steven Posch, Traditional Witch and Host of Radio Paganistan “As Witches we all work with Deity and various spirits; but can you honestly say you communicate with them? This book is a valuable resource for every serious Witch’s library. The author has outlined how to truly connect with that spirit realm, which allows us to build a relationship with those we work with.”—Lady Adariana, Gardnerian HPS

Angels of Wrath-Gordon Winterfield 2017-06-20 This is not a book of casual curses, but a book of peace and justice. Angels are powerful beings that can be called to work great and wrathful wonders. If your sincere intent is to cause harm, confusion or disruption, the angels will comply. Should you have any fear that this work is evil or an abuse of angelic contact, then read no further. This book is for those who have sensed the might of angels and wish to turn their power to deeds that many would believe to be dark. Far from being the delightful creatures of peace found in New Age artwork, angels are spiritual beings of immense strength, and this strength can manifest as wrath. Whether you are new to magick or quite experienced, this book will introduce you to a lesser-known group of angels. When called in combination, these angels have the power to cause devastation to your enemies. Such workings are as powerful as a curse, and often more targeted and cunning. There are twenty-nine powers to be revealed: The angels can bind, destroy defenses, remove wealth and destroy a business, while rendering your victim too weak to respond and unable to see what you are doing. You will have the power to silence and confuse, bringing illness and insomnia to those who trouble your life. For more severe enemies, you can bring the wrath of judgment upon them, and remove their ability to find spiritual sanctuary. You can produce hatred between those you name, while causing anxiety, dark moods and memory loss, with confusion of the heart and mind. There is a ritual to prevent your enemies from working magick. This angelic magick will only work if you are sincere in your intentions. It cannot be used to instigate casual cruelty. This is not a book of evil to delight the wicked, but a book of harmony. If you have been wronged, this book gives you the power to restore your personal peace.

The Mindfulness Solution-Ronald D. Siegel 2010-01-01 Offers advice for achieving happiness and dealing with life’s obstacles through mindfulness, with strategies for cultivating this state of mind and setting up a formal daily practice routine.

The Magick of Influence-Corwin Hargrove 2016-09-23 Discover twenty-three magick rituals for influencing others. Powerful people get where they are by influencing others.This book gives you the keys to magical influence, so that you can use supernatural forces of darkness to change hearts and minds. Working with angels, demons, ancient spirits and gods, you access many powers. The book won’t tell you how to create rapport, charm and charisma. There are other books that can teach you those skills. This book gives you the magick.There are rituals to influence individuals and groups. You can create trust, influence somebody that you are right, make somebody find you attractive, and even make somebody care about you. The magick can make another person see you as a leader. When you want to cause disruption, you can sow the seeds of doubt in somebody’s mind, so that what once seemed certain becomes uncertain. The magick can create unease, confusion, mistrust and even hatred between people that you know. These rituals can inspire loyalty, or make somebody confess what they have held back from you. There are rituals to make loud people quiet, to silence gossip and to make an unwanted neighbor move away. The rituals can be used to make people fear you, or you can project authority, trustworthiness and charisma.These powers can be used within family situations as readily as they can be used to gain an advantage in business or politics. They can be used to solve seemingly small problems, such as noisy neighbors, or to land the promotion you’ve deserved for years, or undermine your competition, or convince the skeptical to fund your projects. By changing the way people see you, and each other, you can manipulate reality.The first half of this book uses The Magick of the Calls, which originate from the Greek Magickal Papyri. The second half of this book works with the demons of Goetia, using a simple method to get results fast. The only equipment you need is pen, paper and courage.If you think it’s wrong to influence, or evil to perform magick for your own benefit, then please go buy a book on mindfulness. If you’re scared of demons, this might not be for you. If you’ve got no idea what this magick is, but get the feeling that magick might work, this is going to be fun. If you already love magick, this should give you the all-important power to exert your power over others.

Besom, Stang & Sword-Christopher Orapello 2018-12-01 Regional traditional witchcraft is an animistic form of witchcraft that moves away from the religious harvest festivals and fertility-minded practices associated with the more common Wiccan form of witchcraft. Very few of us in this age are farmers or dependent upon crops and harvests. Regional traditional witchcraft teaches people to find their craft in their own backyards, in the uncultivated land or urban cityscape alike, and in their ancestors rather than in ancient foreign deities or in a neopagan-styled religious form of witchcraft. It’s not about where you’re from but where you are. The material is adaptable to any region in which the practitioner lives. Although the lack of deity worship and holy days is a significant part of the authors’ nonreligious approach, this book presents a complete system of practice utilizing ritual, chant, trance, the six paths of witchcraft as defined and explained by the text, and the practices associated with traditional witchcraft.
