<p>Pathfinders-Cecil Lewis 1944</p> <p>Busy Bee Activity-Autumn Publishing, Limited 2005-01-01</p> <p>Child Guidance-Ellen Gould Harmon White 2002</p> <p>Counsels on Stewardship-Ellen Gould Harmon White 2000</p> <p>Messages to Young People-Ellen Gould Harmon White 2002</p> <p>Seventh-day Adventist Church Manual.-General Conference of Seventh-Day Adventists 2005</p> <p>The River of No Return-Bee Ridgway 2013-04-23 Named a Notable Fiction Book of 2013 by The Washington Post “An engrossing adventure, with mystery, romance, humor, and impeccable historical detail.” -The Boston Globe Devon, 1815. The charming Lord Nicholas Davenant and the beguiling Julia Percy should make a perfect match. But before their love has a chance to grow, Nicholas is presumed dead in the Napoleonic war. Nick, however, is lost in time. Somehow he escaped certain death by leaping two hundred years forward to the present day where he finds himself in the care of a mysterious society – the Guild. Questioning the limits of the impossible, Nick is desperate to find a way back to the life he left behind. Yet with the future of time itself hanging in the balance, could it be that the girl who first captured his heart has had the answers all along? Can Nick find a way to return to her?</p> <p>Adventures among Ants-Mark W. Moffett 2010-05-05 Intrepid international explorer, biologist, and photographer Mark W. Moffett, "the Indiana Jones of entomology," takes us around the globe on a strange and colorful journey in search of the hidden world of ants. In tales from Nigeria, Indonesia, the Amazon, Australia, California, and elsewhere, Moffett recounts his entomological exploits and provides fascinating details on how ants live and how they dominate their ecosystems through strikingly human behaviors, yet at a different scale and a faster tempo. Moffett’s spectacular close-up photographs shrink us down to size, so that we can observe ants in familiar roles; warriors, builders, big-game hunters, and slave owners. We find them creating marketplaces and assembly lines and dealing with issues we think of as uniquely human—including hygiene, recycling, and warfare. Adventures among Ants introduces some of the world’s most awe-inspiring species and offers a startling new perspective on the limits of our own perception. • Ants are world-class road builders, handling traffic problems on thoroughfares that dwarf our highway systems in their complexity • Ants with the largest societies often deploy complicated military tactics • Some ants have evolved from hunter-gatherers into farmers, domesticating other insects and growing crops for food</p> <p>The City of Ember-Jeanne DuPrau 2003-05-13 A modern-day classic. This highly acclaimed adventure series about two friends desperate to save their doomed city has captivated kids and teachers alike for almost fifteen years and has sold over 3.5 MILLION copies! The city of Ember was built as a last refuge for the human race. Two hundred years later, the great lamps that light the city are beginning to flicker. When Lina finds part of an ancient message, she’s sure it holds a secret that will save the city. She and her friend Doon must race to figure out the clues before the lights go out on Ember forever! Nominated to 28 State Award Lists! An American Library Association Notable Children’s Book A New York Public Library 100 Titles for Reading and Sharing Selection A Kirkus Reviews Editors’ Choice A Child Magazine Best Children’s Book A Mark Twain Award Winner A William Allen White Children’s Book Award Winner “A realistic post-apocalyptic world. DuPrau’s book leaves Doon and Lina on the verge of undiscovered country and readers wanting more.” —USA Today “An electric debut.” —Publishers Weekly, Starred “While Ember is colorless and dark, the book itself is rich with description.” —VOYA, Starred “A harrowing journey into the unknown, and cryptic messages for readers to decipher.” —Kirkus Reviews, Starred</p> <p>The Temple and the Church’s Mission-G. K. Beale 2014-06-10 In this comprehensive study, a New Studies in Biblical Theology volume, G. K. Beale traces the theme of the tabernacle and temple across the storyline of Scripture, illuminating many texts and connections with related themes such as Eden, the cosmos, God’s presence and Christ and his people.</p> <p>Buzzy Bee- 2017-04-04 Kids will love this latest addition to the Slide-and-Seek series, complete with interactive slide-out panels on each page! She has taught writing; worked at Tor, Dark Horse, and Microsoft; worked as a radio announcer; run bookstores; and waitressed in a strip bar.</p> <p>Izzy Busy Bee-Sheila C. Morgan 2020-05-05 The imaginary world of a child transforms into a place where she creates an adventurous environment, while sharing who creates all life. This is the story of "Izzy Busy Bee", away from her daytime life as a little girl, who is known by her family and community as, simply Izzy. At night however, her creative thoughts turn into a dream, where she becomes a helpful, insightful leader; into the busy world of bees. While Izzy has a colorful and fun time with the playmates of her dream, her dream inspires insight for children to think about how big all of creation is and the great significance of a tiny bee. Sheila C. Morgan has developed honor and great appreciation to God for the gift and passion to write. Her desire to reach children in their early developmental years and experience the awareness of God, sparked many ideas to incorporate in a child’s everyday learning experiences. Her writing background expands from several categories during her career and ministry. Through it all, Sheila believes no matter what, God always has a plan. Happy to introduce her children’s book "Izzy Busy Bee", encourages her optimistic view, to continue serving in the body of Christ and love for children and their future.</p> <p>H Is for Honey Bee-Robbyn Smith van Frankenhuyzen 2020 "An alphabet book explaining the science, history, and industry of beekeeping, including science facts about honey bee anatomy, hive behavior, and ongoing threats"--</p> <p>We Hunt the Flame-Hafsah Faizal 2019-05-14 An Ignyte Award Winner 2020 A TIME Magazine Top 100 Fantasy Book of All Time A BuzzFeed Pick for "YA Books You Absolutely Must Read This Spring" A Bustle’s Most Anticipated 2019 YA Release A Paste Magazine’s Top 10 Most Anticipated YA Novels of 2019 A Paste Magazine Best YA Book of 2019 A PopSugar Best YA Book of 2019 A TeenVogue Book Club Pick for 2019 A Barnes &amp; Noble Teen Book Club Pick for 2019 "Lyrical and spellbinding" —Marieke Njikamp, #1 New York Times Bestselling Author Set in a richly detailed world inspired by ancient Arabia, Hafsah Faizal’s We Hunt the Flame—first in the Sands of Arawiya duology—is a gripping debut of discovery, conquering fear, and taking identity into your own hands. People lived because she killed. People died because he lived. Zafira is the Hunter, disguising herself as a man when she braves the cursed forest of the Arz to feed her people. Nasir is the Prince of Death, assassinating those foolish enough to defy his autocratic father, the sultan. If Zafira was exposed as a girl, all of her achievements would be rejected; if Nasir displayed his compassion, his father would punish him in the most brutal of ways. Both Zafira and Nasir are legends in the kingdom of Arawiya—but neither wants to be. War is brewing, and the Arz sweeps closer with each passing day, engulfing the land in shadow. When Zafira embarks on a quest to uncover a lost artifact that can restore magic to her suffering world and stop the Arz, Nasir is sent by the sultan on a similar mission: retrieve the artifact and kill the Hunter. But an ancient evil stirs as their journey unfolds—and the prize they seek may pose a threat greater than either can imagine.</p> <p>Theurgia-Iamblichus 1911</p> <p>Teaching the Faith-Donna Habenicht 2004</p> <p>Buzby, the Misbehaving Bee-Max Lucado’s Hermie &amp; Friends, 2005-02-27 The latest adventure in Max Lucado’s Hermie and Friends series has the garden in a buzz when a new neighbor comes to town. "I’m king of the bees, and I’ll do as I please!" Buzby, the Misbehaving Bee, proclaims as he zooms around the garden with no regard for The Garden Golden Rules. Buzby soon learns, however, that sometimes just doing as he pleases can be harmful and disrespectful to his new neighbors in the garden. Buzby’s lesson in rule-following is brought to life through 3-D illustrations and easy-to-understand text that will have kids laughing and learning along with the quirky characters of the garden.</p> <p>Leveled Books (K-8)-Irene C. Fountas 2006 Fountas &amp; Pinnell take you through every aspect of leveled books from how to select and use them for different instructional purposes to prototype descriptions for fiction and nonfiction books at each level.</p> <p>Boysen Bear-Virginia Ames 2015-11-05 Snuggle in for the cabin adventure of Boysen Bear, Grandma Gray Bonnets and her golden retriever, Sunbeam. A read-aloud story for families who love the outdoors, nature and children. It is important that we keep closeness with our kids and what better way than to read together. Boysen Bear book is a wonderful story for children to enjoy. In writing Boysen Bear, Ames researched Black Bears and tried to keep Boysen as real as possible. Still he needed to have a personality. By watching the different bears through the years she observed that each bear is unique in deportment and appearance, and chose the best of all her wonderful bear adventures to create Boysen Bear. As for Grandma’s big yellow dog, Sunbeam is based on Ames lovely golden retriever, who lived to be eleven years of age. And, yes, she really did chase a bear up a tree and she really did find raspberries for me. Review: "It follows the life of Boysen Bear, a black bear who lives in the woods near Grandma and her dog, Sunbeam. Their lives intermingle off and on as the years pass. Boysen is a curious bear, not always the best thing for him. The story begins at the beginning, and ends at the end, offering interesting information about the life of a black bear." Elizabeth Shawn, author of the Rachael Penzra mysteries and other books</p> <p>Honeybee-Candace Fleming 2020-02-18 Get up close and personal with Apis, one honeybee, as she embarks on her journey through life, complete with exquisitely detailed illustrations. Beginning at birth, the honeybee emerges through the wax cap of her cell and is driven to protect and take care of her hive. She cleans the nursery and feeds the larvae and the queen. But is she strong enough to fly? Not yet! She builds wax comb to store honey, and transfers pollen from other bees into the storage. She defends the hive from invaders. Apis accomplishes all of this before beginning her life outdoors as an adventurer, seeking nectar to bring back to her hive. Candace Fleming and Eric Rohmann describe the life cycle of the hard-working honeybee in this poetically written, thoroughly researched picture book, similar in form and concept to the Sibert and Orbis Pictus award book Giant Squid, complete with stunning gatefold and an essay on the plight of honeybees. A Junior Library Guild Selection!</p> <p>What Did Busy Bee See?-Oakley Graham 2018-02</p> <p>Bizzy Mizz Lizzie-David Shannon 2017-10-10 Lizzie is the busiest, buzziest bee in Hivetown! David Shannon’s vivid artwork and Lizzie’s endearing efforts to "do it all" will make children laugh aloud at her frantic antics as she juggles school, multiple sports, dance, violin, and art. With charm and determination, she longs to impress the Queen by winning a spelling contest, but she studies to the point of exhaustion. When she dozes off in the middle of the competition, the only solution is rest -- and her refreshing visit to the local Garden finally teaches Lizzie to stop and smell the flowers, "which . . . is exactly what bees are supposed to do." Shannon’s exuberant new book is funny and fresh, approaching the subject of over scheduled children (and adults) with breezy good humor and delivered with his signature fun and heart.</p> <p>The Lives of Bees-Thomas D. Seeley 2019-05-28 How the lives of wild honey bees offer vital lessons for saving the world’s managed bee colonies Humans have kept honey bees in hives for millennia, yet only in recent decades have biologists begun to investigate how these industrious insects live in the wild. The Lives of Bees is Thomas Seeley’s captivating story of what scientists are learning about the behavior, social life, and survival strategies of honey bees living outside the beekeeper’s hive—and how wild honey bees may hold the key to reversing the alarming die-off of the planet’s managed honey bee populations. Seeley, a world authority on honey bees, sheds light on why wild honey bees are still thriving while those living in managed colonies are in crisis. Drawing on the latest science as well as insights from his own pioneering fieldwork, he describes in extraordinary detail how honey bees live in nature and shows how this differs significantly from their lives under the management of beekeepers. Seeley presents an entirely new approach to beekeeping—Darwinian Beekeeping—which enables honey bees to use the toolkit of survival skills their species has acquired over the past thirty million years, and to evolve solutions to the new challenges they face today. He shows beekeepers how to use the principles of natural selection to guide their practices, and he offers a new vision of how beekeeping can better align with the natural habits of honey bees. Engagingly written and deeply personal, The Lives of Bees reveals how we can become better custodians of honey bees and make use of their resources in ways that enrich their lives as well as our own.</p> <p>A kid’s guide to making friends-Joy Wilt Berry 1979-01 Defines friendship and explains how to start a friendship and help it grow.</p> <p>Aunt Bee’s Mayberry Cookbook-Ken Beck 2020-02-25 Celebrate the 60th Anniversary of The Andy Griffith Show with a newly formatted edition of Aunt Bee’s Mayberry Cookbook. If you're looking for activity books for kids ages 3-5 and aren't sure where to start, an exciting animal adventure awaits your child within My First Animal Activity Book.

Dare to Be a Daniel-Ellen G. White 2019-05-20 In today's world of sinfulness and godlessness, we are in desperate need of returning to traditional values and morals.Dare to Be a Daniel is a compilation of Ellen G. White writings, and expounds upon the life of this Biblical hero, Daniel, showing the lessons that can be learned as this man lived his life to honor and serve God. This compilation is taken from a series on the life of Daniel in the Youth's Instructor, along with complementing excerpts from The Review and Herald, The Signs of the Times, and Patriarchs and Prophets.

Nerdi Bunny and the Big Bayou Gator Grief-Aisha Toombs 2017-07-06 Name: Gator Stump Occupation: I do what I want Nerdi Bunny: In BIG trouble. When Nerdi and her pal Hamilton Shanks head to bayous of Chew Orleans for summer vacation they expect long days filled with good food and good times. But when Gator Stump interrupts the Big Boil to lay out his huge plans for the wetlands, Nerdi's brain-itch-bunny-twitch tells her that those plans could mean disaster. If she and Hamilton can't stop Gator Stump from ruining the bayou, then the bayou on the Chew just might be through!

My Very Best Friend-Paul B. Ricchiuti 1975-01-01

Mrs. Everything-Jennifer Weiner 2019-06-11 From Jennifer Weiner, the #1 New York Times bestselling author of Who Do You Love and In Her Shoes comes a smart, thoughtful, and timely exploration of two sisters' lives from the 1950s to the present as they struggle to find their places—and be true to themselves—in a rapidly evolving world. Mrs. Everything is an ambitious, richly textured journey through history—and herstory—as these two sisters navigate a changing America over the course of their lives. Do we change or does the world change us? Jo and Bethie Kaufman were born into a world full of promise. Growing up in 1950s Detroit, they live in a perfect “Dick and Jane” house, where their roles in the family are clearly defined. Jo is the tomboy, the bookish rebel with a passion to make the world more fair; Bethie is the pretty, feminine good girl, a would-be star who enjoys the power her beauty confers and dreams of a traditional life. But the truth ends up looking different from what the girls imagined. Jo and Bethie survive traumas and tragedies. As their lives unfold against the background of free love and Vietnam, Woodstock and women’s lib, Bethie becomes an adventure-loving wild child who dives headlong into the counterculture and is up for anything (except settling down). Meanwhile, Jo becomes a proper young mother in Connecticut, a witness to the changing world instead of a participant. Neither woman inhabits the world she dreams of, nor has a life that feels authentic or brings her joy. Is it too late for the women to finally stake a claim on happily ever after? In her most ambitious novel yet, Jennifer Weiner tells a story of two sisters who, with their different dreams and different paths, offer answers to the question: How should a woman be in the world?

The Bee Gees-David Meyer 2013-07-09 The first narrative biography of the Bee Gees, the phenomenally popular vocal group that has sold more than 200 million records worldwide--sales in the company of the Beatles and Michael Jackson. The Bee Gees is the epic family saga of brothers Barry, Robin, and Maurice Gibb, and it's riddled with astonishing highs--especially as they became the definitive band of the disco era, fueled by Saturday Night Fever and crashing lows, including the tragic drug-fueled downfall of youngest brother, Andy. In recent years, a whole new generation of fans has rediscovered the undeniable grooves and harmonies that made the Bee Gees and songs like Stayin' Alive, How Deep is Your Love, To Love Somebody, and I Started a Joke timeless.

The Secret Life of Bees-Sue Monk Kidd 2003 Sue Monk Kidd is an extraordinary storyteller. In "The Secret Life of Bees," she explores a young girl's search for the truth about her mother; her courage to tear down racial barriers; and her joy as she claims her place within a community of women. "Beautifully written."--Ursula Hegi, author of "The Vision of Emma Blau."

10 Days in the Upper Room-Mark Finley 2011-01

Little Gnome Tenderroot-Jakob Streit 2014-01 This tale tells of the energetic work of a little gnome named Tenderroot who lives deep inside the earth. This is an imaginative adventure tale that is perfect for young children. This is a wonderful bedtime story for everyone!
