Forever Loved: Exposing the hidden Crisis of Missing and Murdered Indigenous Women and Girls in Canada-Lavell Memee.D Harvard 2016-05-01 The hidden crisis of missing and murdered Indigenous women and girls in Canada is both a national tragedy and a national shame. In this ground-breaking new volume, as part of their larger efforts to draw attention to the shockingly high rates of violence against our sisters, Jennifer Brant and D. Memee Lavell-Harvard have pulled together a variety of voices from the academic realms to the grassroots and front-lines to speak on what has been identified by both the Inter-American Commission on Human Rights and the United Nations as a grave violation of the basic human rights of Aboriginal women and girls. Linking colonial practices with genocide, through their exploration of the current statistics, root causes and structural components of the issue, including conversations on policing, media and education, the contributing authors illustrate the resilience, strength, courage, and spirit of Indigenous women and girls as they struggle to survive in a society shaped by racism and sexism, patriarchy and misogyny. This book was created to honour our missing sisters, their families, their lives and their stories, with the hope that it will offer lessons to non-Indigenous allies and supporters so that we can all work together towards a nation that supports and promotes the safety and well-being of all First Nation, Métis and Inuit women and girls.

Exposing the Third Reich-Henry G. Gole 2013-08-20 As World War II recedes from living memory, there remain untold stories of important behind-the-scenes operatives who provided vital support to the leaders celebrated in historical accounts. Colonel Truman Smith is one of the most compelling figures from this

period, but there has never been a biography of this important and controversial man. In *Exposing the Third Reich*, Henry G. Gole tells this soldier's story for the first time. An American aristocrat from a prominent New England family, Smith was first assigned to Germany in 1919 during the Allied occupation and soon became known as a regional expert. During his second assignment in the country as a military attaché in 1935, he arranged for his good friend Charles Lindbergh to inspect the Luftwaffe. The Germans were delighted to have the famous aviator view their planes, enabling Smith to gather key intelligence about their air capability. His savvy cultivation of relationships rendered him invaluable throughout his service, particularly as an aide to General George C. Marshall; however, the colonel's friendliness with Germany also aroused suspicion that he was a Nazi sympathizer. Gole demonstrates that, far from condoning Hitler, Smith was among the first to raise the alarm: he predicted many of the Nazis' moves years in advance and feared that the international community would not act quickly enough. Featuring many firsthand observations of the critical changes in Germany between the world wars, this biography presents an indispensable look both at a fascinating figure and at the nuances of the interwar years.

Exposing the Fallacies of the Pre-Tribulation Rapture-Billy Broadwater 2014-06-20 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years. This teaching is not allowed to be challenged in many Christian circles. *Exposing the Fallacies of the Pretribulation Rapture* takes the building blocks of this theory and dismantles them one by one in a serious, thought-provoking analogy of this doctrine. • Is the seven year tribulation really a biblical term? • Is the church literally raptured in Revelation chapter 4? • Are there signs that precede the return of Christ? • Is the rapture really an invisible event? • Are Christians exempt from tribulation? • Where did the true roots of the pretribulation rapture come from? • What does the day of the Lord have to do with the rapture? These questions and many more are answered in *Exposing the Fallacies of the Pre-Tribulation Rapture*. Not only is there a thorough examination of the rapture, but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming. Billy Broadwater's in-depth Bible based research for over twenty-years brings home the truth about the rapture.

Dusty Earthlings-John Mustol 2012-08-20 "The Lord God formed a man from the dust of the ground . . ." (Gen 2:7). Made of dust, we humans are thoroughly physical beings. We are dusty earthlings. As such, we are also ecological beings, or rather eco-physical beings, firmly embedded in and dependent upon God's earthly ecosystems that support and provide for us and constitute our earthly home. Today we are living in ways that are damaging our home. As Christian dusty earthlings, we are called to oversee God's earthly creation and to follow Jesus Christ--God incarnated as a dusty earthling. How do we do this in the face of the array of ecological problems we face today? How can we obey the ecological principles and limits that govern all of life on God's good earth? I suggest that the virtues of humility, voluntary self-limitation, and the principles of kenosis and justice will help as we seek to follow Jesus as dusty earthlings in today's world.

HELL LETTERS: *Exposing the Myth*-Paul Kurts 2013-11-15 Paul is also the author of *TRINITARIAN LETTERS* (Westbow Press, 2011). Website at:

www.trinitarianletters.com HELL LETTERS demonstrates how the doctrine of hell and eternal torment came into the church in the fifth century AD through the efforts of St. Jerome and St. Augustine, with the translation of the Latin Vulgate, when the words hell and eternal torment and eternal damnation replaced the original meaning in various passages. The concept of hell and eternal torment was not preached in the early church for the first five hundred years of its existence. A positive gospel of love and reconciliation for humanity was. It was a positive message of hope, love, and the assurance of one's salvation in Jesus Christ. The effort of this book is to recapture that first love of the gospel, which is good news for everyone. Paul was born in Philadelphia, Mississippi, in 1944, and grew up in Jackson, Mississippi. He participated in music, choir, band, symphony, and many youth sports of baseball, basketball, tennis, and collegiate golf.

Exposing the Secret Law of Attraction-Gerald Donker 2008-11-14 For those interested in discussion at the intersection of self-improvement, spirituality and faith, this book provides a concise analysis of the philosophy behind the phenomena that is *The Secret* - Law of Attraction. Some, though it seems surprisingly few, have recognized that with *The Secret* something is not quite right. The popularity of the film and book is remarkable indeed. However scratch beneath the veneer of the polished and aesthetically stylised multimedia presentation and a striking, maybe even shocking discovery is made. There is no secret, the 'law of attraction' is not a law and New Thought from which it is derived is not new.

Exposing the Identity Thief-P. C. Leveare 2012-04-01 This book is an intriguing discovery of the very essence of our being as a child of God. Look! We all want to be like Jesus, but the reality is we already are like Him, we're just not fully convinced. The Bible tells us, .."as He is so are we..." (1John 4:17), and that it's no longer we who live, but Christ who lives within us (see Galatians 2:20). Our outward transformation depends on our inward realization, not on our trying. Our identity in Christ is the cornerstone of everything in life. The greatest measure of contentment, peace and joy is realized as I become more and more convinced of my true identity. That's what this book is about...Discovering who I really am by knowing Him...FINDING MYSELF IN HIM. As a teenager, P.C. thought that playing rock 'n roll and partying was all there was to living a fulfilled life. His party, however, was unexpectedly interrupted by an encounter with Jesus Christ. This radically altered his whole perception of life and its purpose. From this new-found relationship with Jesus Christ he began to discover that you don't have to be someone special to be someone special. P.C. and his wife reside in Georgia, where he leads worship at his local church and teaches weekly from the Bible.

Political Stages-Emily Mann 2002-05-01 (Applause Books). Warning: The plays of *Political Stages* do not make for a quiet evening of theatre. These are the plays which got audiences out of their seats, and sometimes out into the streets. Their words and ideas rumbled ominously down the marble hallways of legislatures and challenged, even threatened, and often changed, the thinking of millions. These are the plays which either lit or reflected the fires of those political controversies which blazed across the American Twentieth Century. Individually, each is a molotov cocktail tossed onto the stage, each a political movement encapsulated in dramatic form. Combined, they constitute both a conflagration and a record of American political and theatrical ideology. Never before, however, have they been collected in one explosive volume. In *Political Stages*, they have at last been preserved, ever ready to serve at the barricades of subsequent eras. Includes works by Tennessee Williams, Emily Mann, Clifford Odets, Langston Hughes, and others.

Exposing the Darkness-Darryl Fitzwater 2011-02 Darryl Fitzwater and his family appeared to the outside world to be a good Christian family. But in truth, Darryl was not a good Christian. He was hard on his wife and children, expecting them to meet impossibly high standards and never showing love or encouragement. He believed himself to be better than the other Christians he knew and was critical and judgmental of everyone. And he had a dark secret. In 2007, on the day before Thanksgiving, his deep, dark secrets were finally exposed. Darryl's wife, RaeLynn, discovered him in the nude with their teenage daughter, Sierra. As it turned out, Darryl had been struggling with pornography for years, and his lust led him to live with a hidden heart of sin. When the truth was revealed, life as he knew it was completely destroyed. He turned himself in and spent time in jail and away from his family, and the most amazing thing happened—he learned what it means to have peace with God and to serve Him with all of his heart. Today, Darryl and his family have forgiven and reconciled, and this thought-provoking book chronicles Darryl's many discoveries as he dealt with his sin. He encourages readers to take a hard look at the hidden sin in their own lives and bring it to the light so they can begin to truly live a victorious and fruitful Christian life. All will be revealed in Exposing the Darkness: And Lighting the Way to Life in Christ.
