If you are interested in the political process, the political system and/or the issues facing the country today but at times feel that your knowledge on the subjects is slightly deficient then Politics Made Practical is the book for you.Politics Made Practical answers all of the questions that you have about the American system and may be too embarrassed to ask. The book covers the genesis of the Democratic and Republican Parties and the parties that were their historical forerunners. Politics Made Practical also covers the positions of each party on issues ranging from gun control to the social safety net (and components thereof).Politics Made Practical clearly articulates the problems facing America today and offers an analysis of the Democratic and Republican approach to solving such problems. Moreover, the book includes a substantial amount of important statistics that serve to augment the analysis included in the book. The use of statistics provides the reader with an illuminated comprehension of the analysis and data from which they can draw their own conclusions. Additionally, the sources of raw data are provided at the end of the book to offer the reader an opportunity to conduct an analysis for themselves drawing their own conclusions.If as an American citizen you are interested in being an "informed voter" or a "more informed voter" then Politics Made Practical will be incredibly beneficial for you. If you are not an American citizen Politics Made Practical will offer you a unique insight into the peculiarities and nuances of the American political system and give you a greater appreciation and understanding of the facets that comprise "American Exceptionalism" and the uniqueness of the country's institutions.Whether you are a political novice, or consider yourself an expert, you will find Politics Made Practical to be rich with valuable insight that will make you well-versed in political vernacular and will bolster your political arguments with appropriately applied statistics. The book offers something for everyone, an enjoyable read and will be a valuable reference tool to draw from time and again.</p> <p>Journey of the Soul-Lateef Warnick 2009-09-01 "Why am I here"? "Where am I going"? "What is the purpose of life"? "What does it mean to be made in the image of God"? These are questions you've either asked yourself before or at least should be asking! Yet many people will have gone from the cradle to the grave without ever finding true concrete answers to these questions. If we live long enough we'll watch family, friends &amp; loved ones leave us without knowing where they've gone.</p> <p>"Journey of the Soul: Day One" explores this universal journey that every soul experiences on the path towards realization of our relationship with the Creator. Despite your race, culture or religious practice, this thought provoking &amp; eye-opening book captures the esoteric truths of all spiritual masters based upon the premise that "the kingdom of God is within you!" Every person has a unique road to travel but our destinations are the same and that is for total enlightenment of who we are, Universal Love and the Sole Truth of our Oneness.</p> <p>Krunk Family Album-12.earth 2016-12-12 Feature of Arik Krunk artwork</p> <p>How to Talk to a Carolina Fan-Tor Ramsey 2017-11-28 This uproarious satire dismantles all things baby blue, and all things having to do with the sacred cow known as the University of North Carolina at Chapel Hill. Pulling no punches, the author tackles subjects such as "What to coif your Child Comes Home and Says They Are a Carolina Fan," "Excuses for Inexcusable Behavior by a Carolina Athlete in which the Excuse is More Inexcusable Than the Behavior Itself," and the "12-Steo Program to Ridding Yourself of any Allegiance to Carolina!" It's everything you wanted to know about --- HOW TO TALK TO A CAROLINA FAN</p> <p>The Challenges of Breakups: Seven Real-Life Stories of People Who've Struggled and Surpassed the Challenges of Breakups-Henry A. Castillo 2019-03-29 In this book, the author shares seven real-life stories of breakups so that readers can understand that while breakups can be difficult, you can also learn from them - and move past them. The first story shares the story of a woman who moved to the United States to be with the man she loved only to discover that he was verbally abusive. She ignored many red flags - like the time he stormed out of a wedding calling her "a whore" - and it did not end well. She learned that we should not ignore red flags even at the beginning of a relationship as they usually reflect who a person really is and are not a fluke. In another story, someone learns that having a good relationship with each other's family is very important, because when you marry your partner, you're also inheriting his or her family. When families don't get along, the holidays can become very awkward. No matter what you are going through, you'll learn life lessons that will help you love smarter and better with this collection of true stories.</p> <p>The Retaliater-Brian Muhammad 2017-10-10</p> <p>From the Shadows-Mark Bramble 2018-07-04 From The Shadows takes you into the secretive world of the ninja, Japan's legendary shadow warriors. Known for their abilities as fierce martial artists, the ninja also followed a profound depth of mental and spiritual training. In this book, Mark Bramble offers you a unique and practical approach to their ancient philosophy and spiritual power, designed to empower you to overcome every day, real world challenges. This isn't a "martial arts" book, but rather a powerful series of strategies, based on traditional warrior wisdom. From The Shadows is written for anyone that is determined to gain and maintain mental and spiritual strength in the face of adversity.</p> <p>American Dream-Thomas Temple Allan 2018-02-15 Memoir of family company called Flanders Filters started by Sam Allan in Long Island and later moved to North Carolina</p> <p>Falling Down-Jeremy Neely 2019-10-20 Falling Down is the autobiography of Nashville musician and singer-songwriter Jeremy Neely who likens his experiences to those of the prodigal son. Despite growing up in a loving and stable Christian family, Jeremy fell into a pit of pain and rejection that caused him to turn his back on God and the church to pursue his own desires. In this candid and moving account, Jeremy openly recalls how that decision led him to fall into a deeper and darker pit of substance abuse, addiction, anger, and further heartache. Years later, after being confronted with his own mortality, Jeremy came to his senses and began searching for answers. Ultimately, his quest led him to Jesus, and Jeremy once again embraced the Christian faith. Jeremy uses his testimony to uncover the cycle of pain and hurt that people easily get caught in, and the joy and healing that is only found in the redemption of Jesus Christ. Get ready! Jeremy's powerful life story will touch your heart in ways you may never have imagined.</p> <p>In a Minute, Life Changes: Victories in Disabilities of a Hydrocephalic Child-Linda Lind 2016-09-14 "In a Minute, Life Changes" is the story shared of our little boy, born with hydrocephaly, and overcoming all its challenges. Even death. This book was written to encourage and give hope to those who face unexpected circumstances in life. To see the flicker of light in the dark, for a sliver of understanding in the confusion, or even just to know that they are not alone. Over the years, I have seen the anchor in our storm, the One who holds time in the palm of His hand, the One who promises never to leave us alone, ever. God has kept His promise. I pray you find lasting hope as you read our story of tragedy and triumph.</p> <p>10 and 90-Logan Seelye 2015-12-05 At age 16, Logan Seelye had a dream: he was going to earn a football scholarship at a Division 1 football program and then, somehow, some way, he was going to win a spot on an NFL team. Then, whom! A spinal cord injury shattered that dream forever. Rather than tumbling into depression, Logan lifted himself up and pursued new life goals and rewards. At his college graduation, he delivered the commencement address just a few yards from the spot of his accident. He married his junior high school girlfriend, started a family, launched a career, and made a new vow: when his daughter got married he would walk her down the wedding aisle. Today, Logan gives inspirational talks to people of all ages and backgrounds. His message? Life is 10 percent what happens to you and 90 percent how you react to it. Fueled by this spirit, anyone who has been knocked down in life can rise up again and find real joy and fulfillment. 10 and 90 is a moving and engaging story that shows the way.</p> <p>The Little Game Master-Randall Hampton 2020-04-15 The Little Game Master: Of Bards and Bullies is the continuation of the Dr. Seuss meets D&amp;D story, where five friends delve into the world of table top role playing games. With no other details, she and her family discover God is still in the business of using imperfect people for His perfect will in order to reveal His glory and build His kingdom. Everyone thought this family of six was crazy, but by faith alone they heeded God's call. Trading a life of affluence and comfort for a fishing rod and Bible, Amy and her family learned to discern God's Voice and apply His Word to their daily life. Commissioned with God's salvation message, the Boykins bring the transformational power of the Gospel to Haitian refugees with remarkable results. Six years later an entire community, countless US mission teams and local Bahamians are touched and changed, culminating in the building of a Haitian church that is thriving today. The Way reveals through miracle after miracle that man's impossible truly is God's possible. The Boykin family's story will encourage ordinary believers to follow Jesus in complete trust and obedience. Readers will discover living by God's plan yields the abundant life Jesus desires for believers. This is the only life that satisfies, marked by an all surpassing, joyful, dynamic life of love that God has for everyday, normal believers just like you!</p> <p>R.A.P GOALS- A 365 Day Guide To Success-Durrell Howell 2019-01-06 What is RAP?
