Red-Light Nights, Bangkok Daze-William Sparrow 2008-09-01 Sexy, entertaining, and thoroughly informative, this collection of reports offers a glimpse into what is enticing, insightful, and unknown about sex in Asia. Covering the gamut of love, lust, passion, and pleasure across Asia, these articles offer unique insights into the sometimes shadowy world of the carnal pleasures on offer and the hypocrisies surrounding them. Gathered from the views of unrepentant 'sexpats', wayward tourists, and the locals themselves, in Red-light Nights, Bangkok Daze, you'll find revelations about the varied experiences this huge cast of characters participates in. Succumb to the lights, and weather the daze; you'll find yourself exhilarated and waking to a newfound awareness of the complex, interesting and yet confusing world of sex in Asia.

Stories of love and sex around the world. True stories. Second part-Albert The Writer 2017-11-17 Have you ever dreamt about traveling around the world and meeting girls from different countries? It doesn't always go well, but it is always interesting. Around five years ago, I made the decision to go to Australia. It took a lot of guts. It was the first stop of my trip. When I arrived, I looked at the sky, and I thought, I like it! I didn't mean Australia (which I also like), I meant the feeling of freedom. That feeling will always be with me. Since then, I have met many different people, seen amazing places and enjoyed great adventures.

Tis is the frst part of the best stories of love and sex that I experienced during my trips. Buy Stories of Love and Sex now, and enjoy! "It surprised me how easy it is to read and how fast time passes when you submerge yourself in the stories. Tey introduce you, through the experience of the author, to different parts of the world." -Dani P. "Seeing the point of view of a man about these kinds of situations had me uneasy during the whole book." -Erika G. "It is an entertaining book that brings you through different stories of love and loveless traveling. I personally felt inside the skin of the writer in many of the stories." -Carlos L.

Red Sparrow-Jason Matthews 2014-04-29 Drafted against her will to serve the regime of Vladimir Putin as an intelligence seductress, Dominika Egorova engages in a charged effort of deception and tradecraft with first-tour CIA officer Nathaniel Nash before a forbidden attraction threatens their careers.

Byculla to Bangkok-Hussain Zaidi 2017-08-16 The high-stakes game of the underworld has new faces, working for and against Dawood Ibrahim - the shadowy, manipulative figure that pulls the strings. Dawood's own deputy turned arch-rival Chhota Rajan, thug-turned-politician Arun Gawli, Amar (Raavan) Naik and his engineer brother Ashwin Naik, and a host of other characters, big and small, walk the pages of this compelling history of the Maharashtrian mobsters who were once dubbed 'amchi muley', 'our boys', by Shiv Sena chief Bal Thackeray. Equally fascinating are the stories of the famous - and infamous - policemen and 'encounter specialists' who took the gangs on with great success and not too many scruples. Violence and deceit one expects to read of, but the strength of this

book is also its ability to capture the mundane - almost naive - beginnings of what very quickly became the organized crime and brutal vendettas that held Mumbai to ransom through the last decades of the twentieth century. Meticulously researched and thrillingly told by the acknowledged expert on the underworld, this is faster-paced than *Dongri to Dubai*, and even more chilling in its implications for India and the subcontinent.

*Provincetown Follies*, Bangkok Blues-Randall Peffer 2006 Tuki Aparecio, a popular drag entertainer in Provincetown, Massachusetts, is arrested for arson and murder. The defense attorney assigned to represent Tuki, Michael DeCastro, immediately realizes that this will be no easy case: his client's life is full of mysteries, most of which he is not keen to divulge. Less a murder mystery than a journey of discovery, the book is really a story of the slow road from suspicion to trust.

*Relentless Pursuit*-Samuel M. Katz 2003-09-13 Al Queda's war on America did not start on September 11, 2001. Just ask the Diplomatic Security Service. It was on February 6, 1993, that the United States was first attacked on its own soil by foreign terrorists. A zealous band of Middle Easterners, holy warriors determined to punish the U.S. for its supposed transgressions against Islam, packed over a ton of home made explosives into the back of a rented van. They drove their bomb across the Hudson from New Jersey, maneuvered it through downtown traffic and parked it in the underground garage at the Vista Hotel, beneath the twin towers of the World Trade Center. They lit a long fuse, which allowed them time to get back to New Jersey to watch the results of the explosion on CNN. They hoped to topple one mammoth tower into the other and kill ten thousand people or more. Miraculously, only six people were killed. Most of the group were captured within a week, but the mastermind behind the attack, Ramzi Ahmed Yousef, had immediately gone to JFK airport to fly to Pakistan. Before leaving, he phoned the Associated Press and claimed responsibility for the bombing in the name of the Arab Liberation Army, a terrorist group led by Saudi exile Osama bin Laden. A succession of such brazen crimes has revealed complex connections among terrorist groups with an implacable hostility toward Western civilization. Outrages such as the assassination of the Jewish Defense League founder Meier Kahane, a huge plot in the Philippines to plant bombs on intercontinental airlines and to assassinate the Pope, the bombing of U.S. embassies, culminating in the African embassy bombings of 1998, the attack on the USS Cole in 1999, and the devastating attack on the World Trade Center in 2001 have made it clear that a worldwide network of terrorists led by Osama bin Laden is making war on the United States. On the front lines combating these terrorists in 150 countries around the world have been the 1,200 agents of the U.S. Department of State's Diplomatic Security Service. A little-known but highly effective branch of the government, the DSS is the one arm of federal law enforcement with international powers of arrest. These agents maintain close ties to local police commanders in many countries and can entice informants with bounties of up to \$4,000,000. After a challenging international search, it was DSS agents in Pakistan who captured Ramzi Yousef. DSS agents have been in the vanguard of the War on Terrorism long before it was declared. In *Relentless Pursuit*, Samuel Katz review the escalating series of terrorist attacks on the U.S. during the last decade, including those in many foreign countries and finally in New York and Washington. In the process, he tells the

gripping story of the DSS and its agents protecting us and our representatives here and abroad. Katz's detailed, personal, on-the-ground anecdotes bring home the contexts and linkages of the War on Terrorism that has been fought on our behalf by the DSS since the 1980s. *Relentless Pursuit* is a stirring tribute to an unsung group of brave Americans. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Beach-Alex Garland 2005-07-05* The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

*Getting Off-Erica Garza 2018-01-09* "Erica Garza has written a riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...*Getting Off* makes for a wild, timely read" (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to *Getting Off*. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we've all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica's life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. *Getting Off* offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—"a profoundly genuine, gripping story that any

reader can appreciate" (Vice). "In reading Garza's insight into her own experiences, we better understand ourselves" (The New York Times Book Review).

The Shock Doctrine-Naomi Klein 2010-04-01 The bestselling author of No Logo shows how the global "free market" has exploited crises and shock for three decades, from Chile to Iraq In her groundbreaking reporting over the past few years, Naomi Klein introduced the term "disaster capitalism." Whether covering Baghdad after the U.S. occupation, Sri Lanka in the wake of the tsunami, or New Orleans post-Katrina, she witnessed something remarkably similar. People still reeling from catastrophe were being hit again, this time with economic "shock treatment," losing their land and homes to rapid-fire corporate makeovers. The Shock Doctrine retells the story of the most dominant ideology of our time, Milton Friedman's free market economic revolution. In contrast to the popular myth of this movement's peaceful global victory, Klein shows how it has exploited moments of shock and extreme violence in order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South Africa, Russia, and Iraq. At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization combined with the privatization of the disaster response itself. Klein argues that by capitalizing on crises, created by nature or war, the disaster capitalism complex now exists as a booming new economy, and is the violent culmination of a radical economic project that has been incubating for fifty years.

The Sympathizer-Viet Thanh Nguyen 2015-04-02 Winner of the 2016 Pulitzer Prize for Fiction Winner of the 2016 Edgar Award for Best First Novel Winner of the 2016 Andrew Carnegie Medal for Excellence in Fiction "[A] remarkable debut novel . . . [Nguyen] brings a distinctive perspective to the war and its aftermath. His book fills a void in the literature, giving voice to the previously voiceless . . . The nameless protagonist-narrator, a memorable character despite his anonymity, is an Americanized Vietnamese with a divided heart and mind. Nguyen's skill in portraying this sort of ambivalent personality compares favorably with masters like Conrad, Greene, and le Carré. . . . Both thriller and social satire. . . . In its final chapters, The Sympathizer becomes an absurdist tour de force that might have been written by a Kafka or Genet."—Philip Caputo, New York Times Book Review (cover review) The winner of the 2016 Pulitzer Prize for Fiction, as well as seven other awards, The Sympathizer is the breakthrough novel of the year. With the pace and suspense of a thriller and prose that has been compared to Graham Greene and Saul Bellow, The Sympathizer is a sweeping epic of love and betrayal. The narrator, a communist double agent, is a "man of two minds," a half-French, half-Vietnamese army captain who arranges to come to America after the Fall of Saigon, and while building a new life with other Vietnamese refugees in Los Angeles is secretly reporting back to his communist superiors in Vietnam. The Sympathizer is a blistering exploration of identity and America, a gripping espionage novel, and a powerful story of love and friendship.

Tanner's Twelve Swingers-Lawrence Sanders 2009-10-13 Sometime spy Evan Tanner has accepted impossible assignments for many reasons: money, thrills, to have something to occupy his waking hours (twenty-four of them every day, in fact, since battlefield shrapnel obliterated his brain's sleep center). But this might be the first time he's put his life on the line . . . for love. Tanner's agreed to smuggle a sexy Latvian gymnast—the lost lady love of a heart-sick friend—out of Russia. With the Cold War at its chilliest and the Iron Curtain slammed shut, this will not be easy, especially since everybody in Eastern Europe, it seems, wants to tag along, including a subversive Slav author and the six-year-old heir to the nonexistent Lithuanian throne. But that's not the biggest hurdle. The gymnast refuses to budge unless Tanner rescues her eleven delightfully limber teammates as well—and that might be raising the bar too lethally high for even the ever-resourceful Evan Tanner to clear.

Hunters in the Dark-Lawrence Osborne 2016-01-12 From the novelist the New York Times compares to Paul Bowles, Evelyn Waugh and Ian McEwan, an evocative new work of literary suspense Adrift in Cambodia and eager to side-step a life of quiet desperation as a small-town teacher, 28-year-old Englishman Robert Grieve decides to go missing. As he crosses the border from Thailand, he tests the threshold of a new future. And on that first night, a small windfall precipitates a chain of events-- involving a bag of "jinxed" money, a suave American, a trunk full of heroin, a hustler taxi driver, and a rich doctor's daughter--that changes Robert's life forever. Hunters in the Dark is a sophisticated game of cat and mouse redolent of the nightmares of Patricia Highsmith, where identities are blurred, greed trumps kindness, and karma is ruthless. Filled with Hitchcockian twists and turns, suffused with the steamy heat and pervasive superstition of the Cambodian jungle, and unafraid to confront difficult questions about the machinations of fate, this is a masterful novel that confirms Lawrence Osborne's reputation as one of our finest contemporary writers.

A Taste for Brown Sugar-Mireille Miller-Young 2014-10-30 A Taste for Brown Sugar boldly takes on representations of black women's sexuality in the porn industry. It is based on Mireille Miller-Young's extensive archival research and her interviews with dozens of women who have worked in the adult entertainment industry since the 1980s. The women share their thoughts about desire and eroticism, black women's sexuality and representation, and ambition and the need to make ends meet. Miller-Young documents their interventions into the complicated history of black women's sexuality, looking at individual choices, however small—a costume, a gesture, an improvised line—as small acts of resistance, of what she calls "illicit eroticism." Building on the work of other black feminist theorists, and contributing to the field of sex work studies, she seeks to expand discussion of black women's sexuality to include their eroticism and desires, as well as their participation and representation in the adult entertainment industry. Miller-Young wants the voices of black women sex workers heard, and the decisions they make, albeit often within material and industrial constraints, recognized as their own.

Palace of Treason-Jason Matthews 2015-06-02 Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The thrilling sequel to Red Sparrow—CIA insider Jason Matthews's compulsively readable New York Times bestseller and Edgar Award winner—featuring Russian spy Dominika Egorova and CIA agent Nate Nash "shimmers with authenticity. The villains are richly drawn...the scenes of them on the job are beyond chilling" (The New York Times Book Review). Captain Dominika Egorova of the Russian Intelligence Service despises the oligarchs, crooks, and thugs of Putin's Russia—but what no one knows is that she is also working for the CIA. Her "sparrow" training in the art of sexual espionage further complicates the mortal risks she must take, as does her love for her handler Nate Nash—a shared lust that is as dangerous as treason. As Dominika expertly dodges exposure, she deals with a murderously psychotic boss, survives an Iranian assassination attempt and attempts to rescue an arrested double agent—and thwart Putin's threatening flirtations. A grand, wildly entertaining ride through the steel-trap mind of a CIA insider, Palace of Treason is a story "as suspenseful and cinematic as the best spy movies" (The Philadelphia Inquirer)—one that feels fresh and so possible, in fact, that it's doubtful this novel can ever be published in Russia.

Second Suns-David Oliver Relin 2016-10-01 Now in paperback: a #1 New York Times-bestselling author's gripping chronicle of "two doctors . . . bringing light to those in darkness" (Time) The publisher will donate a portion of its proceeds on the sale of this book to the Himalayan Cataract Project. Second Suns is the unforgettable true story of two very different doctors with a common mission: to rid the world of preventable blindness. Dr. Geoffrey Tabin was the high-achieving "bad boy" of his class at Harvard Medical School. Dr. Sanduk Ruit grew up in a remote village in the Himalayas, where cataract blindness—easily curable in modern hospitals—amounts to an epidemic. Together, they pioneered a new surgical method, by which they have restored sight to over 100,000 people—all for about \$20 per operation. Master storyteller David Oliver Relin brings the doctors' work to vivid life through poignant portraits of their patients, from old men who can once again walk treacherous mountain trails, to children who can finally see their mothers' faces. The Himalayan Cataract Project is

changing the world—one pair of eyes at a time.

The Rise & Fall of Great Powers-Tom Rachman 2014-06-10 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Seattle Times • The Globe and Mail • Kirkus Reviews • Daily Mail • The Vancouver Sun For fans of Jennifer Egan, Dave Eggers, and Donna Tartt—the brilliant, intricately woven new novel by Tom Rachman, author of The Imperfectionists Look in the back of the book for a conversation between Tom Rachman and J. R. Moehringer Following one of the most critically acclaimed fiction debuts in years, New York Times bestselling author Tom Rachman returns with a brilliant, intricately woven novel about a young woman who travels the world to make sense of her puzzling past. Tooty Zylberberg, the American owner of an isolated bookshop in the Welsh countryside, conducts a life full of reading, but with few human beings. Books are safer than people, who might ask awkward questions about her life. She prefers never to mention the strange events of her youth, which mystify and worry her still. Taken from home as a girl, Tooty found herself spirited away by a group of seductive outsiders, implicated in capers from Asia to Europe to the United States. But who were her abductors? Why did they take her? What did they really want? There was Humphrey, the curmudgeonly Russian with a passion for reading; there was the charming but tempestuous Sarah, who sowed chaos in her wake; and there was Venn, the charismatic leader whose worldview transformed Tooty forever. Until, quite suddenly, he disappeared. Years later, Tooty believes she will never understand the true story of her own life. Then startling news arrives from a long-lost boyfriend in New York, raising old mysteries and propelling her on a quest around the world in search of answers. Tom Rachman—an author celebrated for humanity, humor, and wonderful characters—has produced a stunning novel that reveals the tale not just of one woman but of the past quarter-century as well, from the end of the Cold War to the dominance of American empire to the digital revolution of today. Leaping between decades, and from Bangkok to Brooklyn, this is a breathtaking novel about long-buried secrets and how we must choose to make our own place in the world. It will confirm Rachman's reputation as one of the most exciting young writers we have. Praise for The Rise & Fall of Great Powers "Ingenious . . . Rachman needs only a few well-drawn characters to fill a large canvas and an impressive swath of history."—Janet Maslin, The New York Times "A superb follow-up to 2010's The Imperfectionists . . . ambitious and engaging."—The Seattle Times "Engaging and inventive . . . full of wonderfully quirky, deeply flawed, but lovable characters . . . On the spectrum of interesting literary childhoods, Tooty Zylberberg—the protagonist of Tom Rachman's second novel—would rank somewhere in the vicinity of Jane Eyre and Oliver Twist."—San Francisco Chronicle "I found it impossible not to fall in love with shape-shifting Tooty. As an adult, she sports an ironical sense of humor and an attraction to dusty old books. As a child, her straight-faced mirth and wordplay are break-your-heart irresistible."—Ron Charles, The Washington Post "[A] read-it-all-in-one-weekend book."—The New Republic "A compelling page-turner . . . intricate, sprawling, and almost Dickensian."—USA Today From the Trade Paperback edition.

The Transhumanist Wager-Zoltan Istvan 2013 Philosopher, entrepreneur, and former National Geographic and New York Times correspondent Zoltan Istvan presents his visionary novel, The Transhumanist Wager, as a seminal statement of our times. Scorned by over 500 publishers and literary agents around the world, his philosophical thriller has been called "revolutionary" and "socially dangerous" by readers, scholars, and religious authorities. The novel debuts a challenging original philosophy, which rebuffs modern civilization by inviting the end of the human species-and declaring the onset of something greater. Set in the present day, the novel tells the story of transhumanist Jethro Knights and his unwavering quest for immortality via science and technology. Fighting against him are fanatical religious groups, economically depressed governments, and mystic Zoe Bach: a dazzling trauma surgeon and the love of his life, whose belief in spirituality and the afterlife is absolute. Exiled from America and reeling from personal tragedy, Knights forges a new nation of willing scientists on the world's largest seasteading project, Transhumania. Runaways-V.C. Andrews 2011-02-08 The spellbinding Orphans series concludes in this thrilling new novel from V.C. Andrews®... "All for one and one for all" was the girls' motto. In the grim foster home for orphans run by Louise and Gordon Tooley, at least Brooke, Crystal, Raven, and Butterfly had each other. Calling themselves "sisters," together they could forget the past and dream of a new chance...a real home. Then they discovered a secret even more haunting than Gordon's heavy boots pounding on the wooden floors. Their fragile hopes of a better life shattered, they escaped the only way they could. Soon they were runaways in a borrowed car, desperately wishing to wake up one morning in a place of sunshine and love. Raven hoped to be a singer, Butterfly wanted to be a dancer, Crystal planned for college, and Brooke privately hoped to find her mother in California. On the open road the chains of sadness that had bound them seemed to melt away, and the kindness of strangers made a secure future seem almost real. But the highway was a dangerous place, and soon they were penniless and more vulnerable than ever. Alone under the wide western sky, they had only each other to ask if they should give up their dreams...or if they were really halfway to a haven of safety and happiness....
