Lofdoc's Stories: Short and Sweet-Lofdoc 2014-02-17 The stories that I offer you are a veritable peek into the nonchalant (relaxed) world of the Author, Lofdoc. In contrast to the previous two books that have much emotional and personal confessions (book one, Medical and personal views); and many stories about animals, nature, and mystery stories (Book two, Fish Tales, and stories of the unusual); this third book, An Octogenarian's Oracles, is written in a clear, unbiased friendly sort of way. There are stories that are nostalgic (Willow trees); there are stories that reflect and admonish (Regrets); and there are just plain fun to read stories (water skiing, smile please, use it, or lose it). Over all, the book has many stories that will prompt comments such as: "Yeah, I remember seeing that", or prompt a sighing reader to comment "these stories are true, oh so true". And so dear readers, I have given you my very best efforts. I have tried to put in print almost all elements that characterize my life on this planet. To this end, I have incorporated all three books into a Trilogy titled: "LOFDOC'S STORIES SHORT AND SWEET" Book one - subtitle Medical and personal views Book two - Fish tales and stories of the Unusual Book three - An Octogenarian's Oracles I, Lofdoc, (Lots of fishing Doc), an 87 year old Octogenarian, hope you will enjoy my humble efforts, as much as I have enjoyed writing them.

William Shakespeare: The Complete Works-William Shakespeare 2005-04-21 The second Oxford edition of Shakespeare's Complete Works reconsiders every detail of their text and presentation in the light of modern scholarship. The nature and authority of the early documents are re-examined, and the canon and chronological order of composition freshly established. Spelling and punctuation are modernized, and there is a brief introduction to each work, as well as an illuminating and informative General Introduction. Included here for the first time is the play The Reign of King Edward the Third as well as the full text of Sir Thomas More. This new edition also features an essay on Shakespeare's language by David Crystal, and a bibliography of foundational works.
