

## Download Reckless The Racehorse Who Became A Marine Corps Hero

As recognized, adventure as competently as experience practically lesson, amusement, as without difficulty as accord can be gotten by just checking out a book **reckless the racehorse who became a marine corps hero** then it is not directly done, you could admit even more roughly speaking this life, more or less the world.

We provide you this proper as skillfully as simple mannerism to acquire those all. We have enough money reckless the racehorse who became a marine corps hero and numerous book collections from fictions to scientific research in any way. in the midst of them is this reckless the racehorse who became a marine corps hero that can be your partner.

Download Reckless The Racehorse Who Became A Marine Corps Hero

Reckless-Tom Clavin 2014-08-05 From the New York Times bestselling coauthor of The Heart of Everything That Is, comes the unlikely story of a racehorse who truly became a war hero, beloved by the Marine Corps and decorated for bravery. Her Korean name was Ah-Chim-Hai—Flame-of-the-Morning. A four-year-old chestnut-colored Mongolian racehorse, she once amazed the crowds in Seoul with her remarkable speed. But when war shut down the tracks, the star racer was sold to an American Marine and trained to carry heavy loads of artillery shells across steep hills under a barrage of bullets and bombs. The Marines renamed her Reckless. Reckless soon proved fearless under fire, boldly marching alone through the fiery gauntlet, exposed to explosions and shrapnel. On some of her uphill treks, Reckless shielded human reinforcements. The Chinese, soon discovering the bravery of this magnificent animal, made a special effort to kill her. But Reckless never slowed. As months passed, the men came to appreciate her not just as a horse but as a fellow Marine.

Sgt. Reckless-Robin Hutton 2014-10-20 Amid an inferno of explosives on a deadly minefield in the Korean War, a four-legged Marine proved to be a heroic force of nature. She moved headstrong up and down steep, smoky terrain that no man could travail confidently. In a single day, this small Mongolian mare made fifty-one round-trips carrying nearly five tons of explosives to various gun sites. Sergeant Reckless was her name, and she was the horse renowned for carrying wounded soldiers on and off the battlefield and making solo trips across combat zones to deliver supplies. A widely celebrated national hero, Reckless was first featured in 1954 in the Saturday Evening Post and more recently in 1997 when LIFE magazine published an edition lauding history’s one hundred all-time heroes. Equine enthusiast Robin Hutton learned about Sergeant Reckless and spearheaded the effort to commission a monument at the National Museum of the Marine Corps in Triangle (Quantico), VA. In July of 2013, the statue was unveiled. A second monument is planned for Camp Pendleton, where Reckless lived out her days and is buried. Hutton has now written the first-ever full biography of Sergeant Reckless, who earned two Purple Hearts for her heroic efforts (among other military decorations). Hutton has spoken with the Marines who fought alongside Reckless and tells the complete and captivating tale of how a would-be Korean racehorse became one of the greatest Marine wartime heroes. Sgt. Reckless brings the legend back to life more than half a century later.

They Called Her Reckless-Janet Barrett 2013-10-23 When the U.S. Marine 5th Regiment’s Recoillless Rifle Platoon acquired a small Korean pony to haul ammunition up the steep hills to the front lines, what they got was a real-life hero, Reckless, the courageous and indomitable warhorse who stood with her fellow Marines for two years during the Korean War, saving many lives, raising spirits, and winning the love and respect of all who knew her.

Sergeant Reckless-Patricia McCormick 2020-09-15 The inspiring true story of Reckless, the brave little horse who became a Marine. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 4 to 6. It’s a fun way to learn to read and as a supplement for activity books for children. When a group of US Marines fighting in the Korean War found a bedraggled mare, they wondered if she could be trained to as a packhorse. They had no idea that the skinny, underfed horse had one of the biggest and bravest hearts they’d ever known. And one of the biggest appetites! Soon Reckless showed herself more than willing to carry ammunition too heavy for the soldiers to haul. As children thundered and shells flew through the air, she marched into battle—again and again—becoming the only animal ever to officially hold military rank—becoming Sgt. Reckless—and receive two Purple Hearts. This is the first picture book from award-winning novelist Patricia McCormick, sumptuously illustrated by acclaimed artist Jacopo Bruno.

That Old Black Magic-Tom Clavin 2010 Both a love story and a tribute to the entertainment mecca, this exploration shines a spotlight on one of the hottest acts in Las Vegas in the late 1950s and early 1960s. The illuminating depiction showcases the unlikely duo—a grizzled, veteran trumpeter and vocalist molded by Louis Armstrong and a meek singer in the church choir—who went on to invent “The Wildest.” Bringing together broad comedy and finger-snapping, foot-stomping music that included early forays into rock and roll, Prima and Smith’s act became wildly popular and attracted all kinds of star-studded attention. In addition to chronicling their relationships with Ed Sullivan, Frank Sinatra, Robert Mitchum, and other well-known entertainers of the day—and their performance of “That Old Black Magic” at President John F. Kennedy’s inauguration—the narrative also examines the couple’s ongoing influence in the entertainment world. Running concurrent with their personal tale is their role in transforming Las Vegas from a small resort town in the desert to a booming city where the biggest stars were paid tons of money to become even bigger stars on stage and television.

Dodge City-Tom Clavin 2017-02-28 The instant New York Times bestseller! Dodge City, Kansas, is a place of legend. The town that started as a small military site exploded with the coming of the railroad, cattle drives, eager miners, settlers, and various entrepreneurs passing through to populate the expanding West. Before long, Dodge City’s streets were lined with saloons and brothels and its populace was thick with gunmen, horse thieves, and desperados of every sort. By the 1870s, Dodge City was known as the most violent and turbulent town in the West. Enter Wyatt Earp and Bat Masterson. Young and largely self-trained men, the lawmen led the effort that established frontier justice and the rule of law in the American West, and did it in the wickedest place in the United States. When they moved on, Wyatt to Tombstone and Bat to Colorado, a tamed Dodge was left in the hands of Jim Masterson. But before long Wyatt and Bat, each having had a lawman brother killed, returned to that threatened western Kansas town to team up to restore order again in what became known as the Dodge City War before riding off into the sunset. #1 New York Times bestselling author Tom Clavin’s Dodge City tells the true story of their friendship, romances, gunfights, and adventures, along with the remarkable cast of characters they encountered along the way (including Wild Bill Hickock, Jesse James, Doc Holliday, Buffalo Bill Cody, John Wesley Hardin, Billy the Kid, and Theodore Roosevelt) that has gone largely untold—lost in the haze of Hollywood films and western fiction, until now.

Wonder Horse-Emily Arnold McCully 2010-06-22 In the late 1800s, former slave and veterinarian Bill “Doc” Key realized that his new foal, Jim, was no ordinary horse. Believing in the power of kindness and patience, Doc taught Jim to spell, recognize the primary colors, and even make change from a cash register! Performing in shows across the country, Jim stunned audiences with his incredible skills. But when some people called Jim a fake, Doc set out to prove them wrong and to show the world that, thanks to the power of kindness and patience, Jim was truly a wonder horse. Caldecott Medalist Emily Arnold McCully’s account of this fascinating, true story comes alive in her striking illustrations.Wonder Horse is a 2011 Bank Street - Best Children’s Book of the Year.

The Last Stand of Fox Company-Bob Drury 2009-11-10 “The authors of the bestselling Halsey’s Typhoon do a fine job recounting one brutal, small-unit action during the Korean War’s darkest moment.” —Publishers Weekly November 1950, the Korean Peninsula. After General MacArthur ignores Mao’s warnings and pushes his UN forces deeper into North Korea, his 10,000 First Division Marines find themselves surrounded and hopelessly outnumbered by 100,000 Chinese soldiers near the Chosin Reservoir. Their only chance for survival is to fight their way south through the Toktong Pass, a narrow gorge that will need to be held open at all costs. The mission is handed to Captain William Barber and the 234 Marines of Fox Company, a courageous but undermined unit of the First Marines. Barber and his men climb seven miles of frozen terrain to a rocky promontory overlooking the pass, where they will endure four days and five nights of nearly continuous Chinese attempts to take Fox Hill. Amid the relentless violence, three-quarters of Fox’s Marines are killed, wounded, or captured. Just when it looks like they will be overrun, Lt. Colonel Raymond Davis, a fearless Marine officer who is fighting south from Chosin, volunteers to lead a daring mission that will seek to cut a hole in the Chinese lines and relieve the men of Fox. This is a fast-paced and gripping account of heroism in the face of impossible odds.

War Animals-Robin Hutton 2018-09-18 “This book will delight both animal lovers and military buffs!” — Elizabeth Letts, bestselling author of The Eighty Dollar Champion Millions rallied to the cause of freedom against Nazism and the menace of Imperial Japan. But did you know that some of those heroes had fur, or feathers? War animals guarded American coasts against submarine attack, dug out Londoners trapped in bomb wreckage, and carried vital messages under heavy fire on Pacific islands. They kept up morale, rushed machine gun nests, and even sacrificed themselves picking up live grenades. Now Robin Hutton, the bestselling author of Sgt. Reckless: America’s War Horse, tells the heart-warming stories of the dogs, horses, mules, pigeons—and even one cat—who did their bit for the war effort. American and British families volunteered beloved family pets and farm dogs to aid in the war effort; Americans, including President Roosevelt, bought honorary commissions in the reserves for lapdogs and other pets not suitable for military duties to “exempt” them from war service and raise money to defeat Hitler and Tojo. Many of these gallant animals are recipients of the prestigious PDSA Dickin Medal, the “Animals’ Victoria Cross.” In War Animals: The Unsung Heroes of World War II you’ll meet: Judy, the POW dog who helped her beloved human survive brutal Japanese prison camps -Cher Ami, the pigeon who nearly died delivering a message that saved American troops from death by friendly fire -Beauty, the “digging dog” who sniffed out Londoners buried in the wreckage of the Blitz—along with pets, including one goldfish still in its bow! -Oiga, the horse who braved shattering glass to do her duty in London bombings -Smoky, the Yorkshire terrier who did parachute jumps, laid communications wire through a pipe so small only she could navigate it, became the first therapy dog—and starred on a weekly TV show after the War -Simon, the war cat whose campaign against the “Mao Tse Tung” of the rat world saved food supplies and his ship’s crew -Chips, who guarded Roosevelt and Churchill during the Casablanca Conference, and the only dog to earn a Silver Star for his heroics The shining loyalty and courage of these heroes is a testimony to the enduring bond between us and the animals we love.

Reckless Pride of the Marines-Andrew Geer 2018-10-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Out of the Clouds-Linda Carroll 2018-05-29 In the bestselling tradition of The Eighty-Dollar Champion, the propulsive, inspiring Cinderella story of Stymie, an unwanted Thoroughbred, and Hirsch Jacobs, the once dirt-poor trainer who bought the colt on the cheap and molded him into the most popular horse of his time and the richest racehorse the world had ever seen. In the wake of World War II, as turmoil and chaos were giving way to a spirit of optimism, Americans were looking for inspiration and role models showing that it was possible to start from the bottom and work your way up to the top and they found it in Stymie, the failed racehorse plucked from the discard heap by trainer Hirsch Jacobs. Like Stymie, Jacobs was a commoner in “The Sport of Kings,” a dirt-poor Brooklyn city slicker who forged an unlikely career as racing’s winningest trainer by buying cheap, unsound nags and magically transforming them into winners. The \$1,500 stipend Jacobs paid to claim Stymie became history’s biggest bargain as the ultimate iron horse went on to run a whopping 131 races and win 25 stakes, becoming the first Thoroughbred ever to earn more than \$900,000. The Cinderella champion nicknamed “The People’s Horse” captivated the masses with his rousing charge-from-behind stretch runs, his gritty blue-collar work ethic, and his rags-to-riches success story. In a golden age when horse racing rivaled baseball and boxing as America’s most popular pastime, he was every bit as inspiring a sports hero as Joe DiMaggio and Joe Louis. Taking readers on a crowd-pleasing ride with Stymie and Jacobs, Out of the Clouds -- the winner of the Dr. Tony Ryan Book Award -- unwinds a real-life Horatio Alger tale of a dauntless team and its working-class fans who lived vicariously through the stouthearted little colt they embraced as their own.

Rough Magic-Lara Prior-Palmer 2019-05-07 “Taking off on a horse into the Mongolian Steppe sounds like the bracing inverse to an overpopulated, busy urban life, but having the skills and grit to pull it off is another thing entirely. . . . Lara Prior-Palmer attempted the Mongol Derby not really knowing what she was getting into; she ended it knowing much more about herself, and a race champion besides.” —Estelle Tang, Elle At the age of nineteen, Lara Prior-Palmer discovered a website devoted to “the world’s longest, toughest horse race”—an annual competition of endurance and skill that involves dozens of riders racing a series of twenty-five wild ponies across 1,000 kilometers of Mongolian grassland. On a whim, she decided to enter the race. As she boarded a plane to East Asia, she was utterly unprepared for what awaited her. Riders often spend years preparing to compete in the Mongol Derby, a course that re-creates the horse messenger system developed by Genghis Khan. Many fail to finish. Prior-Palmer had no formal training. She was driven by her own restlessness, stubbornness, and a lifelong love of horses. She raced for ten days through extreme heat and terrifying storms, catching a few hours of sleep where she could at the homes of nomadic families. Battling bouts of illness and dehydration, exhaustion and bruising falls, she decided she had nothing to lose. Each dawn she rode out again on a fresh horse, scrambling up mountains, swimming through rivers, crossing woodlands and wetlands, arid dunes and open steppe, as American television crews chased her in their jeeps. Told with terrific suspense and style, in a voice full of poetry and soul, Rough Magic captures the extraordinary story of one young woman who forged ahead, against all odds, to become the first female winner of this breathtaking race. “Think the next Educated or Wild. Palmer’s memoir of beating the odds to become a horse champion is an inspiring saga of perseverance—and a classic underdog tale.” —Entertainment Weekly

The Odyssey of Homer-Homer 1806

Born to Run-Christopher McDougall 2011 Recounts the author’s experiences with the reclusive Tarahumara Indians, whose techniques allow them to run long distances with ease, and describes his training for a fifty-mile race with the tribe and a number of ultramarathoners.

The Perfect Horse-Elizabeth Letts 2016-08-23 NEW YORK TIMES BESTSELLER • From the author of The Eighty-Dollar Champion, the remarkable story of the heroic rescue of priceless horses in the closing days of World War II In the chaotic last days of the war, a small troop of battle-weary American soldiers captures a German spy and makes an astonishing find—his briefcase is empty but for photos of beautiful white horses that have been stolen and kept on a secret farm behind enemy lines. Hitler has stockpiled the world’s finest purebreds in order to breed the perfect military machine—an equine master race. But with the starving Russian army closing in, the animals are in imminent danger of being slaughtered for food. With only hours to spare, one of the U.S. Army’s last great cavalrymen, Colonel Hank Reed, makes a bold decision—with General George Patton’s blessing—to mount a covert rescue operation. Racing against time, Reed’s small but determined force of soldiers, aided by several turncoat Germans, steals across enemy lines in a last-ditch effort to save the horses. Pulling together this multistranded story, Elizabeth Letts introduces us to an unforgettable cast of characters: Alois Podhajsky, director of the famed Spanish Riding School of Vienna, a former Olympic medalist who is forced to flee the bomb-ravaged Austrian capital with his entire stable in tow; Gustav Rau, Hitler’s imperious chief of horse breeding, a proponent of eugenics who dreams of genetically engineering the perfect warhorse for Germany; and Tom Stewart, a senator’s son who makes a daring moonlight ride on a white stallion to secure the farm’s surrender. A compelling account for animal lovers and World War II buffs alike, The Perfect Horse tells for the first time the full story of these events. Elizabeth Letts’s exhilarating tale of behind-enemy-lines adventure, courage, and sacrifice brings to life one of the most inspiring chapters in the annals of human valor. Praise for The Perfect Horse “Winningly readable. . . . Letts captures both the personalities and the stakes of this daring mission with such a sharp ear for drama that the whole second half of the book reads like a WWII thriller dreamed up by Alan Furst or Len Deighton. . . . The right director could make a Hollywood classic out of this fairy tale.”—The Christian Science Monitor “Letts, a lifelong equestrienne, eloquently brings together the many facets of this unlikely, poignant story underscoring the love and respect of man for horses.” —Kirkus Reviews

The Heart of Everything That Is-Bob Drury 2014-09-02 Draws on Red Cloud’s autobiography, which was lost for nearly a hundred years, to present the story of the great Oglala Sioux chief who was the only Plains Indian to defeat the United States Army in a war.

Beautiful Jim Key-Mim E. Rivas 2009-10-13 Beautiful Jim Key -- the one-time ugly duckling of a scrub colt who became one of the most beloved heroes of the turn of the century -- was adored not for his beauty and speed but rather for his remarkable abilities to read, write, spell, do mathematics, even debate politics. Trained with patience and kindness by one of the most renowned horse whisperers of his day -- former slave, Civil War veteran, and self-taught veterinarian Dr. William Key -- Jim performed in expositions across the country to wildly receptive crowds for nine glorious years, smashing box office records, clearing towering hurdles of skepticism and prejudice, and earning the respect and admiration of some of the most influential figures of the era, from Booker T. Washington to President William McKinley. This is the remarkable true saga of a truly exceptional animal -- and the no less exceptional man who led him to greatness.

Deadly Equines-CuChulaine O'Reilly 2011-04-01 There is widespread belief in a warm and comforting story which states the horse is a gentle herbivore. What if a Rosetta Stone had been found to unlock the dark secrets of the horse s past? An international multi-million dollar industry serviced by horse whisperers, glossy magazines and popular culture preaches that horses are meek prey animals who fear predators. What if evidence demonstrated horses have slain lions, tigers, pumas, wolves, hyenas and humans? Contemporary writers have successfully airbrushed murderous and meat-eating horses out of literature. What if Shakespeare, Sherlock Holmes and Steve McQueen provided artistic evidence to refute that claim? Thanks to global equestrian amnesia, the crucial role played by horses in recent history has been lost to mankind. What if testimony revealed meat-eating horses had been used to explore the Poles and photographs had been discovered of Tibet s blood-eating horses? Deadly Equines is a revolutionary departure from equestrian romance. It is a fact-filled analysis which reveals how humanity has known about meat-eating horses for at least four thousand years, during which time horses have consumed nearly two dozen different types of protein, including human flesh, and that these episodes have occurred on every continent, including Antarctica. Various sources of corroborating data, including legends, literature, cinema, news stories, scientific reports and eyewitness accounts are presented for the reader s investigation. None of these items had been hidden. They were ignored, misinterpreted or, in some cases, censored. The result is the first exploration of the horse s hidden history, an alternative equestrian world populated by forgotten facts, overlooked evidence and astonishing stories. Amply illustrated, and containing a map of occurrences, this study challenges the reader to develop a new under-standing of the horse, one based upon reason, not fantasy.

Sergeant Reckless-Loren Spiotta-Dimare 2018-11-06 “Loren Spiotta-DiMare has captured the essence of Reckless in a way children will adore. Thoughtfully written and beautifully illustrated, Sgt. Reckless will leap off the page and into your child’s heart, and become their favorite hero.” -Robin Hutton, Author of New York Times bestseller Sgt. Reckless: America’s War Horse She’s a decorated Marine, a combat veteran, and a horse. Meet Sergeant Reckless! Sergeant Reckless is the remarkable true story of a horse who overcame great odds to become a hero. Raised and trained to become a racehorse in Seoul, Korea, Flame is destined to be a winner. But when the Korean War breaks out on the day of her first official race, her life changes forever. Flame’s owner, Kim, flees to a safer place along with his family and beloved horse. When he returns, he meets an American Marine, Lieutenant Pederson, who purchases the little sorrel mare to serve with the Recoillless Rifle Platoon. The Marines rename her Reckless, and her amazing second career begins.

All Blood Runs Red-Phil Keith 2019-11-05 The incredible story of the first African American military pilot, who went on to become a Paris nightclub impresario, a spy in the French Resistance and an American civil rights pioneer Eugene Bullard lived one of the most fascinating lives of the twentieth century. The son of a former slave and an indigenous Creek woman, Bullard fled home at the age of eleven to escape the racial hostility of his Georgia community. When his journey led him to Europe, he garnered worldwide fame as a boxer, and later as the first African American fighter pilot in history. After the war, Bullard returned to Paris a celebrated hero. But little did he know that the dramatic, globe-spanning arc of his life had just begun. All Blood Runs Red is the inspiring untold story of an American hero, a thought-provoking chronicle of the twentieth century and a portrait of a man who came from nothing and by his own courage, determination, gumption, intelligence and luck forged a legendary life.

Unbroken-Laura Hillenbrand 2014-07-29 Relates the story of a U.S. airman who survived when his bomber crashed into the sea during World War II, spent forty-seven days adrift in the ocean before being rescued by the Japanese Navy, and was held as a prisoner until the end of the war.

Tombstone-Tom Clavin 2020-04-21 THE INSTANT NATIONAL BESTSELLER “Tombstone is written in a distinctly American voice.” —T.J. Stiles, The New York Times “With a former newsmen’s nose for the truth, Clavin has sifted the facts, myths, and lies to produce what might be as accurate an account as we will ever get of the old West’s most famous feud.” —Associated Press The true story of the Earp brothers, Doc Holliday, and the famous Battle at the OK Corral, by the New York Times bestselling author of Dodge City and Wild Bill. On the afternoon of October 26, 1881, eight men clashed in what would be known as the most famous shootout in American frontier history. Thirty bullets were exchanged in thirty seconds, killing three men and wounding three others. The fight sprang forth from a tense, hot summer. Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers. The Mexican government built forts along the border to try to thwart American outlaws, while Arizona citizens became increasingly agitated. Rustlers, who became known as the cow-boys, began to kill each other as well as innocent citizens. That October, tensions boiled over with Ike and Billy Clanton, Tom and Frank McLaury, and Billy Claiborne confronting the Tombstone marshal, Virgil Earp, and the suddenly deputized Wyatt and Morgan Earp and shotgun-toting Doc Holliday. Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence that made it famous. Tombstone also digs deep into the vendetta ride that followed the tragic gunfight, when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo, Curly Bill Brocius, and other cowboys who had cowardly gunned down his brothers. That “vendetta ride” would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier’s last boom town.

The Eighty-dollar Champion-Elizabeth Letts 2012 Traces the story of a champion equine jumper and the Dutch farmer who rescued him from the slaughterhouse, recounting how the farmer discovered Snowman’s jumping talents and trained him to compete against the world’s thoroughbreds.

Buckley’s Chance-Gary Linnell 2020-02 He fought Napoleon’s army and survived. He was sent to the gallows and escaped the noose. Now he is in chains and on his way to the other side of the world. What happens next will become one of the most remarkable survival stories in history. The 19th century has just begun. The world is at war. England, ruled by a mad king, is exiling thousands of criminals to an old land that has become its newest dumping ground. One of those prisoners is William Buckley, barely 21, a former soldier sentenced to life for stealing two small pieces of cloth. But it’s a giant for his times. But it’s not just his towering frame that sets him apart. It’s his desire for freedom that will make his story so unique - even in an era famous for outrageous acts of bravery and heroism. On a moonlit night Buckley escapes and disappears into the Australian bush. Discovered and adopted by an aboriginal tribe who regard him as a ghost, he is initiated into their rich and complex culture. Given up for dead by his white captors, he will not be seen again for more than 30 years until he emerges one day...carrying a spear, dressed in animal skins and having forgotten the English language. Buckley’s Chances a profound journey into a turning point in history where cultures clash, bitter rivals go to war and the body count mounts. It’s also the story of a man who refuses to be held down. A man prepared to defy all odds and take a chance. Buckley’s chance.

Dark Horses-Cecily Von Ziegesar 2016 Merritt Wenner has been self-destructing ever since the tragic deaths of her grandmother and her horse. After an epic all-night bender, she walks out of the SAT and disappears. Her parents, looking for a quick fix, ship her off to a residential equine-assisted therapy program. At Good Fences, Merritt meets Red: a failed racehorse and a terror in the barn. Red has never bonded with anyone, but Merritt is not afraid of him, which makes all the difference. Soon they’re sneaking rides after curfew. Red’s owner, recognising their potential, funds their launch into the hunter/jumper circuit.

Go Down Together-Jeff Guinn 2012-12-25 From the moment they first cut a swathe of crime across 1930s America, Clyde Barrow and Bonnie Parker have been glamorised in print, on screen and in legend. The reality of their brief and catastrophic lives is very different -- and far more fascinating. Combining exhaustive research with surprising, newly discovered material, author Jeff Guinn tells the real story of two youngsters from a filthy Dallas slum who fell in love and then willingly traded their lives for a brief interlude of excitement and, more important, fame. Thanks in great part to surviving relatives of Clyde Barrow and Bonnie Parker, who provided Guinn with access to never-before-published family documents and photographs, this book reveals the truth behind the myth, told with cinematic sweep and unprecedented insight by a master storyteller.

Gooch’s Marines-Lou Gialfo 2013-05-15 GOOCH’S MARINES is a complete history of the United States Marine Corps, starting some forty years before the American Revolution, with a special regimental unit commissioned by colonial Governor William Gooch, under orders of King George II, to serve with the British Royal Marines, under the command of Lawrence Washington (elder half-brother of George Washington), in a campaign against the Spanish in the West Indies. Although they were formed in 1775, a year before the Declaration of Independence in 1776, they were not officially designated as U.S. Marines until commissioned by the Continental Congress and served as Continental U.S. Marines during the American Revolutionary War. The rest is history, as they established their military tradition, warriors generally conceded by military historians as second to none. It can also be said of U.S. Marine Corps that they were essentially the first U.S. Special Forces, selected originally for special assignments. They have prevailed in all of their military campaigns, despite the cost they’ve had to pay in blood. The Marines proudly attribute this tradition to their superior command structure, starting with war recruits in boot camp, along with its officer corps coming out of the U.S. Naval Academy, and ROTC college campuses. Some are selected from its enlisted ranks for U.S. Marine Corps Officer Training School, while others, who display leadership and courage under fire, are given battlefield commissions. About the Author: Born in Boston, Massachusetts and raised in Hartford, Connecticut, Lou Gialfo’s life can be summed up in three words: art, teaching and writing. After serving in the U.S. Marine Corps for three years, Lou attended art school for three years. He then headed to New York City to pursue his career as a commercial artist. Lou enrolled in the local community college, Queensborough Community College for his associate’s degree. He then went on to Queen’s College, for his bachelor’s degree, and then his master’s degree in education at Austin Peay State University in Clarksville, Tennessee, while working full-time as an art specialist. Lou considers his greatest accomplishment to be his son, Jason Lou Gialfo.

Roosevelts-Peter Collier 1995-06-01 The Roosevelts is a brilliant and controversial account of twentieth-century American political culture as seen through the lens of its preeminent political dynasty. Peter Collier shows how Theodore and Franklin Roosevelt, along with their descendants, scrambled to define the direction that American politics would take. The Oyster Bay clan, influenced by the flamboyant Teddy, was extroverted, eccentric, tradition-bound, and family-oriented. They represented an age of American innocence that would be replaced by Franklin’s Hyde Park Roosevelts, who were aloof and cold yet individualistic and progressive. Drawing on extensive interviews and brimming with trenchant anecdotes, this historical portrait casts new light on the pivotal events and personalities that shaped the Roosevelt legacy -- from Eleanor’s often brutal relationship with her children and Theodore Jr.’s undoing in the 1924 New York gubernatorial race, to the heroism of Teddy’s sons during both World Wars and FDR’s loveless marriage. The Roosevelts is history at its most penetrating, a crucial work that illuminates the foundations of contemporary, American politics.

Chosen by a Horse-Susan Richards 2006-06-01 “Two kindred spirits find each other in this beautifully written memoir about the human-animal bond” (Temple Grandin, author of Animals in Translation). When Susan Richards agreed to take on the care of one of the abused horses just rescued by the local SPCA, she didn’t know it was about to open a new chapter in her life. Things had not always been easy for Susan—she had lost her mother at the age of five and was raised by uncaring relatives, married unhappily and divorced, and suffered from alcoholism. But while Susan is trying to capture the horse assigned to her, a skeletal mare named Lay Me Down walks into her trail of her own volition. Susan already owns one mare and two geldings—the diva-like Georgia, boyish Tempo, and hopelessly romantic Hotshot—but it is with Lay Me Down that she forges a special, healing relationship that alters her life. Poignant and evocative, Chosen by a Horse is a book for anyone who has ever loved a horse, and for everyone who has ever lost a loved one.

The Ghost Horse-Joe Layden 2013-05-07 In The Ghost Horse, Joe Layden tells the inspiring true tale of a one-eyed, club-footed thoroughbred racehorse and a journeyman trainer, Tim Snyder, who scraped together every penny he had to purchase the broken and unwanted filly. Snyder helped the horse overcome its deficiencies, eventually naming her in part after his deceased wife, Lisa, the great and only love of his life—a bright and sweet-tempered woman whose gentle demeanor seemed eerily reflected in the horse. The trainer (and now owner) was by nature a crusty and combative sort, the yin to his wife’s yang, a racetrack lifer not easily moved by new-age mysticism or sentiment. And yet in those final days back in 2003, when Lisa Snyder lay in bed, her body ravaged by cancer, she reassured her family with a weak smile. "It's okay. "It's okay," she'd say. "I'll see you again. I'm coming back as a horse." Tim Snyder did not then believe in reincarnation. But he acknowledged the strangeness of this journey, the series of coincidences that brought them together, and the undeniable similarities between the horse and his late wife. And so did those who knew the couple well, and who could now only marvel at the story of the filly, Lisa's Booby Trap, and the dawn-on-his-luck trainer who apparently had been given a new lease on life. The Ghost Horse is a powerful horserearing story of underdogs and second chances.

The One-Day Contract-Rick Pitino 2013-10-01 A life-changing guide to achieving your goals, by the 2013 NCAA champion college basketball coach and #1 New York Times bestselling author. Rick Pitino is famous as one of the most dynamic and successful basketball coaches of our time, leading the University of Louisville Cardinals to the NCAA basketball championship in 2013, and is renowned for writing the #1 New York Times bestselling success and leadership book, Success is a Choice. In his new book, The One-Day Contract, Pitino details his key to success, on the court and in life: to focus on making the most of each day, by creating a contract with yourself. Coach Pitino was able to turn Louisville into NCAA champions by applying this idea to everything he and the team did-every practice, every recruiting visit, every game preparation, every scouting report, every instruction that he gave players and coaches, and everything he did himself. Each day became just as important as reaching the national championship, and so, by honoring the one-day contract, he and Louisville moved through adversity toward their goal. In this inspiring and practical guide, Coach Rick Pitino illustrates how to set your own one-day contract, and follow through to honor it for each day, each goal, and each interaction with another person. Pitino shows how to: - Establish focus as a discipline in everything you do: planning, strategy, priorities, and career advancement. - Discover the true key to success: not ambition, not wealth, not power, but humility. - Use technology wisely-but don't let it replace personal connection with the people you work and live with. - Own up to your problems, tell the truth and they will become part of your past. Lie and they become part of your future. - Make small changes and add value to every minute of your life. The One-Day Contract will reshape the way you approach your job, your goals, and your life.

Taking Shergar-Milton C. Toby 2018-08-15 It was a cold and foggy February night in 1983 when a group of armed thieves crept onto Ballyman Stud, near The Curragh in County Kildare, Ireland, to steal Shergar, one of the Thoroughbred industry’s most renowned stallions. Bred and raced by the Aga Khan IV and trained in England by Sir Michael Stoute, Shergar achieved international prominence in 1981 when he won the 202nd Epsom Derby by ten lengths -- the longest winning margin in the race’s history. The thieves demanded a hefty ransom for the safe return of one of the most valuable Thoroughbreds in the world, but the ransom was never paid and Shergar’s remains have never been found. In Taking Shergar: Thoroughbred Racing’s Most Famous Cold Case, Milton C. Toby presents an engaging narrative that is as thrilling as any mystery novel. The book provides new analysis of the body of evidence related to the stallion’s disappearance, delves into the conspiracy theories that surround the inconclusive investigation, and presents a profile of the man who might be the last person able to help solve part of the mystery. Toby examines the extensive cast of suspects and their alleged motives, including the Irish Republican Army and their need for new weapons, a French bloodstock agent who died in Central Kentucky, and even the Libyan dictator, Muammar al-Qadhafi. This riveting account of the most notorious unsolved crime in the history of horse racing will captivate serious racing fans and aficionados as well as entertain a new generation of horse racing enthusiasts.

Hey Rube-D Hunter S. Thompson 2004 Presents a collection of writings from the author’s column “Hey Rube” on ESPN.com, covering such topics as retaliation for September 11th, his suggestions for “fixing” baseball, and other thoughts on politics, sports, and gossip.

Heroes-David Long 2018-10-02 Thirty-three incredible stories of animal heroes from the team that brought you Blue Peter Award-winning SURVIVORS For as long as there have been wars, animals have been out there saving lives. Courageous dogs, cats, birds, horses, and even a bear have shown courage and devotion, and this book tells you their extraordinary stories. Includes the story of Jet the Alsatian who became a hero of the Blitz, pulling survivors from burning rubble, night after night. Gallipoli Murphy, the donkey who served as an ambulance. Simon, the cat who saved his crew. And many, many more. These animals help us to remember that not all heroes are human. Glorious full-colour double-page illustrations throughout. Praise for the series: ‘True-story fans will love this.’ Inis Children’s Books Ireland ‘Full of incredible real-life stories. . . . Ultimately an inspirational book, beautifully illustrated.’ Angels and Urchins ‘A great collection of harrowing, true survivor stories.’ Kirkus

The Joy Luck Club-Amy Tan 2006-09-21 “The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational.” —Kevin Kwan, author of Crazy Rich Asians Amy Tan’s beloved, New York Times bestselling tale of mothers and daughters Four mothers, four daughters, four families whose histories shift with the four winds depending on who’s “saying” the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspoken loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. “To despair was to wish back for something already lost. Or to prolong what was already unbearable.” Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boud or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

What I Was Doing While You Were Breeding-Kristin Newman 2014 Part laugh-out-loud storytelling, part thoughtful self-reflection, this debut memoir from a television comedy writer follows her many adventures around the world in an attempt to escape her fear of commitment and settling down. Original. 50,000 first printing.

Sgt. Reckless, the War Horse-Melissa Higgins 2014-07-01 "Simple text and full-color illustrations describe the true story of Staff Sergeant Reckless, the Korean War horse"--

Healthy Stables by Design-John Blackburn 2013-07-26 0 1 104 594 The Images Publishing Group 4 1 697 14.0 Normal 0 false false false EN-AU JA X-NONE \* /table.MsoNormalTable {mso-style-name:Table Normal}; mso-style-rowband-size:0; mso-style-colband-size:0; mso-style-noshow:yes; mso-style-priority:99; mso-style-parent: ""; mso-padding-alt:0in 5.4pt 0in 5.4pt; mso-para-margin:0in; mso-para-margin-bottom:.0001pt; mso-pagination:widow-orphan; font-size:10.0pt; font-family:Cambria;} Healthy Stables by Design turns traditional sheltering practices for horses on its ear, introducing the concepts of aerodynamic ventilation, strategic natural light, and passive solar heating and cooling into compelling horse barn designs ranging from exquisite to functional and everything in between. With projects executed throughout the United States, and with clients that include elite thoroughbred breeders, Fortune 500 executives and famed Southern families with Civil War-era provenance, preeminent and award winning equestrian architect John Blackburn is credited with raising the bar on 160 horse barn concepts that focus on the health and safety of horses through science and design.

Thucydides and the Ancient Simplicity-Gregory Crane 1998-08-28 Thucydides' History of the Peloponnesian War is the earliest surviving realist text in the European tradition. As an account of the Peloponnesian War, it is famous both as an analysis of power politics and as a classic of political realism. From the opening speeches, Thucydides' Athenians emerge as a new and frightening source of power, motivated by self-interest and oblivious to the rules and shared values under which the Greeks had operated for centuries. Gregory Crane demonstrates how Thucydides' history brilliantly analyzes both the power and the dramatic weaknesses of realist thought. The tragedy of Thucydides' history emerges from the ultimate failure of the Athenian project. The new morality of the imperialists proved as conflicted as the old; history shows that their values were unstable and self-destructive. Thucydides' history ends with the recounting of an intellectual stalemate that, a century later, motivated Plato's greatest work. Thucydides and the Ancient Simplicity includes a thought-provoking discussion questioning currently held ideas of political realism and its limits. Crane's sophisticated claim for the continuing usefulness of the political examples of the classical past will appeal to anyone interested in the conflict between the exercise of political power and the preservation of human freedom and dignity.

The DiMaggios-Tom Clavin 2013-05-14 In The DiMaggios, acclaimed sportswriter Tom Clavin reveals the untold Great American Story of three brothers, Joltin' Joe, Dom, and Vince DiMaggio, and the Great American Game—baseball—that would consume their lives.
