The Big Snow-David Park 2012-07-05 Northern Ireland, 1963. In a house with windows flung defiantly wide, a wife dies before her husband can make his confession. Elsewhere, an old woman searches desperately for a wedding dress in her dream of love. And in the very heart of the city, the purity of snow is tainted by the murder of a young woman, leaving one man in race against time - to find the murderer before the snow melts. This is the story of a time muffled and made claustrophobic by unprecedented snow falls. Suddenly shaken free from the normal patterns of their lives by the extremity of the weather, people find their intimate desires thrown into sharp relief and David Park shows this flawed slice of humanity to be somehow glorious. 'Ingenious' SUNDAY TIMES 'A magnificent writer' BELFAST TELEGRAPH 'Park writes prose like a poet; and the invisible lines of national borders and tribal territory are etched into a text which rolls through time and space.' THE TIMES 'Some of the more exhibitionist fictional voices currently clamouring for our attention seem mute in comparison' INDEPENDENT

'Considerable dexterity, freshness, and insight ... (A) well-crafted, closely observed tale.' WASHINGTON POST

Big Snow and Other Stories-Hader, Berta and Elmer 2015-01-14 This compilation of Caldecott winners unites three wonderful children's picture books, written and illustrated by a gifted husband-and-wife duo. The stories combine imaginative color drawings with enchanting storytelling, and all three focus on wildlife ecology, depicting memorable scenes from the natural world. The Big Snow takes place when the geese are headed south and the forest creatures put on their winter coats. When a blanket of snow covers the hills and valleys, the birds, squirrels, mice, and other animals gratefully gather the seeds, nuts, and other foods that the little old man and woman spread for them. Cock-a-Doodle-Do traces a little chick's journey from a duck farm to the big red barn, where the rooster's cry draws him across the wide meadow and its many dangers, from crows and raccoons to a marauding fox. The Mighty Hunter is actually Little Brave Heart, who's reluctant to go to school — until he encounters a prairie dog, wildcat, buffalo, and other animals that change his mind about the value of reading and writing.

Snow Falling on Cedars-David Guterson 2009-08-17 He saw the soft cedars of San Piedro Island, its high, rolling hills, the low mist that lay in long streamers against its beaches, the whitecaps riffing its shoreline. A fisherman is found dead in the net of his boat off the coast of a North American island. When a local Japanese-American man is charged with his murder, it becomes clear that what is at stake is more than one man's guilt. The Beautiful Snow-Cindy Wilson 2020-02-07 The Long Winter is one of the most memorable novels in Laura Ingalls Wilder's Little House series. It beautifully details the dramatic events of The Hard Winter of 1880-81, a harrowing time with months of never-ending blizzards leading to railroad blockades that all but cut off fledgling communities. But what really happened that winter? Lively and rewarding, The Beautiful Snow is a new look at The Hard Winter. Pulling from nearly three thousand regional newspaper articles, The Beautiful Snow weaves the historical record around and through Wilder's fictionalized account. From the tireless efforts to dig out the railroad blockades, to lavish oyster parties, to carefully spun boosterism, The Hard Winter comes to life with extraordinary tales of survival, resilience, and defiance that adds rich context to Wilder's beloved novel. AUTHOR BIOGRAPHY: Cindy Wilson fell in love with the Little House books in third grade, when she selected On the Banks of Plum Creek from the library. The series captivated her then and has ever since, with The Long Winter still being her favorite. An American Studies major at the University of Minnesota and a charter member of the Laura Ingalls Wilder Legacy and Research Association, Cindy is passionate about history and enchanted by the prairie landscape. When not meticulously poring over newspaper archives, she enjoys traveling, delving into architecture, creating art quilts, reading, hiking, and biking. She especially treasures time with her daughter, Laura, who at any given moment is living in some remote corner of the globe, exploring other cultures and histories. While Cindy's soul is most refreshed in South Dakota, she lives in southern Minnesota. And while she spent two years immersed in the Hard Winter of 1880-81, her ideal day is actually eighty degrees with a smidge of humidity. AUTHOR HOME: Elysian, Minnesota
