The Book of Rumi-Rumi 2018-10-31 Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter, and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.
The Masnavi-Jalāl al-Dīn Rūmī (Maulana) 2007-07-12 Book Two of Rumi's Masnavi is concerned with the challenges facing the follower of Sufi enlightenment. It interweaves stories and homilies in order to instruct followers of Rumi, the great thirteenth-century Muslim mystic. Jawid Mojaddedi's sparkling new verse translation follows his prize-winning edition of Book One. - ;'You don't seek guidance from those drunken men, So why insist they mend their rags again? God's lovers stand beyond all faiths, as they Are shown by God Himself a higher way.' Book Two of Rumi's Masnavi is concerned with the challenges facing the seeker of Sufi enlightenment. In particular it focuses on the struggle against the self, and how to choose the right companions in order to progress along the mystical path. By interweaving amusing stories and profound homilies, Rumi instructs his followers in a style that still speaks directly to us. In this volume, stories such as 'Moses and the Shepherd', 'The Foolhardy Man who Trusted a Bear's Good Intentions' and 'Mo'awiya and Satan' are among the most popular in the entire Masnavi. The most influential Sufi poem ever written, the six books of the Masnavi are often called 'the Qur'an in Persian'. Self-contained, as well as continuing the journey along the spiritual path, Book Two is here translated into rhyming couplets in the style of Jawid Mojaddedi's prize-winning translation of Book One. -

Rumi: The Book of Love-Coleman Barks 2009-10-13 The Sufi mystic and poet Jalaluddin Rumi is most beloved for his poems expressing the ecstasies and mysteries of love in all its forms—erotic, platonic, divine—and Coleman Barks presents the best of them in this delightful and inspiring collection. Rendered with freshness, intensity, and beauty as Barks alone can do, these startling and rich poems range from the "wholeness" one experiences with a true lover, to the grief of a lover's loss, and all the states in between: from the madness of sudden love to the shifting of a romance to deep friendship to the immersion in divine love. Rumi, the ultimate poet of love, explores all "the magnificent regions of the heart," and he opens you to the lover within. Coleman Barks has made this medieval, Persian-born (present-day Afghanistan) poetic and spiritual genius the most popular poet in America today. This seductive volume reveals Rumi's charms and depths more than any other.
Rumi A New Translation-Farrukh Dhondy 2011-10-05 Marked by lyrical beauty and spiritual insight, a deep understanding of human suffering that coexists with rapturous abandon, the poems of Jalaluddin Rumi continue to be relevant almost eight centuries after they were composed, with contemporary audiences finding new meanings in them. Rumi's poems bring together the divine and the human, the mystical and the corporeal to create a vivid kaleidoscope of poetic images. While many recent 'translations' have sought to give Rumi's poetry a certain hippy sensibility, robbing it of its true essence, Farrukh Dhondy attempts to bring out the beauty and sensibility of the verses whilst imitating the metre of the original. Dhondy's translations provide a modern idiom to the poems, carefully keeping intact their religious context.

India in Translation Through Hindi Literature-Maya Burger 2010 What role have translations from Hindi literary works played in shaping and transforming our knowledge about India? In this book, renowned scholars, translators and Hindi writers from India, Europe, and the United States offer their approaches to this question. Their articles deal with the political, cultural, and linguistic criteria germane to the selection and translation of Hindi works, the nature of the enduring links between India and Europe, and the reception of translated texts, particularly through the perspective of book history. More personal essays, both on the writing process itself or on the practice of translation, complete the volume and highlight the plurality of voices that are inherent to any translation. As the outcome of an international symposium held at the University of Lausanne, Switzerland, in 2008, India in Translation through Hindi Literature engages in the building of critical histories of the encounter between India and the «West», the use and impact of translations in this context, and Hindi literature and culture in connection to English (post)colonial power, literature and culture.

Turkish Nomad-Jayne L. Warner 2017-11-13 Here, Jayne L. Warner has created a unique biographical tapestry that illuminates not only the life of one of Turkey's leading literary and cultural authorities, but also the emergence of a republic in his native country, and sheds new light on the history of one of the world's great cities. Sumptuously illustrated throughout with evocative period pictures of Istanbul, Turkish Nomad tells the extraordinary life story of this poet, thinker, and diplomat. As a young boy, Halman surveyed the last vestiges of the Ottoman Empire, walked through the ruins of Byzantium, and grew up in the modern nation created by the charismatic Mustafa Kemal Ataturk. Talat S. Halman would go on to serve the republic as its first minister of culture. The more than four decades Halman lived primarily in the United States are not overlooked but are used to discuss how his ideas developed as he taught at leading unversities-Princeton, Columbia, New York University-and introduced Americans to Turkish literature and culture through his translations and public lectures. We In the Turkish Nomad we follow the literary, scholastic, and journalistic journey of a restless writer, who might best be described by the title of one of his books, The Turkish Muse, his 2006 collection of literary reviews tracing the development of Turkish literature during the Turkish Republic.
The Masnavi, Book Three-Jalal al-Din Rumi 2013-11-14 'Your soul each moment struggles hard with death - Think of your faith as though it's your last breath. Your life is like a purse, and night and day Are counters of gold coins you've put away' Rumi is the greatest mystic poet to have written in Persian, and the Masnavi is his masterpiece. Divided into six books and consisting of some 26,000 verses, the poem was designed to convey a message of divine love and unity to the disciples of Rumi's Sufi order, known today as the Whirling Dervishes. Like the earlier books, Book Three interweaves amusing stories with homilies to instruct pupils in mystical knowledge. It has a special focus on epistemology, illustrated with narratives that involve the consumption of food. This is the first ever verse translation of Book Three of the Masnavi. It follows the original by presenting Rumi's most mature mystical teachings in simple and attractive rhyming couplets.
The Love Poems Of Rumi-Deepak Chopra 2008-09-04 Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi's love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. 'These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth' - Deepak Chopra

Each parable, such as The King and the Handmaiden, The Grocer and the Parrot, The Ugly Old Woman, and The Man Who Was Always Being Swindled, is related as Rumi might have presented it to his fascinated audiences, as he whirled in meditation and trance. But each story also has a spiritual message, a holy essence that applies across all faiths, uttered from the heart of Islam. Each of these messages is provided here in a modern rendering that keeps the flavor of this unique period of history, of culture, and of inspired, passionate beauty.
Rumi's Secret-Brad Gooch 2017-01-17 The acclaimed New York Times bestselling author of Smash Cut, Flannery, and City Poet delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi’s life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world’s greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, Rumi’s Secret reveals the unfolding of Rumi’s devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.
Rumi's Mystical Design-Seyed Ghahreman Safavi 2010-03-30 Reveals the sophisticated design of Rumī’s Mathnawī, showing that this seemingly unstructured work both describes and functions as spiritual training.
The Forty Rules of Love-Elif Shafak 2010-02-18 In this lyrical, exuberant follow-up to her novel, The Bastard of Istanbul, acclaimed Turkish author Elif Shafak unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together incarnate the poet's timeless message of love. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on Sweet Blasphemy, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.
The Illuminated Rumi-Jalāl al-Dīn Rūmī (Maulana) 1997 Gathers and illustrates poems by the popular thirteenth century Sufi philosopher and saint
Love is a Stranger-Mevlana Jalaluddin Rumi 2016-10-11 "Love is a stranger and speaks a strange language," wrote Rumi, one of the world's most beloved mystical poets. The Soul of Rumi-Coleman Barks 2010-12-14 The Soul of Rumi is renowned poet Coleman Barks' first major assemblage of newly translated Rumi poems since his bestselling The Essential Rumi. Coleman Barks presents entirely new translations of Rumi's poems, published for the first time in The Soul of Rumi. The poems range over the breadth of Rumi's themes: silence, emptiness, play, God, peace, grief, sexuality, music, to name just a few. But the focus is on the ecstatic experience of human and divine love and their inseparability, conveyed with Rumi's signature passion, daring, and insights into the human heart and the heart's longings.

Teachings of Rumi-Andrew Harvey 1999-07-06 Jelalludin Rumi (1207-1273) led the quiet life of an Islamic teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish named Shams Tabriz—through whom he encountered the Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of mystical poetry the world has ever seen, and the establishment of a spiritual movement that would eventually stretch from Africa to China, enduring to our own day. This collection of versions of Rumi by Andrew Harvey contains some of the master's most luminous verse, along with selections from his lesser-read prose works, with the aim of presenting a balanced view of his teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it.
Mystical Poems of Rumi-Jalal al-Din Rumi 2010-04-15 My verse resembles the bread of Egypt—night passes over it, and you cannot eat it any more. Devour it the moment it is fresh, before the dust settles upon it. Its place is the warm climate of the heart; in this world it dies of cold. Like a fish it quivered for an instant on dry land, another moment and you see it is cold. Even if you eat it imagining it is fresh, it is necessary to conjure up many images. What you drink is really your own imagination; it is no old tale, my good man. Jalal al-Din Rumi (1207–73), legendary Persian Muslim poet, theologian, and mystic, wrote poems acclaimed through the centuries for their powerful spiritual images and provocative content, which often described Rumi’s love for God in romantic or erotic terms. His vast body of work includes more than three thousand lyrics and odes. This volume includes four hundred poems selected by renowned Rumi scholar A. J. Arberry, who provides here one of the most comprehensive and adept English translations of this enigmatic genius. Mystical Poems is the definitive resource for anyone seeking an introduction to or an enriched understanding of one of the world’s greatest poets. “Rumi is one of the world’s greatest lyrical poets in any language—as well as probably the most accessible and approachable representative of Islamic civilization for Western students.”—James W. Morris, Oberlin College
The Quatrains of Rumi-Jalāl al-Dīn Rūmī (Maulana) 2008 This is the first complete translation of the nearly 2,000 quatrains attributed to Jalaluddin Rumi, the famous 13th century mystical poet. It is the result of over 22 years of collaboration by an American Rumi scholar and an Afghan scholar of Persian literature. It should appeal to a wide variety of lovers of Mawlana Rumi's poetry, not just specialists: general readers who seek a deeper understanding of his spiritual teachings than popularized books (often interpretive versions claimed as translations) can provide, as well as those interested in religious mysticism in general and Islamic mysticism (sufism) in particular. The quatrains are ordered according to stages and themes of the 'lover and beloved' (spiritual disciple and sufi master). Most of the translations are followed by explanatory notes: those intended for the general reader have asterisks and often refer to the Notes, an appended glossary. Readers who have access to previously published translations and versions of the quatrains can use the appended Concordance to make comparisons. Quatrains in the earliest manuscripts that have been found to be composed by earlier poets have been identified and placed in another appendix. Few of the quatrains have been previously translated by scholars; the quatrains in popularized books are often distorted versions, mostly rendered by authors who do not know Persian; those who do often tend to omit, change, or add. Here, the poems are presented in the context of the Islamic sufi poetry in the Persian language 800 years ago: 'wine' and 'drunkenness' do not involve alcoholic intoxication, but are metaphors for the 'mystical taste' of spiritual grace and ecstasy. The lover's longing and self-effacing love is not 'romantic', but spiritual love of the seeker for his sufi guide. This love is a means to the goal of pure worship of God Most High, the 'only Beloved', that necessitates self-effacement and mystical 'drowning' in the reality described in the Qur'an: 'Everything perishes except His Face.'
Chosen Spirits-Samit Basu 2020-04-28 She’d decided, that night, that she wouldn’t leave. That she would stay in India, in Delhi, and belong as hard as she could. Joey is a Reality Controller, in charge of the livestream of a charismatic and problematic celebrity in smog-choked, water-short, ever-transforming Delhi - a city on the brink of revolution, under the shadow of multiple realities and catastrophes - at the end of the 2020s. When Joey impulsively rescues a childhood friend, Rudra, from his new-elite family and the comfortable, horrific life they have chosen for him, she sets into motion a chain of events — a company takeover, a sex scandal, a series of betrayals — that disintegrates not just their public and private selves, but the invisible walls that divide the city around them. To find the lives they need, Joey and Rudra must reckon with people and forces beyond their understanding, in a world where trust is impossible, popularity is conformity, and every wall has eyes.
Shahnameh-Abolqasem Ferdowsi 2016-03-08 The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition Dick Davis—“our pre-eminent translator from the Persian” (The Washington Post)—has revised and expanded his acclaimed translation of Ferdowsi’s masterpiece, adding more than 100 pages of newly translated text. Davis’s elegant combination of prose and verse allows the poetry of the Shahnameh to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as The Kite Runner and the love poems of Rumi and Hafez. Kabir-Robert Bly 2004 Originally published in 1976 and having sold more than 75,000 copies to date, Kabir is a classic. Now, we are proud to publish a revised, beautifully designed hardcover edition that includes 10 new translations. A weaver by trade but a poet-singer by calling, Kabir lived in fifteenth-century India. His philosophy incorporated the beliefs and practices of both Muslims and Hindus. Not only did Kabir influence these religious traditions, he was one of the major inspirations behind Sikhism as well. The power of Kabir's words come from his passion--and also from his humor. He is at once irreverent toward authority and amazed by divinity. He demands that readers live for themselves. In the tradition of ecstatic poetry, Kabir writes of bodily delights and of choices made by the heart, not the mind. Columbia University professor of religion John Stratton Hawley's new introduction places Kabir's work firmly into modern times, explaining the value of Bly's work with these poems. As our contemporary world struggles with political turmoil caused by religious beliefs, the poems of Kabir seem as relevant today as when they were first written.
