Hopscotch, Blow-Up, We Love Glenda So Much-Julio Cortazar 2016-04-20 These three groundbreaking works by Julio Cortázar—a major figure of world literature and one of the founders of the Latin American Boom—are published together in one volume for the first time, in honor of the centenary of his birth. With his influential “counternovel” HOPSCOTCH and his unforgettable short stories, Cortázar earned a place among the most innovative authors of the twentieth century. HOPSCOTCH is a nonlinear novel about an Argentinean writer living in Paris; it consists of 155 short chapters that the author advises the reader to read out of order. BLOW-UP and WE LOVE GLENDA SO MUCH bring together the most famous of Cortázar’s short fiction, including “Axolotl,” “End of the Game,” “The Night Face Up,” “Continuity of Parks,” “Bestiary,” and “Blow-Up”. These are stories in which invisible beasts stalk children in their homes, the reader of a mystery finds out that he is the murderer’s intended victim, an injured motorcyclist is pursued by Aztec warriors, and a man becomes a salamander in a Parisian zoo. In Cortázar’s work, laws of nature, physics, and narrative fall away, leaving us with an astonishing new view of the world. (Book Jacket Status: Jacketed)

Hinterland-Chris Mullin 2016-09-22 All serious politicians are supposed to possess a hinterland, but not all do. Chris Mullin was one who did. By the time he entered parliament he had reported from the wars in Vietnam, Laos and Cambodia and tracked down the survivors of the CIA operation in Tibet. He was the author of three novels, including the classic A Very British Coup. His successful campaign to free the innocent people convicted of the Birmingham bombings was described as 'one of the greatest feats ever achieved by an investigative reporter'. Elected to parliament, aged 39, he quickly established himself as a fearless inquisitor before going on to become a minister in three departments. His three volumes of diaries have been widely acclaimed as the best account of the Blair years and the rise and fall New Labour. He left parliament in 2010 ('better to go while people are still asking why rather than when'). These are his memoirs.

Glenda's Story: Led by Grace-Glenda Revell 2015-02-06 Unwanted from birth and abused throughout her childhood, Glenda was desperate for love and a sense of belonging. Her only respite from a miserable home life was school, and the welcoming shade of her favorite willow tree, under which she would dream of another life, another family, and pray to a God she did not yet know. Ultimately, Glenda's afflictions became the cords with which God drew her to Himself. Receiving His salvation, she understood that God had saved her from her own sinfulness, more than horrid conditions and treatment by others. This is a story of great hope, an amazing account of how our merciful Savior brings light out of darkness, joy out of sorrow, and peace out of pain. Highly recommended by Elisabeth Elliot.

The Queen-Josh Levin 2019-05-21 Winner of the National Book Critics Circle Award in Biography In this critically acclaimed true crime tale of "welfare queen" Linda Taylor, a Slate editor reveals a "wild, only-in-America story" of political manipulation and murder (Attica Locke, Edgar Award-winning author). On the South Side of Chicago in 1974, Linda Taylor reported a phony burglary, concocting a lie about stolen furs and jewelry. The detective who checked it out soon discovered she was a welfare cheat who drove a

Cadillac to collect ill-gotten government checks. And that was just the beginning: Taylor, it turned out, was also a kidnapper, and possibly a murderer. A desperately ill teacher, a combat-traumatized Marine, an elderly woman hungry for companionship -- after Taylor came into their lives, all three ended up dead under suspicious circumstances. But nobody -- not the journalists who touted her story, not the police, and not presidential candidate Ronald Reagan -- seemed to care about anything but her welfare thievery. Growing up in the Jim Crow South, Taylor was made an outcast because of the color of her skin. As she rose to infamy, the press and politicians manipulated her image to demonize poor black women. Part social history, part true-crime investigation, Josh Levin's mesmerizing book, the product of six years of reporting and research, is a fascinating account of American racism, and an exposé of the "welfare queen" myth, one that fueled political debates that reverberate to this day. The Queen tells, for the first time, the fascinating story of what was done to Linda Taylor, what she did to others, and what was done in her name. "In the finest tradition of investigative reporting, Josh Levin exposes how a story that once shaped the nation's conscience was clouded by racism and lies. As he stunningly reveals in this "invaluable work of nonfiction," the deeper truth, the messy truth, tells us something much larger about who we are (David Grann, #1 New York Times bestselling author of Killers of the Flower Moon).

The Stars at Oktober Bend-Glenda Millard 2018-05-08 Beautiful, lyrical prose, told in two voices, lifts up a poignant story of two traumatized teens who find each other in a small riverside town. i am the girl manny loves. the girl who writes our story in the book of flying. i am alice. Alice is fifteen, with hair as red as fire and skin as pale as bone. Something inside Alice is broken: she remembers words, but struggles to speak them. Still, Alice knows that words are for sharing, so she pins them to posters in tucked-away places: railway waiting rooms, fish-and-chips shops, quiet corners. Manny is sixteen, with a scar from shoulder to elbow. Something inside Manny is broken, too: he once was a child soldier, forced to do terrible, violent things. But in a new land with people who care for him, Manny explores the small town on foot. And in his pocket, he carries a poem he scooped up, a poem whose words he knows by heart. The relationship

between Alice and Manny will be the beginning of love and healing. And for these two young souls, perhaps, that will be good enough.

Love Warrior-Glennon Doyle 2016-09-06 #1 New York Times Bestseller Oprah's Bookclub 2016 Selection "Riveting...a worthy investment...this book has real wisdom." —New York Times Book Review "A book with so much painful truth packed into its pages that every person who's ever married or plans to marry should really give it a read." —Chicago Tribune "Provocative...I adore her honesty, her vulnerability, and her nonsense wisdom, and I know you will, too." —Oprah Winfrey "This memoir isn't really about Glennon rebuilding her relationship with her husband; it is about Glennon rebuilding her relationship with herself. Utterly refreshing and...badass." —Bustle.com The highly anticipated new memoir by bestselling author Glennon Doyle tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out—three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list—her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom was a familiar place. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. Love Warrior is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one another—and it captures the beauty that unfolds when one couple commits to unlearning everything they've been taught so that they can finally, after thirteen years of marriage, commit to living true—true to themselves and to each other. Love

Warrior is a gorgeous and inspiring account of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.
