Raising Children To Love Their Neighbors-Carolyn C. Brown 2008-05-01 Read the Introduction Does your congregation want to raise more mission-minded children? Here are practical plans with reproducible activities and outlines for classroom and service experiences for children ages 3 to 12. Carolyn Brown offers great "how to" plans that churches can build into their current programs. She includes : a hands-on enrichment curriculum for grades 1-5; over a year of monthly service projects for preschoolers; mini-workshops for teachers; and newsletters blurbs about the program. "Carolyn Brown has written a 'must read' book for all parents and teachers. I know of no other book that presents so clearly, helpfully, and persuasively Jesus' mandate to raise children to "love our neighbors as ourselves." More than a mandate, it offers dozens of doable, practical suggestions for each age group and grade level. I will recommend this book to every teacher and parent in my church." --Rev. Dr. Donald L. Griggs, author of Teaching Today's Teacher to Teach published by Abingdon Press (item #9780687049547) From the Circuit Rider review: "Teachers, parents, Sunday school teachers, and church preschool teachers are all very familiar with the importance of teaching children to share, to take turns, to say "please" and "thank you," and to not hurt others' feelings. Veteran Christian educator Carolyn Brown puts this important formation into the larger context of the mission of the church. How do our children grow in compassion? How can we lead them to leave the world better than they found it? How do we raise mission-minded children?" (Click here to read the entire review.)

How a City Works-D. J. Ward 2018-12-11 Millions of people live in cities around the world, but have you ever wondered how cities work? All those people need clean water to drink, a safe place to live, and a way to get all around the city! How do you take care of all those people's needs? Your city has a plan for that. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 5 to 7. It's a fun way to learn to read and as a supplement for activity books for children. Read and find out all about the systems a city has to help keep everyone safe, healthy, and happy. This book on city systems will appeal to the young civil engineer.

How A City Works is filled with fun, accurate art, and includes tons of information. For example, it answers the question: Where does all the electricity needed to make a city run come from? How A City Works covers water treatment, power, sewage, recycling, and transportation. How a City Works comes packed with visual aids like charts, sidebars, an infographic, and a funny, hands-on activity—how to clean up dirty “sewage” water, using puffed rice cereal, raisins, hot chocolate mix, and coffee filters. This is a Level 2 Let’s-Read-and-Find-Out Science title, which means the book explores more challenging concepts for children in the primary grades and supports the Common Core Learning Standards, Next Generation Science Standards, and the Science, Technology, Engineering, and Math (STEM) standards. Let’s-Read-and-Find-Out Science is the winner of the American Association for the Advancement of Science/Subaru Science Books & Films Prize for Outstanding Science Series.
