Your Beauty Mark-Dita Von Teese 2015-12-01 From burlesque show to fashion runway, magazine cover to Internet video, fashion icon and “burlesque superheroine” (Vanity Fair) Dita Von Teese has undergone more strokes of red lipstick, bursts of hair spray, boxes of blue-black hair dye and pats of powder in a month than a drag queen could dream of in a lifetime. Whether she’s dazzling audiences swirling in a towering martini glass in Swarovski-covered pasties and stilettos or sparking camera flashes on the red carpet, one reality is constant: for this self-styled star, beauty is an art. Now, for the first time in her Technicolor career, Dita divulges the beauty wisdom that keeps her on international best-dressed lists and high-profile fashion show rosters in this illustration and photography-filled opus. In Your Beauty Mark: The Ultimate Guide to Eccentric Glamour, Dita and co-writer Rose Apodaca take you through every step of Dita’s glamour arsenal, and includes friends—masters in makeup, hair, medicine, and exercise as well as some of the world’s most eccentric beauties—for authoritative advice. This 400-page book is packed with sound nutrition and exercise guidance, skincare and scent insight, as well as accessible techniques for creating bombshell hairstyles and makeup looks. Among the hundreds of lavish color photographs, instructive step-by-step images and original illustrations by Adele Mildred, this inspiring resource shares the skills, history, and lessons you need to enhance your individual gifts and realize your own beauty mark.

Comfortably Wild-Mike Howard 2019-10-01 River rafting between luxury camps, harvesting vegetables for a farm-to-table dinner, and ziplining to your treehouse suite, this is experiential travel and glamping at its finest. Breaking the mold of big box hotels and transforming camping into a glamorous affair, this revolutionary travel style needed its story told. Traveling over 56,000 miles from Canada to Costa Rica, authors Mike & Anne Howard of the acclaimed blog HoneyTrek.com sought out the best glamping destinations in North America and the deeper meaning of this trendy term. In the first guide of its kind, the Howards dive into the history of glamping and this 21st-century craving for unconventional experiences that effortlessly connect us with nature, our loved ones, and ourselves. Rather than being organized by style of lodging, each chapter of Comfortably Wild offers a unique way to vacation, like the boutique farmstays in "Cultivate," wellness retreats in “Rejuvenate,” and ranches of “Wild West.” Alongside hundreds of gorgeous photos and inspiring stories, they offer the practical tips to finding the right destinations for you and mobilizing a lifetime of unforgettable adventures.

The Glam Girl's Guide to Sex-Leah Hopkins 2011-09 Sex is everywhere.You can turn off the television, never buy another magazine, and keep your children home until their grown, but we absolutely cannot keep them from learning about sexuality...and it would be wrong if we tried. Often people still grasping at some form of morality over-react to our sex saturated society and stick their heads in the sand, letting people make God's gift to a man and his wife, dirty. Our young people want to learn about this subject, and if their mentors zip their mouths and make it uncomfortable, they will go to other sources. The G.L.A.M. Girl's Guide To Sex is a book to teach young ladies that they need to prepare their hearts for purity so when they are faced with (and they will be at some point) the temptation to yield to the lust of the flesh, they will instead stand up for Christ.

Shock and Awe-Simon Reynolds 2016-10-11 NPR Great Read of 2016 From the acclaimed author of Rip It Up and Start Again and Retromania—"the foremost popular music critic of this era (Times Literary Supplement)—comes the definitive cultural history of glam and glitter rock, celebrating its outlandish fashion and outrageous stars, including David Bowie and Alice Cooper, and tracking its vibrant legacy in contemporary pop. Spearheaded by David Bowie, Alice Cooper, T. Rex, and Roxy Music, glam rock reveled in artifice and spectacle. Reacting against the hairy, denim-clad rock bands of the late Sixties, glam was the first true teenage rampage of the new decade. In Shock and Awe, Simon Reynolds takes you on a wild cultural tour through the early Seventies, a period packed with glitzy costumes and alien make-up, thrilling music and larger-than-life personas. Shock and Awe offers a fresh, in-depth look at the glam and glitter phenomenon, placing it the wider Seventies context of social upheaval and political disillusion. It explores how artists like Lou Reed, New York Dolls, and Queen broke with the hippie generation, celebrating illusion and artifice over truth and authenticity. Probing the genre’s major themes—stardom, androgyny, image, decadence, fandom, apocalypse—Reynolds tracks glam’s legacy as it unfolded in subsequent decades, from Eighties art-pop icons like Kate Bush through to twenty-first century idols of outrage such as Lady Gaga. Shock and Awe shows how the original glam artists’ obsessions with fame, extreme fashion, and theatrical excess continue to reverberate through contemporary pop culture.

The Modern Man Guide-Jake Millar 2016-09-20 Being a man should be fun. While other men's publications tackle subjects like fashion, wine, dating or work, with all the charm of a stern lecture from your dad, The Modern Man Guide approaches them with insight and humour. Less a self-help book, than a cheat's guide to everything a man needs to know to be his best - from wardrobe essentials, to choosing the right hairstyle, making the perfect martini, landing a pay rise, surviving a first date without embarrassing yourself, or fending off the ageing process - without ending up with a face like Kenny Rogers. Heaven forbid. As a former writer for GQ, Millar knows not only what men need, but how to talk to them about it in a manner that's insightful, informative and engaging. In addition to quirky facts, quotes and tidbits, his witty observations are brought to life with a series of sleek illustrations to create the kind of stylish guide you'd be proud to show off in your home, or be seen reading on the train. Informative, entertaining and full of personality, The Modern Man Guide is an ideal gift for the gent who needs a bit of gentle encouragement becoming the best version of himself. It's the kind of book whose passages you'll catch yourself reading aloud to your friends - and especially the kinds of friends who still wear Crocs on a regular basis. They'll thank you one day.

The Complete Guide to Hunting, Butchering, and Cooking Wild Game-Steven Rinella 2015-08-18 A comprehensive big-game hunting guide, perfect for hunters ranging from first-time novices to seasoned experts, with more than 400 photographs, including work by renowned outdoor photographer John Hafner Steven Rinella was raised in a hunting family and has been pursuing wild game his entire life.
