Personal Finance-George Callaghan 2011-11-04 Fulfilling the need for a UK-centred introductory personal finance text, this dedicated author team provide academic, professional and general readers with what they really need to know about personal finance. Personal Finance is an innovative text that builds confidence and competence in making personal financial decisions. Using a socio-economic approach to personal finance, it illuminates the many factors and relationships that help improve financial capability, including: * Decisions on spending, borrowing, saving and investing are set within a broader context. * Concepts such as income and expenditure, risk and return, and assets and liabilities are related to issues of home ownership, caring responsibilities and lifestyle changes. * The impact of important economic events, such as the financial crises of recent years, on individuals and households is shown. * Case studies are used to demonstrate practical relevance, while diagrams and activities help distil complex issues into

digestible form. 'Keeping a text in this area up to date was always going to be a critical and monumental challenge. The editors have done a timely and impressive job.' - Professor Peter Howells, Centre for Global Finance, UWE Bristol 'Personal Finance addresses a particular gap, and the overview is impressive.' - Steve McKay, Bristol University (Personal Finance Research Centre) 'What distinguishes this book is that it focuses not only on 'what you need to know' about personal finance, but also on 'what you might be interested in knowing' about the socio-economic context in which financial decisions are made - it makes the text more useful for an academic course and certainly makes for interesting reading.' - Jane King, Oxford Brookes University 'Personal Finance presents the subject of financial planning in an intellectually stimulating way which links theory to practice and is comprehensible to both the student and the layperson.' - James Mallon, Napier University International Finance-Paul R. Krugman 2018-01-25 For courses in International Finance. A balanced approach to theory and policy applications International Finance: Theory and Policy provides engaging, balanced coverage of the key concepts and practical applications of the discipline. An intuitive introduction to international finance theory is followed by detailed coverage of policy applications. With this new 11th Edition, Global Edition, the author team of Nobel Prize-winning economist Paul Krugman, renowned researcher Maurice Obstfeld, and Marc Melitz of Harvard University continues to set the standard for international finance courses. Pearson MyLab™ Economics not included. Students, if MyLab is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MyLab should only be purchased when required by an instructor. Instructors, contact your Pearson rep for more information. MyLab is an online homework, tutorial, and assessment product designed to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts. Personal Finance-Arthur J. Keown 2012-05-09 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Personal Finance-Rachel S. Siegel 2010

Be Your Own Financial Adviser-Jonquil Lowe 2012-09-26 Many people stumble through their financial life reacting to events and advice in an ad hoc way. As a result, few choose the most suitable financial products, some fall prey to misselling and many never realise their financial goals. Are you one of them? Be Your Own Financial Adviser shows you how to make sensible financial decisions without the need for expensive advice. Its accessible style, examples and case studies explain and evaluate financial products and put you firmly in control of your own financial well-being. It will advise on how to adopt the best saving, spending and investment strategies, make decisions tax-efficiently, manage risk wisely and protect and enhance your wealth. It also suggests when professional help is a good idea, and shows you how to protect yourself against misselling and get the best out of your adviser. Be Your Own Financial Adviser will show you how to: Stress-test your financial decisions Take advantage of legal tax breaks Achieve your financial goals Manage and preserve your wealth Accessing financial products and services is not difficult - there is no shortage of commercials, advertisements, direct mail, email and marketing calls to entice you to take out loans, buy insurance and invest your money. But choosing which products are right for you can be a hit and miss approach. Good financial planning requires a systematic strategy. You should start by assessing your own particular circumstances, attitudes and timescales and then work out how you can implement your strategy on a long term basis. Let Be Your Own Financial Adviser be your guide to making better financial decisions. It includes advice on the following: Financial planning Do you need an adviser? Protecting your income Providing for your family Health and care Somewhere to live Building a pension Retirement choices Saving and investing Managing your wealth Passing it on

Financial Services and Wealth Management in Singapore-Tan Chwee Huat 2011-08-01 During the last decade, many changes have taken place in the Singapore financial marketplace. The Monetary Authority of Singapore has implemented numerous reforms to liberalize financial services sector. Since 2002, two new laws have come into effect. The Securities and Futures Act and the Financial Advisors Act have important impact on the financial community. Institutions must hold the Capital Market Services (CMS) licence and the Financial Advisors licence and their representatives must pass the CMFAS examinations. This book discusses the changes in detail. Part A provides details of the reforms and discusses the impact of the new laws and regulations. Part B highlights the wide range of financial services and products provided by the institutions. In this edition, two new chapters have been added. They focus on issues related to wealth management which has become the recent focus of many banks that provide services to high net worth individuals or HNWIs. This book should be of

Focus on Personal Finance-Les R. Dlabay, Professor 2015-02-09
Focus on Personal Finance is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy. A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also encourage them to put these in writing to use as a guide and revise over the course of their lives. New for this edition, sections are oriented around specific action-items for students. The more a student involves themselves in the assessments, exercises and

worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves.
