It Takes a Pillage-Nomi Prins 2009-10-02

Introduction to Mathematical Portfolio Theory-Mark S. Joshi 2013-07-11 This concise yet comprehensive guide focuses on the mathematics of portfolio theory without losing sight of the finance.

Warren Buffett: The World-Prof Tyler Yamazaki 2018-09-12 TODAY, WE ARE DELVING INTO WARREN BUFFETT

Buffett Beyond Value-Prem C. Jain 2010-03-04 A detailed look at how Warren Buffett really invests In this engaging new book, author Prem Jain extracts Warren Buffett's wisdom from his writings, Berkshire Hathaway financial statements, and his letters to shareholders and partners in his partnership firms-thousands of pages written over the last fifty years. Jain uncovers the key elements of Buffett's approach that every investor should be aware of. With Buffett Beyond Value, you'll learn that, contrary to popular belief, Warren Buffett is not a pure value investor, but a unique thinker who combines the principles of both value and growth investing strategies. You'll also discover why understanding CEOs is more important than studying financial metrics; and why you need an appropriate psychological temperament to be a successful investor. Reveals Buffett's multifaceted investment principles Discusses how Buffett thinks differently from others about portfolio diversification, market efficiency, and corporate governance Highlights how you can build a diverse and profitable investment portfolio With this book as your guide, you'll learn how to successfully invest like Warren Buffett.

Astigirl-Tweet Sering 2011-11-02 Far from the grown-up she thought she would be, Tweet Sering, 30 plus and tormented by a raging discontent with stale notions of how one must live, strips herself of the trappings of adulthood-her job, her savings, her insurance, and even her credit card-and resolves to begin growing up again.In this memoir that is by turns sharply funny, intelligent, outspoken, but also pained and bewildered, Tweet shows her readers how being astray can turn into being astig (tough). Her essays remind us of long, late night chats with our favorite friend, so that the substance of the go for broke account of her journey is not muddled by easy sentiment, but shines with a desire to cheer us on into our own journeys of being a tough girl. An Astigirl.

Warren Buffett and the Interpretation of Financial Statements-Mary Buffett 2011-01-06 With an insider's view of the mind of the master, Mary Buffett and David Clark have written a simple guide for reading financial statements from Buffett's successful perspective. They clearly outline Warren Buffett's strategies in a way that will appeal to newcomers and seasoned Buffettologists alike. Inspired by the seminal work of Buffett's mentor, Benjamin Graham, this book presents Buffett's interpretation of financial statements with anecdotes and quotes from the master investor himself. Destined to become a classic in the world of investment books, Warren Buffett and the Interpretation of Financial Statements is the perfect companion volume to The New Buffettology and The Tao of Warren Buffett.

Warren Buffett on Business-Richard J. Connors 2009-12-09 The author weaves pearls of wisdom from Warren Buffet into an engaging narrative, organized into business and management topics, in a book that provides direct hands-on information for entrepreneurs, business students and more.

The Essays of Warren Buffett-Lawrence A. Cunningham 2013-03-15 In the third edition of this international best seller, Lawrence Cunningham brings you the latest wisdom from Warren Buffett's annual letters to Berkshire Hathaway shareholders. New material addresses: the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis and how to deal with them; controlling risk and protecting reputation in corporate governance; Berkshire's acquisition and operation of Burlington Northern Santa Fe; the role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced: Buffett's "owner-related business principles" are in the prologue as a separate subject and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. University of Berkshire Hathaway-Daniel Pecaut 2017-03 Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway's Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger's best lessons from that year. This book compiles those thirty years of wisdom for the first time.

7 Billionaire's Rules for Success-David Dagen 2016-10-20 The purpose of this book is to identify some of the successful strategies employed by people such as Warren Buffett, Elon Musk, Steve Jobs, Donald Trump, Carlos Slim, Mark Zuckerberg and Richard Branson. These businessmen, all incredibly successful in their respective fields of expertise, share another thing in common: they're all billionaires! If simply working long hours was the key to success, there would undoubtedly be many more billionaires. Why is this the case? Ultimately, the answer to this question is the difference between struggling financially and becoming a billionaire. However, the purpose of this book is not to tell you exactly how to become a billionaire, but to identify approaches that highly successful billionaires have taken on their path to success. Table of Contents Introduction The Trump Rule: Solve Big Problems The Musk Rule: How to Focus on Your Select Few The Branson Rule: Strategic Priorities The Jobs Rule: The Power of One The Buffett Rule: Work in 90 Minute Sprints The Zuckerberg Rule: Rising and Setting Rituals The Slim Rule: Learn less, study more Conclusion

The Snowball-Alice Schroeder 2009-09-16 Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 The Snowball is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha" business savvy, life story and philosophy, The Snowball is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

The Intelligent Investor-Benjamin Graham 1985 Analyzes the principles of stock selection and various approaches to investing, and compares the patterns and behavior of specific securities under diverse economic conditions

Think, Act, and Invest Like Warren Buffett: The Winning Strategy to Help You Achieve Your Financial and Life Goals-Larry Swedroe 2014-03-07 Bedrock investing principles for profiting in today's shaky markets If you wanted to create the next earth-shattering consumer product, Steve Jobs would be an ideal role model to follow. If you planned to become a great golfer, you might look to Arnold Palmer or Jack Nicklaus. So, if your goals were to outperform other investors and achieve your life's financial goals, what should you do? Think, act and invest like the best investor out there: Warren Buffett. While you can't invest exactly like he does, Think, Act, and Invest Like Warren Buffett provides a solid, sensible investing approach based on Buffett's advice regarding investment strategies. When it comes to investing, Director of Research for the BAM Alliance and CBS News blogger Larry Swedroe has pretty much seen it all—and he's come to the conclusion that simple is better, that adopting basic investing principles always increases an investor's chance of success and that Buffett is the perfect model for such investing. In Think, Act, and Invest Like Warren Buffett, Swedroe provides the foundational knowledge you need to: Develop a financial plan to help you make rational decisions on a consistent basis Determine the level of risk that's right for you and allocate your assets accordingly Create a strong portfolio that will weather any economic storm Manage your portfolio—rebalance periodically to maintain proper risk levels The beauty of the Buffett approach is its profound simplicity: follow the basics, keep your cool, and have a sense of humor. The market volatility of recent years has ushered in armies of economists, forecasters and other so-called experts whose job it is to explain how everything works. Somehow, they have managed to muddy the waters even more. The truth is, investing is easier than you think—even in today's economy. "Complex problems can have simple solutions," Swedroe writes. Think, Act, and Invest Like Warren Buffett helps you go back to the basics—so you can leap in front of the investing pack. Praise for Think, Act, and Invest Like Warren Buffett: "You could not spend a more profitable hour than reading Larry Swedroe's wise and lucid investment guide." —Burton Malkiel, author, A Random Walk Down Wall Street "If you've been wondering why you've had such a hard time investing well, Playing the Winner's Game will diagnose your ills and treat them in just ninety short, delightful pages." —William Bernstein, author, A Splendid Exchange and The Investor's Manifesto "Follow the investment strategy advocated by Larry Swedroe, and free yourself to spend your time on life's treasures—like your family and friends!" —William Reichenstein, professor, Baylor University "As someone who teaches a college investments course, I would not have thought it possible to do what Swedroe has done in such a short concise book." —Edward R. Wolfe, professor of finance, Western Kentucky University "It's amazing. Larry Swedroe managed to pen a magnificent book not only chock full of actionable advice, but one that's fun to read. Get a copy and treat yourself to a better financial future." —Harold Evensky, president, Evensky & Katz "Larry Swedroe is the undisputed expert in helping investors manage portfolios the smart way. His new book, Playing the Winner's Game, combines all facets of wealth management in an inspiring and powerful manner." —Bill Schultheis, author, The New Coffeehouse Investor

The Joys of Compounding-Gautam Baid 2020-06-02 Value investing is not just a system for success in the market. It is also an intellectual toolkit for achieving a deeper understanding of the world. In The Joys of Compounding, the value investor Gautam Baid builds a holistic approach to value investing and philosophy from his wide-ranging reading, combining practical approaches, self-cultivation, and business wisdom. Distilling investment and life lessons into a comprehensive guide, Baid integrates the strategies and wisdom of preeminent figures whose teachings have stood the test of time. Drawing on the work of investing greats like Warren Buffett, Charlie Munger, and Ben Graham, as well as philosophers and scholars, he artfully interweaves the lessons learned from his many teachers. Baid demonstrates their practical applications in the areas of business, investing, and decision making and also shows that these ideas can be applied to one's own life with just as much reward. A celebration of the value investing discipline, this book also recounts Baid's personal experiences, testifying to his belief that the best investment you can make is an investment in yourself. The Joys of Compounding offers curated reflections on life and learning for all investors, investment enthusiasts, and readers seeking a dose of practical wisdom. This revised and updated edition highlights Baid's distinctive voice.

Working Together-Michael D. Eisner 2010-09-14 In Working Together, a fascinating and invaluable look at why great partnerships succeed, former Disney CEO Michael Eisner discusses how professional partnerships have contributed to his success. In addition, Eisner tells the stories of nine other highly successful business collaborations, including Warren Buffett and Charlie Munger, Valentino and Giancarlo Giammetti, Bill and Melinda Gates, Joe Torre and Don Zimmer, and Brian Grazer and Ron Howard.

Rich Habits-Thomas C. Corley 2010-03-01 Offers a step-by-step financial success program that is concise, easy to understand and apply.

Atomic Habits-James Clear 2018-10-16 The #1 New York Times bestseller. Over 1 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Warren Buffett Way-Robert G. Hagstrom 1997-04-07 Describes the investment strategies of the world's most famous stock investor, recounting how he made a fortune by purchasing pieces of outstanding companies since the early 1980s

Warren Buffet's Top Rules for Success-J.D. Rockefeller 2016-06-28 Want to be the next Buffett? Learning and understanding his rules to success is a good place to start. This book will reveal some of the most important rules that Warren Buffett abide to. All of which helped him achieved his tremendous success and attain his current status and popularity.

How To Win Friends And Influence People-Dale Carnegie 2014-01-28 With an enduring grasp of human nature, Dale Carnegie's How to Win Friends and Influence People teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie's How to Win Friends and Influence People, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

Invest In The Best-Keith Ashworth-Lord 2016-07-29 This book concentrates on the investment style of Business Perspective Investing, as practiced by Benjamin Graham and Warren Buffett. It takes the reader through the realisation that the thought process involved when buying shares in a company is no different to buying the company in its entirety. Beginning with how to assess the quality of a business, it explains and illustrates with examples what to look for in company accounts, how to determine the value drivers of a business, the strength of its franchise and how to interpret key financial ratios and performance indicators. It discusses the ideal characteristics of a business worthy of investment so that you will develop a mental checklist of what to look out for. The book then sets out a number of valuation methods to determine the likely economic worth of a company. It is against this estimate that a judgement can be made as to whether a share price offers good value. The book concludes with thoughts on portfolio construction, in particular Focus Investing, where a concentrated approach is taken, and legitimate reasons for deciding to sell a holding. Throughout, the emphasis is on the methodology used to manage the Sanford DeLand UK Buffettology Fund.

Trade Like Warren Buffett-James Altucher 2005-04-08 "Trading is notoriously tough. But Altucher's new book adds anoteworthy addition to the library on Warren Buffett. He shows alot of Buffett that isn't readily available in the existing commonliterature. Definitely required reading for any serious Buffettbuff." -Kenneth L. Fisher, Forbes' "Portfolio Strategy" Columnist Founderand CEO, Fisher Investments "Finally, someone blows apart the myth that Warren Buffett is abuy-and-hold investor. Altucher has given us an insightful andwell-written commentary on how Buffett has amassed his trackrecord, and what we can do to emulate him. He details thetrade-by-trade examples. This is a must read for anyone wanting tolearn about how the Master Investor works." -John Mauldin, author, Bull's Eye Investing editor of Thoughts fromthe Frontline (www.2000wave.com) While Warren Buffett is considered the "world's greatest valueinvestor," there's another side to Buffett that is rarely talkedabout. Although Buffett has gained recognition for his valueinvesting approach to the markets, the fact is that nobody-over thepast fifty years-has traded and invested with a more diverse groupof strategies than Buffett. Trade Like Warren Buffett challenges the current coverage of thisgreat investor by including details of all of Buffett's investingand trading methods, including mean reversion, commodities, bonds,arbitrage, market timing, funds, as well as Graham-Dodd. To augmentthe discussion of each strategy, Trade Like Warren Buffett alsoincludes interviews with leading financial professionals, whoreveal in detail how they've successfully used the sametechniques. There is no one way to sum up Warren Buffett's investment style.But if you're interested in boosting the performance of yourportfolio, Trade Like Warren Buffett can show you how.

The Clash of the Cultures-John C. Bogle 2012-07-05 Recommended Reading by Warren Buffett in his March 2013 Letterto Shareholders How speculation has come to dominate investment—ahard-hitting look from the creator of the first index fund. Over the course of his sixty-year career in the mutual fundindustry, Vanguard Group founder John C. Bogle has witnessed amassive shift in the culture of the financial sector. The prudent,value-adding culture of long-term investment has been crowded outby an aggressive, value-destroying culture of short-term speculation. Mr. Bogle has not been merely an eye-witness to thesechanges, but one of the financial sector's most activeparticipants. In The Clash of the Cultures, he urges a return tothe common sense principles of long-term investing. Provocative and refreshingly candid, this book discusses Mr.Bogle's views on the changing culture in the mutual fund industry,how speculation has invaded our national retirement system, thefailure of our institutional money managers to effectivelyparticipate in corporate governance, and the need for a federalstandard of fiduciary duty. Mr. Bogle recounts the history of the index mutual fund, how hecreated it, and how exchange-traded index funds have altered itsoriginal concept of long-term investing. He also presents afirst-hand history of Wellington Fund, a real-world case study onthe success of investment and the failure of speculation. The bookconcludes with ten simple rules that will help investors meet theirfinancial goals. Here, he presents a common sense strategy that"may not be the best strategy ever devised. But the number ofstrategies that are worse is infinite." The Clash of the Cultures: Investment vs. Speculationcompletes the trilogy of best-selling books, beginning withBogle on Investing: The First 50 Years (2001) and Don'tCount on It! (2011)

21 Lessons for the 21st Century-Yuval Noah Harari 2019-01-29 #1 NEW YORK TIMES BESTSELLER • In Sapiens, he explored our past. In Homo Deus, he looked to our future. Now, one of the most innovative thinkers on the planet turns to the present to make sense of today's most pressing issues. “Fascinating . . . a crucial global conversation about how to take on the problems of the twenty-first century.”—Bill Gates, The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FINANCIAL TIMES AND PAMELA PAUL, KQED How do computers and robots change the meaning of being human? How do we deal with the epidemic of fake news? Are nations and religions still relevant? What should we teach our children? Yuval Noah Harari's 21 Lessons for the 21st Century is a probing and visionary investigation into today's most urgent issues as we move into the uncharted territory of the future. As technology advances faster than our understanding of it, hacking becomes a tactic of war, and the world feels more polarized than ever, Harari addresses the challenge of navigating life in the face of constant and disorienting change and raises the important questions we need to ask ourselves in order to survive. In twenty-one accessible chapters that are both provocative and profound, Harari builds on the ideas explored in his previous books, untangling political, technological, social, and existential issues and offering advice on how to prepare for a very different future from the world we now live in: How can we retain freedom of choice when Big Data is watching us? What will the future workforce look like, and how should we ready ourselves for it? How should we deal with the threat of terrorism? Why is liberal democracy in crisis? Harari's unique ability to make sense of where we have come from and where we are going has captured the imaginations of millions of readers. Here he invites us to consider values, meaning, and personal engagement in a world full of noise and uncertainty. When we are deluged with irrelevant information, clarity is power. Presenting complex contemporary challenges clearly and accessibly, 21 Lessons for the 21st Century is essential reading. “If there were such a thing as a required instruction manual for politicians and thought leaders, Israeli historian Yuval Noah Harari's 21 Lessons for the 21st Century would deserve serious consideration. In this collection of provocative essays, Harari . . . tackles a daunting array of issues, endeavoring to answer a persistent question: ‘What is happening in the world today, and what is the deep meaning of these events?’”—BookPage (top pick)

How to Win at the Sport of Business-Mark Cuban 2011-11-20 Mark Cuban shares his wealth of experience and business savvy in his first published book, HOW TO WIN AT THE SPORT OF BUSINESS. "It's New Year's resolution time, and Mark Cuban's new book offers the rationale for a good one." —BUSINESS INSIDER Using the greatest material from his popular Blog Maverick, Cuban has collected and updated his postings on business and life to provide a catalog of insider knowledge on what it takes to become a thriving entrepreneur. He tells his own rags-to-riches story of how he went from selling powdered milk and sleeping on friends' couches to owning his own company and becoming a multi-billion dollar success story. His unconventional yet highly effective ideas on how to build a successful business offer entrepreneurs at any stage of their careers a huge edge over their competitors. "In short, [HOW TO WIN AT THE SPORT OF BUSINESS] exceeded...expectations. Short chapters...got right to the point and were not filled with 'stuffing'." —HUFFINGTON POST

The Buffett Essays Symposium-Lawrence A. Cunningham 2016-05-08 Among the landmark occasions in the legendary history of Berkshire Hathaway and its iconic co-leaders, Warren Buffett and Charlie Munger, was a 1996 symposium held in New York at Cardozo Law School. The focus of the symposium was Warren's letters to Berkshire shareholders. The format was a series of panels with two dozen different experts dissecting all the ideas in the letters, about corporate governance, takeovers, investing, and accounting. Intellectual sparks illuminated the two-day affair, which drew unusual press interest for an academic convocation. While the principal tangible result of the conference was the publication of the international best-seller, *The Essays of Warren Buffett: Lessons for Corporate America*, the transcript of the symposium is now being made available with annotations and updated commentary that show just how timeless the topics are and how venerable the principles Buffett laid out remain. I had the honor of hosting the event, editing *The Essays*, and now publishing this archival treasure, with current assessments by such luminaries as Robert Hagstrom as well as several participants from the original symposium.

Warren Buffett's Ground Rules-Jeremy C. Miller 2016-04-26 Using the letters Warren Buffett wrote to his partners between 1956 and 1970, a veteran financial advisor presents the renowned guru's "ground rules" for investing—guidelines that remain startlingly relevant today. In the fourteen years between his time in New York with value-investing guru Benjamin Graham and his start as chairman of Berkshire Hathaway, Warren Buffett managed Buffett Partnership Limited, his first professional investing partnership. Over the course of that time—a period in which he experienced an unprecedented record of success—Buffett wrote semiannual letters to his small but growing group of partners, sharing his thoughts, approaches, and reflections. Compiled for the first time and with Buffett's permission, the letters spotlight his contrarian diversification strategy, his almost religious celebration of compounding interest, his preference for conservative rather than conventional decision making, and his goal and tactics for bettering market results by at least 10% annually. Demonstrating Buffett's intellectual rigor, they provide a framework to the craft of investing that had not existed before: Buffett built upon the quantitative contributions made by his famous teacher, Benjamin Graham, demonstrating how they could be applied and improved. Jeremy Miller reveals how these letters offer us a rare look into Buffett's mind and offer accessible lessons in control and discipline—effective in bull and bear markets alike, and in all types of investing climates—that are the bedrock of his success. Warren Buffett's Ground Rules paints a portrait of the sage as a young investor during a time when he developed the long-term value-oriented strategy that helped him build the foundation of his wealth—rules for success every investor needs today.

How to Close a Deal Like Warren Buffett: Lessons from the World's Greatest Dealmaker-Tom Searcy 2012-11-02 Silver Winner-Tops Sales World's Best Sales and Marketing Book Revealed: the winning blueprint for making deals like The Oracle of Omaha Warren Buffett didn't become the world's third wealthiest individual on his investing instincts alone. Buffett is a master dealmaker. In fact, one of his greatest single successes came when he closed multiple deals to own 100 percent of the Government Employees Insurance Company--also known as GEICO. Highly successful dealmakers themselves, Tom Searcy and Henry DeVries have been studying Buffett's unique approach for many years. Now, they reveal the secrets of the Oracle of Omaha. How to Close a Deal Like Warren Buffett gives you the 101 top deal-making maxims of a legend in his own time. Here's just a small sampling of what's inside: Warren Way #22: Choose quality. "It's better to own a portion of the Hope diamond than 100 percent of a rhinestone." Warren Way #41: Deal making is a no-called-strike game. "You don't have to swing at everything--you can wait for your pitch." Warren Way #75. Think long term. "Our favorite holding period is forever." Warren Way #92. Don't do deals just to do deals. "We don't get paid for activity, just for being right." Warren Way #98. Think for yourself. "My idea of a group decision is to look in the mirror." Warren Way #99. Be honest in your deal making. "It takes 20 years to build a reputation and five minutes to ruin it." Searcy and DeVries round it all out with an abundance of their own expertise--approaches that, added up, have generated billions of dollars in new sales. Take the advice in this hands-on guide and learn How to Close a Deal Like Warren Buffett. How to Close a Deal Like Warren Buffett reveals the method behind Buffett's near-mythic deal-making prowess. Guaranteed to help you come out on the right side of every deal! "Tom Searcy and Henry DeVries have done a masterful job of distilling Buffett's wisdom into a highly readable book you'll want to refer to again and again. A must-have for dealmakers!" -- Ken Blanchard, coauthor of The One Minute Manager and Leading at a Higher Level "Almost anybody interested in deal making will find something of interest here. Simply the most important new book on deal making and big account sales strategy." -- Marshall Goldsmith, author of the New York Times bestsellers MOJO and What Got You Here Won't Get You There "Read this inspiring, advice-filled book to discover how you can leverage Warren Buffett's deal-making strategies to negotiate and win big contracts." -- Jill Konrath, author of SNAP Selling and Selling to Big Companies "This book is Dale Carnegie reconfigured for the business world." -- Thomas Barnett, contributing editor at Esquire and author of Great Powers: America and the World After Bush "This is the first book we've read that truly explains how Buffett thinks and how his lessons can be applied to your business." -- Neil Senturia and Barbara Bry, serial entrepreneurs and entrepreneurship columnists for U-T San Diego

Chaotic Thoughts from the Old Millennium-Wong Hoo Sim 1999

Business Adventures-John Brooks 2014-07-08 “Business Adventures remains the best business book I’ve ever read.” —Bill Gates, The Wall Street Journal What do the \$350 million Ford Motor Company disaster known as the Edsel, the fast and incredible rise of Xerox, and the unbelievable scandals at General Electric and Texas Gulf Sulphur have in common? Each is an example of how an iconic company was defined by a particular moment of fame or notoriety; these notable and fascinating accounts are as relevant today to understanding the intricacies of corporate life as they were when the events happened. Stories about Wall Street are infused with drama and adventure and reveal the machinations and volatile nature of the world of finance. Longtime New Yorker contributor John Brooks's insightful reportage is so full of personality and critical detail that whether he is looking at the astounding market crash of 1962, the collapse of a well-known brokerage firm, or the bold attempt by American bankers to save the British pound, one gets the sense that history repeats itself. Five additional stories on equally fascinating subjects round out this wonderful collection that will both entertain and inform readers . . . Business Adventures is truly financial journalism at its liveliest and best.

The Outsiders-William Thorndike 2012 It's time to redefine the CEO success story. Meet eight iconoclastic leaders who helmed firms where returns on average outperformed the S&P 500 by more than 20 times.

From Butler to Buffett-Murray B. Light 2004 [Light] tells the story of the News in an easily readable conversational style...critics and fans alike will enjoy reading background on Warren Buffett.-Arvoice...divulges countless interesting stories behind The News, not one. Light takes no prisoners. His telling of the story behind The News will

upset some and delight others. The Buffalo NewsIn 1873, a twenty-three-year-old entrepreneur named Edward H. Butler arrived in Buffalo, New York, to found a newspaper eventually called the Buffalo Evening News. Under Butler's aegis the News became one of the most successful newspapers in America, growing along with the thriving city at the end of the Erie Canal, which was expanding rapidly as immigrants poured in and America urbanized. About a century later, in 1977, financial investor Warren E. Buffett, recognizing the value of the paper, bought the Buffalo Evening News, and to this day, despite competition from large media conglomerates, the Buffalo News (as it is now called) remains a successful independent publication. There is no one better to tell the story of the News than Murray B. Light, who held senior editorial positions at the paper for over thirty years. Beginning with the founding of the newspaper by Butler, Light provides a wealth of historical information and many in-depth, behind-the-scenes profiles of key persons who influenced the course of the paper. Chief among these is founder Edward H. Butler, a dynamo of energy, whose enthusiasm, innovation, and high standards are still felt to this day. His son, Edward Butler Jr., also played an important role, extending the reach of the News into radio and television, as did his extraordinary wife, Kate Robinson Butler, who also served as publisher. Almost as influential as the senior Butler was Alfred H. Kirchofer, whose strong personality and work ethic, staunch Republican Party connections, and active involvement in the Buffalo community became legendary. Readers are offered a rare inside look at the strength of leadership, attention to detail, and accuracy in reporting that are consistently needed to maintain a dedicated subscriber base through such momentous events as the Three-Mile-Island nuclear disaster, the Attica prison riots, and the environmental dangers of Love Canal. Regarding the current owner, Warren Buffett, Light has many interesting insights into his famous low-key, hands-off style of management. He assumed ownership of the News at a critical time, bolstering its financial strength while encouraging complete editorial independence. Light also devotes a chapter to current publisher Stanford Lipsey, a longtime associate of Buffett, highlighting his leadership in the wake of the bitter court dispute with the Courier Express. Along the way Light offers interesting comments on newspaper trends and on many longtime and widely read reporters and columnists, such as Ray Hill, Bob Curran, Lee Coppola, Jeff Simon, Alan Pergament, Donn Esmonde, Janice Okun, Larry Felser, and many others, as well as Pulitzer Prize-winning political cartoonists Bruce Shanks and Tom Toles. This detailed memoir of the persons and events that had a formative influence on a major independent regional newspaper will capture the attention of anyone interested in the history of one of America's great independent presses. Murray B. Light (Buffalo, NY) has worked for the Buffalo News for 50 years. Starting as a reporter, Light worked his way up to Managing Editor, Editor and Vice President, and Senior Vice President. Though now retired, he continues to write a weekly commentary column and book reviews.
