Get Shorty-Elmore Leonard 2009-10-13 “A Hollywood hit....Taut, inimitable prose and characters who could have only sprung from the mind of Elmore Leonard.” —Detroit News The Chicago Tribune has dubbed Elmore Leonard, “the coolest, hottest writer in America.” In the same league as the legendary great ones—John D. MacDonald, Dashiell Hammett, James M. Cain—the “King Daddy of crime writers” (Seattle Times) demonstrates his remarkable mastery with Get Shorty, one of the most adored of his forty-plus novels. The basis of the hit movie starring John Travolta and Danny DeVito, Get Shorty chronicles the over-the-top, sometimes violent Hollywood misadventures of a Florida mob loan shark who chases a deadbeat client all the way to Tinseltown and decides to stick around and make movies. Get Shorty’s shylock protagonist, Chili Palmer, is a truly inspired creation—as memorable as another unforgettable Leonard hero, U.S. Marshal Raylan Givens of the hit TV series Justified—and readers will relish his moves and countermoves in this electrifying, funny, bullet train-paced winner from “the greatest crime writer of our time, perhaps ever!” (New York Times Book Review)

The First Time-Colton Underwood 2020-03-31 From former football player and star of The Bachelor and The Bachelorette comes a fascinating and eye-opening behind-the-scenes look at his drama-filled season on the hit reality show. Before Colton Underwood captured the hearts of millions on The Bachelor, he was a goofy, socially awkward, overweight adolescent who succeeded on the football field while struggling with personal insecurities off it. An All American gridiron hero, he was also a complex, sometimes confused, soft-hearted romantic wondering how these contradictions fit together. Old-fashioned and out of step with the swipe right dating culture of today, he was saving the most intimate part of life for the love of his life. If only he could find her... Now, in The First Time, Colton opens up about how he came to find himself and true love at the same time via the Bachelor franchise. Unencumbered by cameras and commercial breaks, he delivers a surprisingly raw, endearing, and seriously juicy account of his journey through The Bachelorette, Bachelor in Paradise, and The Bachelor, along with what has happened with him and Cassie Randolph since his season wrapped. He opens up about being dumped by Becca, his secret dalliance with Tia, what it was like to be the world’s most famous virgin, his behind-the-scenes conflicts with production, and how his on-camera responsibilities as the Bachelor nearly destroyed him after he knew he had already fallen in love with Cassie. A memoir for Bachelor Nation and anyone who believes in the magic of love, The First Time carries a simple but powerful message: It’s okay to laugh and cry and occasionally jump over a fence, if it means coming one step closer to the right person.

Sex, Lies, and Headlocks-Shaun Assael 2010-11-03 "Current fans and recovering Hulkamaniacs alike should find [Sex, Lies, and Headlocks] as gripping as the Camel Clutch." —Maxim Sex, Lies, and Headlocks is the ultimate behind-the-scenes look at the backstabbing, scandals, and high-stakes gambles that have made wrestling an enduring television phenomenon. The man behind it all is Vince McMahon, a ruthless and entertaining visionary whose professional antics make some of the flamboyant characters in the ring look tame by comparison. Throughout the book, the authors trace McMahon's rise to power and examine the appeal of the industry's biggest stars—including Ed "Strangler" Lewis, Gorgeous George, Bruno Sammartino, Ric Flair, and, most recently, Stone Cold Steve Austin and The Rock. In doing so, they show us that while WWE stock is traded to the public on Wall Street, wrestling remains a shadowy world guided by a century-old code that stresses secrecy and loyalty. With a new afterword, this is the definitive book about the history of pro wrestling. "Reading this excellent behind-the-scenes look at wrestling promoter McMahon . . . is almost as entertaining and shocking as watching the most extreme antics of McMahon's comic-book style creations such as Steve Austin and The Rock." —Publishers Weekly "A quintessentially American success story of a cocky opportunist defying the odds and hitting it big . . . Sparkling cultural history from an author wise enough to let the facts and personalities speak for themselves."—Kirkus Reviews
