Visions of the Future-J. Batt 2015-10-16 Visions of the Future is a collection of stories and essays including Nebula and Hugo award-winning works. In this anthology, you'll find stories and essays about artificial intelligence, androids, faster-than-light travel, and the extension of human life. You'll read about the future of human institutions and culture. But these literary works are more than just a reprisal of the classical elements of science fiction and futurism. At their core, each of these pieces has one consistent, repeated theme: us.
